# INTRODUCTION

"COME UP THE MOUNTAIN  
AND I WILL SHOW YOU THINGS TO COME  
I WILL ALLOW YOU TO HEAR MY HEART"

In January of 2013, God showed up in our midst and spoke to us in a very unusual way. Each time we gathered to pray and worship, we would ask Him, "***What is on Your heart?***" He would soon answer us in a poetic cadence saturated with emotion. God the Father, Son, and Holy Spirit love when His sons and daughters take the time to sit still before Him to **listen to the cries of His heart.**

So far, we have published His words in ***Psalms from God's Heart***, and another book ***Living Water from God's Heart***. In these prophetic psalms God lovingly beseeches everyone to come to know Him and His Son, Jesus Christ; so we can all spend eternity with Him. In some of these Psalms, there is a profound sadness in God's heart as He speaks of the apathy and rejection of so many of His people.

*"The Lord is not slow about His promise, as some count slowness, but is patient toward you, not wishing for any to perish but for all to come to repentance."* **2 Peter 3:9**

God is speaking to encourage and instruct us in the face of coming judgment; teaching us how to stand firm in Him, confident that He will never leave us nor forsake us. He has

instructions for what and how we are to pray in the days between now and when He returns. **God is looking for people who love Him with all their hearts, and who will be faithful to pray for the things on His heart.**

**We are in a season when God is crying out to us to hear the cry of His heart for mankind!** Many times before God moves greatly upon the earth, there is a hush, a moment of profound silence, because of the seriousness of what is about to happen.

*"... There was silence, then I heard a voice." Job 4:16*

*"Be silent before the Lord GOD! For the day of the LORD is near ..."*  
*Zephaniah 1:7*

**God is very serious about His voice being heard in these days before He returns.** Please sit and wait for Him. His voice is the one that we must be hearing in our hearts. **He is calling us, His beloved remnant, to go up the mountain to sit with Him.** In the silence He will speak.

As you read this book, please take seriously what God is asking from you, and we pray you will join us in accomplishing God's will across the nations of the earth. We are so used to asking God to bring us joy and comfort, **and now He is asking us to comfort Him.** Are you willing to join His army and intercede for those whom His heart is crying for?

IN THE SILENCE  
HE HAS GIVEN US,  
WE MUST WAIT.  
BECAUSE IN IT,  
HE IS PRODUCING  
HIS VOICE IN US.  
A TRANSFORMATION IN US  
IS HAPPENING IN THE SILENCE.

PSALM 62

## 1-1-17 TWO MOUNTAINS

I see two mountains  
Two mountains between the two  
Two mountains  
Two mountains, you see  
Two mountain between thee  
One is very high, you see  
One is very low  
One is close to the floor  
Two mountains, you see, two mountains  
Two mountains that describe Me  
Two mountains, come and see  
Between the two, you will find Me  
Two mountains, one high and one low  
One very close to the floor  
Two mountains, you see  
Two mountains that describe Me

Far between the two  
The mountains, you see, are far between the two  
Both are in the wilderness, you see  
Both will describe Me  
Seek Me in this place, this day  
Seek Me as you began to pray  
I will take you up the mountain, you see  
The mountain that is in your wilderness is close to Me  
Seek Me and pray  
Come to this mountain this very day  
Far between the two

# 1-1-17 JOY IS HERE

Bells are ringing and she is singing  
She is here  
She is dancing and leaping  
She is near  
Receive her in a very special way  
She is here  
She will not give up on you

Arise and sing, let the bells ring  
Sing for joy to hear  
I have brought her here  
Everyone receive her  
Everyone who loves her will not fear  
Come near to her  
She loves to be here  
The bells of joy are here

Do not reject her  
She will give you a crown  
A crown on your head  
Many reject her

Receive her and welcome her into the gates  
I gave you this fruit of joy  
She understands Me  
She comes to set you free  
She is here, she is here  
Many reject this fruit of joy

My standards have to be in place  
Lay it all down to receive her  
And she will remain  
The first fruit of the Spirit is joy  
I lay it at your altar, receive her

Joy is not an emotion  
Joy is not a dance  
It's real, and it is right here  
Abide in my abiding presence

The basket of joy is alive  
I am going to manifest fruit  
That will reconcile us  
No matter what you see  
Joy should come before you

## 1-10-17 BASKETS OF FAITHFULNESS

Let Me describe something to thee  
Let Me describe what I may see  
I will place before you this day  
Baskets, different ones in every way  
Bronze, gold, you must see, silver lined with Me  
You must understand  
That I have come with a great command  
I have come, you see, I have come  
One that God has sent to lay down upon thee  
Everywhere, everywhere you will see  
New baskets I give you this day, they are made of Me  
Bronze, gold, silver, you see  
Woven with the best gold of Me  
Look, look everywhere, look, look  
How can you not dare to stand before Him this day  
As He pours down on you in every way  
This one, you see, stands all by itself  
Among all the fruit that you may see  
This one, this one this day I give to you in a special way

