

June 23, 2020 Cleansing Rain

The rain is going to come and it is going to pour and pour

But the rain that will come it will not come for destruction

It will not come to destroy

The rain that is going to come, is the rain to come and cleanse and purge

It will cleanse us

But we will feel like the judgment has come with this rain

But He has spoken and made a covenant with us

That He would never do what He did during the times of Noah

It will sound and it will look like it was the times of Noah

But it will not be, says God

The rain will come to purge and cleanse My land from its sin

And the sin that dwells in My land and the evilness that comes from the earth

I will remove, says God

And I will remove everything that is not of Me, and the sun will shine again

And when the sun shines, the sun will shine bright

And when it brightens up then you will see the darkness will no longer reign inside of thee

Because the rain came to set you free

The rain will come, and the rain will pour

It will pour and pour, and it will not be no more

Because I come to purge and cleanse that which belongs to Me

And what belongs to Me, belongs to Me

And I will not give unto thee, because it belongs to Me

Stand with Me in this time I give thee

The time that I will come to set My people free

But the earth and the land is filled with sand of evilness like never before

The evilness is great, you see

So great, it comes to bring distress on Me
But I am God, God Almighty
None will ever, ever be like Me
And I will purge and cleanse, cleanse and purge
Purge and cleanse until they become like Me
And it will be like the sea, I will cover this earth with My knowledge, you see
My knowledge of love will come all upon thee
And it will pour and it will pour and it will pour, you see
It will pour until I purge thee

Come and rest with Me, rest, rest, in that boat, you see
Lie down, the storm is going to come
But you must have faith inside of Me
Peace and rest is your strength, you see
In the midst of the storm I am there with thee
Lay down with Me, and you will see that I am the one that protects thee
Come and be with Me, and you will see
You will see that I am God Almighty
May the riches of My glory come upon thee
If you will receive Me, you will receive all that is inside of Me
But if you walk away this day, you will not be able to say
He is Almighty God in every way
Because you have trust in yourself and chariots, you see
You trust in the strength of Egypt, and not in Me
I will come with a great iron in My hand, and I will demand
But who will say this very day, I saw Almighty in every way
Who I say will come to Me this day and know My way
Who will come and know Me this day