There is a basket, woven with bronze and gold  
The basket is called faith, the fruit is faithfulness  
It has its own basket, you see  
It will teach, and they will learn to have faith in Me  
When they have faith, they will walk in faithfulness  
Because they love Me  
They must be strong as gold, iron, metal that is bold  
Bold to speak, you see  
Bold to bring forth life for Me  
There are different baskets, you see  
Not made of earth, but made of Me  
I will give them faith, faith in Me  
They will be faithful, you watch and see

The Lion is roaring, something is stirring  
The Lion is roaring, He is roaring, He is roaring  
He is stirring, He is stirring  
Heavens are shaken, shaken, shaken, shaken  
The heavens are shaken because the Lion is roaring

Come and see, come and see, come and see  
Come all of you, come to Me  
See what I am doing here in the earth  
How I will bring forth a new birth  
Come and see, and see now  
I'm going to show you  
I shall give them a crown, a crown from Me  
A crown, you see, that is woven totally by Me  
Let them come, come, come, come  
Gold, silver, bronze, you see, all lined with Me

There is no earthly fruit that compares to this one, you see  
This one is developed totally from Me  
There is none, none, none they can get, you see  
Faith comes from within so they can know that I am He  
Tell them to come and pick up their baskets today  
And I will show them, I will show them the way  
I will show them how great I am, you see  
I will show them My love, I will show them I am He  
Place them gently down I say  
They will know that faith has shown up this very day  
I shall give them the trials and the tests, you see  
You watch and see if they will be faithful to Me

You angels from the North, you stand and watch  
You angels from the South, you come and bow  
You angels from the West, you give them My best  
You angels from the East, open the door so they can feast

Come, now, now, now, each one, you see  
You have a position, I shall give to My people  
Those who love Me will be bold in faith, you see  
Nothing will hold them back, nothing they will lack  
Bold, bold, bold, bold, bold  
This is what he stole, he stole their faith, you see  
And now they are not faithful to Me  
But today restore faith  
Give them faith and they will be faithful  
Pour, pour, pour

I will strengthen them like a lion, a lion that roars

I will strengthen them, they will come with a roar  
They will stand and be brave for Me  
Do not hesitate to do what I asked of thee  
Come I say come, from the west, north, east and south  
I have commanded you this day, come, come in every way  
I will take the least of them, and they will begin to pray  
Because of My heart, you see  
I will give them this just because of Me  
I love them you see, I love them, I love them, I love them  
Shower them, lay down the baskets, lay them down gently

Now pour, pour the fruit of faithfulness upon their hearts  
Pour I say, do not depart  
Give them all of Me, let them know how much I love thee  
Fill them, fill them, fill them now  
Fill them, fill them with a crown  
Fill them, fill them, fill them this day  
Fill them, watch, they will pray

Did you not see what I see? Do you not see what I see?  
Do you not see what I see? Do you not see what I see?  
The birds are flying, My children are crying  
I've given them the crown, you see, one that is woven by Me  
I shall fill their baskets, you shall look and see  
Quiet, quiet, quiet I say  
Quiet, quiet, quiet this very day  
Let heavens speak, read and speak quietly I say  
Quiet, quiet, quiet this day

Quietness will be your strength  
Quietness will give you what you need  
Quietness comes with faithfulness  
Quietness comes with faithfulness  
Quietness comes with faithfulness  
Quiet, quiet I say be quiet this very day  
Hear My voice, clear you see, hear Me, hear Me  
Watch Me, it will be I that will stand against your enemy  
You will be quiet, you will be quiet, you will be quiet  
You will be quiet, you will be quiet, you will be quiet  
You will be quiet, you will be quiet, you will be quiet

## *Daniel 6*

My son was faithful, you see  
My son stood bold before his enemy  
Pray, pray, pray I say  
Quietness is your strength this very day  
Stand before Me and you will see  
You will see the boldness of your faith to walk into that cage  
Walk I say, walk into the lion's cage  
Will you not see that I have called My angels to be?  
Walk, go in, do not fear, walk by faith, I am near  
Walk, I say, go into that cage, you see  
Boldly that you may know it is Me  
Do not lack, do not slack, I am God  
I am right behind your back, I am here, you see  
The basket is faith and the fruit is faithfulness  
I put them before thee  
Will you not walk by faith  
And see that I will stand against your enemy?

# 1-15-17 WALK THE PATH WITH ME

Will you walk with Me, that I may talk to thee ?  
Walk with Me, would you stop to listen to My heart, you see  
There is much inside of Me  
Would you just walk with Me?  
Walk with Me, not many will stop and walk with Me  
But would you stop?  
Do you not see the atmosphere is for Me and thee?

Who will walk with Me?  
Who will stop and see?  
Who will stop and see what I see?  
Do you see what I see?  
Do you hear what I hear?  
Do you feel what I feel?  
Will you stop and walk with Me?  
Walk and see, that I may show you what is inside Me  
That I may show you the heart of Me  
Who, who, who, who will walk with Me?  
Who, may I ask this question, you see?  
Who has chosen to be with Me?  
Walk with Me

Let Me tell you a story  
A man that lives in a strange land, you see  
A man that did not understand Me  
One that went far away from his home  
He did not know where he was going  
He could not see the throne  
He didn't know which way  
But that day, he journeyed toward the city  
He entered the gates  
And there you will see many that sit  
Right at the gates, and they say to thee  
You are a foreigner in our land  
Why have you come, and why do you stand?  
Do you not see, you must not enter these gates?  
They are not for thee  
Why have you journeyed so far away?  
Why did you come, and why do you say

That you would enter into these gates, you see  
These gates will not open, will not open for thee

Walk with Me, walk with Me

Do you not see?

I am on a journey

I stand in many gates of many cities, you see

But they won't let Me in

Because they do not know Me

They won't let Me in

But I have come, you see

That I may enter the gates of many to know Me

But they will not open, they will not let Me in

They see Me as a foreigner, you see

One that does not know Me

Come, come quickly, come quickly

Let Me show you something this day

Let Me show you a path and a way

I shall open the gates of heaven, you see

I will let many, many in, that they may know Me

But the path is narrow, very narrow, very narrow

Walk with Me, I want you to see

The path that I will show to thee

A way that is only by Me

Many do not come this way you see

Many do not know the love that I have for thee

Can I share secrets with you?

Will you keep these secrets deep in your heart?

Will you come and stand and not depart?

A land, far away, you see

Why won't they walk with Me?

The path is narrow, it is right before thee

I will open up the life of many mysteries for thee

Can you keep a secret, if I show it to thee?

Walk with Me, talk with Me

Do you not see I have chosen you to dwell with Me?

Walk with Me, walk with Me

This path that I have chosen for thee

It will require much from thee

Many do not choose this path, you see  
It is a difficult way, it is not easy  
Are you sure you want to walk with Me?  
What if this path does not have a return?  
What if this path will take you straight into a place  
That you do not want to be?  
Do you really want to walk with Me?  
Let's see, let's see if this is what you want to be  
One that is willing to follow Me  
One from a foreign land, you see  
They do not know Me

The secret in My heart is a key  
That will cause you to never depart  
It will unlock treasures of heaven, you see  
It will unlock treasures of gold that have been given to Me  
These treasures of gold never grow old  
Because they are not of this place, you see  
They are from My Father in heaven, who is close to Me  
The secret to the lock is to find the key  
The path is narrow, you see  
It is a narrow way, straight inside of Me  
Most do not see that they must come and abide in Me  
To see the treasures of heaven that are released to thee  
Most do not see that I have given them the key  
The key of authority  
That will unlock the mystery of My Father's heart, you see  
That would change the course of this day, you see  
Generations and generations  
And generations will know the path  
Because you have chosen to walk the path, you see  
Many, many will come into a place  
That they have never seen before  
But I have given it to you on the threshing floor  
I have given you something, you see  
That is very dear and precious to Me  
That has been entrusted to Me by My Father, you see  
And He has given it to Me, to give to thee

It is the treasure of the key, it is a part of My heart  
Many, many have searched, but could not find

Many have come, even those with a crime  
Come and see what I so freely want to give to thee  
    Why will I give it to thee, you say?  
I have watched and watched and watched your way  
    You long for Me, I've noticed you see  
    You come, and you come to see only Me  
        So the value of My heart  
I come this day to give you a key on a narrow way  
    Here this day, I open My heart  
    If you will come and walk with Me, you will see  
        Come I say, and abide in Thee  
I will show you the treasures of heaven on this path  
    It will open and unlock many things you know  
        All you have to do is come  
            Knock on the door  
        Knock, knock, knock, you see  
        It is open wide, just for thee

But My daughter, you see, you have grown weary  
They do not walk with Me, because they are weary  
    They are tired, they have sat down on the path  
    They did not know that it was waiting for thee  
        This is My heart and this is My plea  
        That I give what is in My heart  
        Which the father gave Me to give to thee  
Do not grow weary, you have done well, you see  
    My father has marked the days that you plea  
    He has seen your ways, and He came to Me  
    These are the ones I have chosen My Son  
        Ones that will know Me and will walk  
        Ones that I can trust with the key

    But have you grown weary?  
    Do I test your heart to see?  
    That you will endure and never give up on Me  
    Can I give you something so precious, you see  
Something so grand, something so under a demand  
    By those who do not know Me  
    Here is the key, walk the path with Me  
        Walk the path with Me

## 1-15-17 FRUIT OF LONG-SUFFERING

Granted permission, you come before My throne  
Granted permission, where have you gone wrong?  
Granted permission, come close you see  
Granted permission, come

*(Our prayer)*

*My cry this day, this is what I pray  
My cry oh God is why we sit and lay  
We come humble you see, we come humble to be  
We come humble and pray, show us your way  
I come before you this very day  
Asking of You and asking you to grant us as we pray  
Forgive us of our sins, O God I pray  
I cry that You will give us what we need this day  
We honor You O God, we honor Your name, You see  
We came to you asking for permission  
For the kingdom of heaven to come to me  
O God of heaven, O God of earth, O God, O God of the new birth  
I plead the blood of Jesus, You see  
The blood that covers all inside of Thee  
Cover us with Your blood, O God I pray this day  
Cover us O God, I pray, I pray*

You ask of Me to pray and cry out, you see  
That the army that sits in the valley this day  
You have accused them in every way  
They have fallen asleep in that valley, you see  
They no longer ride or fight for Me  
So I come to pray and ask for forgiveness this day  
So repentance will flood in every way  
Repentance will come upon your children this day  
A sorrow, a sorrow, so deep you see  
A revival of repentance that will come to thee  
They will turn from their wicked ways this day  
And they will come back to you and say

*(Our prayer)*

*O God of heaven, O God of earth, O God, O God of the new birth*

*We repent this day, O we pray  
The kingdom of God is at hand and has a demand  
O God I pray this very day  
That your kingdom will open and you will hear us say  
We repent, we repent O God we pray  
O forgive us this very day  
Let it be hearts that are changed  
Let it be hearts that are tamed  
Let it be lips that will come and cleanse themselves this day  
Not just in this house, but in the nations in every way  
Draw them to your altars I pray  
Draw them very strong, O God  
Draw them by Your Spirit this day  
Bring Your children back to the altar to pray  
Repentance, repentance is what You are asking this day  
I pray, I pray  
I pray that revival of repentance will come  
I thank you that your hearts is righteous and just in every way  
Do not bring justice on your people that way  
O God, I pray, I pray, I pray  
Relent in your heart as we pray  
You gave me permission in this great company  
we came to say to Thee, O God have mercy, have mercy  
Have mercy, mercy I pray  
Have mercy upon this nation this day  
Bring sorrow into the land, you see  
Repentance that stands and comes to Me  
Repent, repent, repent I say  
Repent this very day, repent  
Repent, repent I pray  
Bring them back to the altar this day*

*They are not dead, you see  
They are laying down asleep  
I will awaken her this very day  
Do you not see why I have cried for thee to pray?  
Do you not see that I have long-suffered?  
Will you ask Me for long-suffering to be a part of thee?  
I give you longsuffering this day as you weep and pray  
I have tarried, tarried and watched many get married  
Not to Me, you see, but to lovers of the enemy*

I have long-suffered, who will long-suffer with Me?  
 Who, who will tarry, who, who, I ask this very day  
     Who will weep and wail and begin to pray  
 O do you not see I have long-suffered for thee  
     Do you not see? Do you not pray?  
         I have long-suffered for thee  
 O daughters of Zion weep, wail, wail you see  
     Tears of heaven are coming down on thee  
         I have long-suffered very long you see  
 I have held back judgment from people who reject Me  
     But My love you see, long-suffers for thee  
         My love is great  
 You do not see why long-suffering is good for Me  
     Do you not see that fruit of the tree?  
         That fruit goes deep, deep  
 It has roots that go down deep, deep to the sea  
     That fruit is good to Me  
         That fruit was developed for thee  
         If I did not have that fruit in Me  
 Death would come upon the earth, including the seas  
     But because that fruit is filled with love  
 That fruit goes deep, deep down and rises to Me above  
     Do you not see the value of that tree?  
         One that is very dear to Me  
         It is deep, deep, deep down in My heart  
 I have made you promises that I would not depart  
     Why have I come to you this day?  
     I wanted to show you My heart in every way  
         I suffered long, long you see  
         On the cross was all about thee  
 The blood that ran from the mountain, you see  
     It was a tree, a tree that bore Me  
     But that tree that you call the cross  
     That tree was long-suffering for all the lost  
     Do you not see what I did for thee?  
         O, you must understand Calvary  
         Calvary was filled with love that day  
         Calvary was covered in every way  
 To bring you the fruit of long-suffering you see  
     From then and now and the future  
         O you must see the tree is great

It was one that My Father planted that day  
He planted that tree long before Calvary  
That tree came with Adam and Eve  
One that thy could not eat or perceive  
That one day they would not understand  
They would not understand why I created man  
I long-suffered you see because I knew what was in thee  
I knew the heart that man could not see  
Why, why have I not returned?  
Why have I not come back, and why have I not burned?  
O do you not see My love is great in thee  
This tree is for thee, for those who can see  
Those who can see the love and the heart  
Those who can see that I will not depart  
Long-suffering is a valuable fruit  
It is one that gives you strength  
One that will take you through  
Hear Me this day, Zion as you weep and wail and pray  
Value this fruit in a very special way  
I will return as I have said  
I will return, a promise I made  
I will return, I will return, I will return

## 1-19-17 SILENCED BY THE JUDGE

Is not the days like the times of Noah?  
Is not the days like the times, I say?  
Is not the day like the times of Noah this day?  
Is not the day like the times of Noah?  
Is it not, in any way?  
Do you not see My judgement must be?  
Do you not see the great company?  
Do you not see, do you not see?  
It is the times of Noah  
A time, a time where everyone ignores  
They ignore Me this day, you see  
They ignore who I am in Me  
They have ignored Me, they have rejected Me  
This is the times of Noah, you see  
This is the times where all will be  
Will they not cry out to Me?  
Famine I shall bring, you see  
Famine, pestilence, the sword will be  
They shall come down on thee  
Is it not the times of Noah?  
Do you not see the seasons and the times?  
Do you not see, do you not see, do you not see?  
Do you not see? Open their eyes and let them see  
Let them know that I have come down upon thee  
Do you not see, do you not see?

Rise up this day, rise up My army in every way  
There is a season and a time that it must be  
That you must face your enemy  
Your enemy shall come like a rushing wind  
Your enemy shall come and spin and spin  
You will not know the time and the season, you see  
I have called you to watch, to watch for Me  
I shall come quickly, quickly this day  
I shall come quickly, quickly I say  
Quickly, quickly I shall come this day  
Quickly, quickly I will come and say

Is this not the times of Noah?  
 One that comes, one that ignores  
 Is it not, is it not, you see, is it not?  
 Do you not see, they have turned away from Me?  
 You call it doomsday, that is what you say  
 I call it My way, My way, My way  
 My way to bring them back this day  
 Draw them in, away from their sin  
 Cause them to come down, bow and see  
 That I am all God and Almighty  
 I shall stand with a great demand  
 And I shall call them all to a place, you see  
 I am calling you to seek My face in Me  
 Cry out My daughters, cry out this day  
 Cry out My daughters and begin to say  
 O stand, stand, stand grand, you see  
 Weep and wail and call to Me  
 Call upon Me this very day  
 I have come to stand with a sword with a great demand

*(Our Prayer)*

*O My God, help us this day. O have mercy in every way, cause the sorrow to come upon thee. Cause them to know You are the One and they must flee. O God of Heaven, O God of Earth, O God, O God, O God of the new birth, we cry out to You this very day. O God please, do not bring that which you say. O God I pray, I pray repentance this very day. I pray O God that You will say that Your remnant did come and they did pray. So today I pray this very way that those who have been chosen will stand up and say mercy, mercy, mercy My God, mercy, mercy, mercy. We need You in this hour you see. The waves are roaring, roaring deep in Thee. O God, please I pray this day, have mercy, have mercy in every way. O God I pray for repentance all throughout the earth. I pray, I pray they will fall on their knees and begin to see the new birth. O God we come to Thee this very day, have mercy upon your people here I pray. Mercy, mercy, mercy I pray, I pray mercy, mercy, mercy, mercy, mercy, mercy I pray.*

What argument do you have for thee?  
 What could you say in your plea?  
 What argument is there this day?

That will spare these people that seem to always stray  
What argument do you have, I say?  
What argument is there this very day?  
How can you stand before Me and plea?  
Do you not see the wickedness in thee?  
Tell Me now, now this day  
Tell Me what you want to say

-SILENCE-

*(Our Prayer)*

*I come with silence Father. I stand before these witnesses in this room. I come with silence because of Your demand. I come to repent, I am only a man. I come before Your Throne Room, and I come to say, "We repent this very day". With fear and trembling I come to You. How can I speak to One so grand as You? Forgive us O God this very day. Wash us, cleanse us in every way. I cannot come arrogantly, you see. My words are silent inside of me. But I come with my brothers and sisters you see, I come so we can make a plea. I come O God with no words to say. I come just to ask for forgiveness in every way. We have sinned only against Thee, that is my plea. Forgive us O God, I pray this day. We come to repent in every way.*

I will not relent.  
I have called all to repent.  
I will not relent.

*(Our Prayer)*

*Then where do we go Lord, and what do we do? You are mighty God. What do we do? Where do we go? Where do we go? You are a just judge, You are a righteous judge, You are a true judge. So where do we go? Where do we go? Without You, there is nowhere to go. Without You there is nowhere, nowhere, nowhere my Lord. Who can hide from You? No one. No one. No one. There is no argument. So I plead guilty to become innocent in Your eyes. That you will forget, for you are a just judge, a righteous judge. You are, You are. And these are Your witnesses that will say that You are just, that You are righteous, no matter what You say. No matter what sentence you pass towards us, You are still righteous. That is what my brother Job had to come*

*to the conclusion, no matter what the argument, You are still  
God. You are still God. You are still God.*

**Read Revelation 16:12-16**

*Total silence, there were no words, no argument, there was no  
pleading. Overruled by the Judge, Himself. There is no relenting.  
Our question- where do we go and what do we do?*

**Revelation 16:15**

*"Behold, I am coming as a thief. Blessed is he who watches, and  
keeps his garments, lest he walk naked and they see his shame."*

# 1-20-17 SILENCE

In My mansion, you see, there are many rooms  
There are the courts, chambers  
There's the mountain, there's the garden  
Many places and many rooms  
Know that I have called you to sit with Me  
Now listen for the counsel, and hear  
Hear what is on their heart, they gather, you see  
Silence is standing among thee  
Silence is standing among thee  
Silence is words that are unspoken, you see  
Who can hear, who can argue with Thee?  
Silence brings a great demand upon man  
Silence gives them an opportunity to think  
To meditate on their plea  
Don't mistake silence for one of your own  
Don't mistake silence, it is very full grown  
Watch and see what the Father may be  
Come and gather so He may see  
That He may see your faithfulness this day  
That He will grant you mercy in every way  
Listen My children, listen clear  
Write, write, write and hear  
Listen closely to what they have to say  
They will give you instructions in this very day  
They will show you the way  
You must hear, I will make it very clear

Hear, hear, hear, listen  
He is standing like the judge in your courts  
You must be quiet when He walks in  
Silence all flesh before the Lord  
He is standing

**Zechariah 2:11-13**

**Zechariah 3:7-10**

## 1-22-17 MOUNTAIN OF THE LORD

Come, come, come, come and fly away with Me  
Let Me take you places you have never seen  
Let Me take you on the high winds  
Let Me show you things that have never come to your eyes  
Come, come, come, come with Me  
Come with Me, come and see

The winds shall blow, it shall grow  
The wind shall move, it shall groove  
It shall take you places you have never seen before  
A wind that is strong to cause you to go deep, deep, deep  
And I will open up the door, come with Me

Can you see there are seven mountains that surround thee?

Which one can you see?  
Can you see the mountain that protects thee?  
Can you see the mountain that stands very high?  
Very high, high in the sky  
Do you know, there is one mountain to show  
It stands strong, big, it does not hang low  
It glows and it glows, and it grows and grows  
It is the mountain of the Lord, you see  
It is the mountain that is high above thee  
It is higher than any mountain, you see  
It is holier than any mountain can be  
It is the mountain of God, you see

And this is the one I have chosen for thee  
This one right here, you see  
I have given to thee to come up with Me  
And you say, I must climb  
And I say, you will fly  
You will go up high if you come and abide with Me  
And stay and see what I want to show thee  
I will transcend you into a place you have never seen before  
I will let your dreams go places that you never saw  
I will give you things and open up your eyes  
I will allow you to see, I will not disguise

That which is in My heart I will show to thee  
A mountain, a mountain that will set you free

Many men do not believe they can come up this mountain  
But I say to you, My children, this day  
I say to you, you can come up this way  
I will give it to thee, if you will abide in Me  
Don't walk away, remain and stay  
Abide in Me and you will see  
That I will transcend you to a place you have never been  
That you may see My face

The highest mountain, bold and strong  
And very, very grand and grown  
This is the mountain that I have chosen for thee  
One that will look at all the other six, you see  
Seven mountains surround thee  
But I have chosen you with one to be  
Look and see, can you see?  
Can you see the mountain that I've given to thee?

Oh, it is not too hard you see, to climb  
Because you will not climb  
I will take you there  
I will show you everything and I will take you everywhere  
If you will come and be with Me  
Abide and come close you see  
Remain and let Me wash her garments from the stain  
That you may be close to Me  
Holy, holy, holy, you see  
Holy and acceptable, sanctified by Me  
I have chosen thee for such a great mountain, you see

Come, come, come with Me  
Fly, fly, fly very high  
And I will take thee with Me  
Grab My hand, and you will see  
I will guide you, close to Me  
Come, come, come, come now  
Come, come, come, all who are ready to see  
Ready to see what I have for thee

A mountain so high, high in the sky  
It is called the mountain of God, one that abides  
Who among you will move in such a command?  
Who among you will come and stand?  
Who among you will be close to Me?  
Who among you is ready to flee?

Come, come, move away, you see  
Away from the world and the darkness that surrounds thee  
Let Me surround you with the mountains you see  
Like a gate that stands tall in front of Me  
A wall that is bold and strong, you see  
One that is alive, alive in thee  
And a mountain that is high, high as the sky  
That's what I have chosen for thee  
You want to know how to grow?

Come up the mountain and I will show  
I will show you things to come, you see  
I will allow you to hear My heart, so you can be

Ah, who will fly with Me?  
Who will abide in Me?  
Who will cry with Me?  
Who will sigh with Me?  
Oh, how I look throughout the earth, I look to see  
I want them to know Me, so closely  
Close, close, closer than most  
Close, close, I have chosen for thee  
Come and abide

High in the sky, I look to see who will come to Me  
Come, come do not fear  
You will hear, and you will hear and hear and hear so clear  
Come you will see and see and see, you will know it is Me

Come, walk with Me, walk with Me, talk with Me  
Do you see the mountain that I see?  
Is it too strong for thee?  
It speaks very loud, you see  
It shakes among the crowd, you see  
Not very many will remain

They have fear of much pain

But you, My son, My daughter  
You will hear the sounds of the water clear, clear  
Sounds of heaven will come so close and near  
The sounds will sound like beauty in the air  
The sound, the sound will be everywhere  
Everywhere you will hear the sound, you see  
You'll hear the sound, but you will not hesitate to come to Me  
Because you will know that it is Me, you see  
My love and gentleness will draw you to Me

Do not fear, come near, do not fear  
Come near, come near, come near  
Come close and be near

Ohhh, how sweet it is in this place  
How tender your hearts are towards Me, this day  
How I long to take you away  
You are so sweet to Me  
Like a fragrance that comes from the sea  
That is filled with beauty and fresh air  
Oh how this room fills with the fragrance of your love  
Oh how I love to be with thee  
Come, come, come with Me  
Come, come, come with Me  
Do not delay

Do you see the mountain that I see?  
Do you see what I see?  
The mountain that I have chosen for thee  
Don't lose the course of the path  
I will take you and I will show you  
Come, come with Me

There is a song that is called the beautiful one  
And the song is on the mountain, you see  
And the song that is called the beautiful one  
I want you to hear the sounds

The rest is in the song

The song is in the rest  
It is the beautiful one  
Enter into My perfect rest  
A song without sound  
But how beautiful  
It is all around  
Enter into My rest  
Come, enter into My rest

Come, how beautiful is the song  
How beautiful is the song  
Enter into My rest  
It is called beautiful one  
I will sing it over you, wherever you are  
I will cause you to rest so deeply in Me  
Come up to the mountain, come and see  
It is a rest that goes deep inside of Me  
Oh beautiful one, come and see  
One that is more beautiful, one that is in Me  
Enter into My rest

Come and see, come, come, come, come, come walk with Me

Walk with me in the garden, you see

And I will show you many things you have never seen before

I will allow you to sit at My threshing floor

Oh, in this great Sanctuary, you see

There is lovingkindness that is better than life, you see

Because life itself is inside of Me

You must see what I have given thee

Oh, where is the joy?

Where is the freedom in your heart right now?

Don't look at the Judgment that is not where I am

I do not frown, don't look at the judgment

I have mercy, you see  
I have love, I have love, I have kindness in Me  
I want you to see the love that I have for thee  
My Mercy goes deeper than you could ever see  
My lovingkindness is My mercy  
And My love is here you see  
Do you not see that I have given you all three  
Oh, you must see what I've given to thee  
I have given all three

**Psalms 138:1- 2**  
**Deuteronomy 6:5-9**

## 1-22-17 LET THE CHILDREN COME

Let the children come before My throne  
Let them know and let them grow  
Let them know My Mercy  
If you teach them My mercy  
They will always stand before Me  
Teach them how to pray, teach them  
Teach them how to praise  
Let them know that lovingkindness is here in every way  
Let them see the fruit in the sanctuary  
Let them long to come in  
Let them know they have no worry  
Let them know that I am here, let them know that I am dear

Bring the children near to Me, let them sit at My feet and see  
Bring them bring them everywhere  
Bring them, bring them, let them know I care  
Let them know that they are Mine, you see  
Let them worship and know Me

# 1-26-17 MADE ONE WITH THE THREE

There is a river, a river that will seal  
A river that will seal your hearts, you see  
A river that will seal you and bring you close to Me

One, two, three  
One, two, three  
One, two, three

How can you separate the three from Me  
There is no separation, you see  
I do not divide, I come to seal, to make you one  
To make you one  
To bring you into a place with Me  
Sealed by My love and My Holy Spirit, you see  
I will make you one by the healing of your heart  
I will make you one where you will never depart  
I will make you one, one with Me  
I will make you one, one you can see

Why are you weary?  
I come to make you one, one in Me  
Why do you struggle?  
Do you not see, I make you one  
I make you one in Me

Why do you doubt? Do you not see?  
I am the one, you can truly stand with Me  
I am the one you see, I am one  
We all are three, but one, one, one, one in thee

Do not let your heart be divided  
Do not let My words be sided  
Come and sit and dine with Me  
And see if I don't let you see all three  
We are here, all together  
We are here, no matter, no weather  
We are here, just for thee  
We are three, you see, one, two, three  
Come to Me

Don't divide Me, divide Me this day  
Don't divide Me in any way  
Let Me enter your very heart  
Let Me enter, do not depart  
I come to pour My oil on thee  
I come to set you truly free

I come, I come, My daughters this day to say  
Do not divide Me in any way  
I come to make you one with Me  
One that you can see  
One that is complete, the three  
Not separate at all, not separate in thee  
One, complete, wholeness  
Come and see what is inside of Me  
And you will see all three

My Father is here and He is very clear  
The Spirit is bold, powerful, and near  
And here am I, the Son of One  
Joined with My Father and His Spirit we come  
We are complete, you see  
And We are complete inside of thee  
If you can see all three

Come, come, come this day My children  
Come, come and see My way, My children  
Come, come, come this day My children  
And see My way, My children  
Come, come, come, come, come  
Come to Me and you will see your destiny  
Come to Me

# 1-27-17 CALL MY CHILDREN TO ME

Release, I say, release  
Release, I say, release  
Release, I say, release  
Release, I say, release

Release, release My children, My children this day  
Release My children and come and say  
Release My Children, release them this day  
Release My children, there is a cry that comes this way

I am releasing My children this day  
Those who have been in captivity  
And burdened in every way  
I am going to release them to come back home, you see  
I am going to release them  
To come back to the throne room to see Me

I shall cleanse them, wash them, you see  
Wash them with the oil  
And wash them with that which is lovely  
I shall do that this day, you see  
I shall release My children back unto Me

Call them home, call them home  
Call them back into the Father's arms  
Call them this day when you begin to pray  
Call them home in the purest way  
Call them with gentleness, gentleness you see  
Call them with goodness and lovingkindness that is in Me  
Call them, call them, call them here  
Call them, call them, call them near  
Bring them to the throne room this day  
And I will wash and cleanse them in every way

There is a cry to be released  
And I have heard the cry  
I shall bring peace  
I shall bring peace upon those who come home

Those who will see the throne  
I will make peace, you see

Before I bring judgment on thee  
I shall call them into a place  
And give them mercy and give them grace  
I shall call them, you see  
But I am calling on you to cry out to Me

Your purest worship, your purest prayer  
It comes to Me  
No one dares to touch what I have called upon thee  
When I call from heaven, earth must flee  
Call on Me, release My children, you see  
The purest worship and prayers to Me  
Change the atmosphere, it changes thee

You are changing everything around thee  
You don't see what I see  
You don't see what I see  
Give it back to Me

The atmosphere, you see, must change  
Then the land will give over to Me and bear fruit  
And then those who have been in captivity  
Will come home, you see  
That is what I have chosen for thee  
That is what I have chosen

Now My daughters, cry out to Me  
Call My children back unto thee  
Call them, call them, call them now  
Call them, call them  
Call them one by one now

I am opening up a door, you see  
A door that will give great opportunity  
Now is the time, now is the place  
Now is the time for them to seek My face  
Call for them to be released  
Every dark corner and every place, you see

They have thrown a fleece unto darkness  
But I will drag them out, back unto Me  
And I shall cleanse them, cleanse them clean, you see  
They will know My love and they will know Me

Call them here and call them there  
Call them, call them everywhere  
Call them, call them, call them now  
Call them, call them, here and now  
You must release them, this day I say

# 1-29-17 GENTLENESS AND MEEKNESS

Do you hear that sound? The sound is all around  
The breezes from the sea  
Have come to wash upon your shores  
A gentle, gentle wind, one very gentle, you see  
Oh, how it has come to rest upon thee  
Do you hear that sound? It is all around

Do you see there are two that dance before Me?  
Do you not see the dance?  
Oh they dance, they prance, they are everywhere  
They have come to dance, they have come to share  
Do you not see?  
Oh how beautiful they are  
Beautiful to Me, do you not see?

Hear the sound, it is all around  
The breeze of the wind washes over us  
Because these two, you see  
Are wrapped around My heart  
These two never depart  
These two are in Me  
It is not a tree that you can see  
Because the tree lives inside of Me  
Very precious, precious, you see  
Twins, two, to wash away their sins to thee

Oh, do you not see?  
They dance together in harmony  
They move with the wind, you see  
But they move inside of Me  
Who can see, who can see the two who are in Me  
Who will ever know?  
How much do I show these two twins to thee?  
I show them to thee  
Daily, you see, I show them  
I show them every day among thee

Oh, do you not see?

Do you not hear the sound?  
It is all around  
Can you not hear the sound of the breeze  
That comes from the great seas

Oh, the breeze that is gentle, you see  
The two that are wrapped in Me  
It is gentleness and meekness, you see  
They are two of a kind, you cannot separate thee  
They are twins, you see

And they are on a tree inside of Me  
Most cannot see the gentleness of Me  
They do not know the gentleness  
That grows deep inside of Me

They do not know, you see, they do not see  
The meekness of My heart, you see  
They see Me as a judge that is strong, you see  
They see the side of Me of anger and wrath, you see  
But not very many, know the truth inside of Me

Oh how sweet, how sweet the fruit is  
The fruit is long, it is long, you see  
It is not a round fruit that you see  
It is one that is very long inside of Me

Its roots go deep, deep, deep inside of Me  
Gentleness and meekness are wrapped around My heart  
It is interwoven, you see  
It cannot be torn apart  
They are woven together, entwined like fresh wine  
They are all inside of Me

Meekness and gentleness, you see  
Are the limbs on the fruit tree  
Do you see, do you see?  
Do you not see that which is inside of Me  
Oh but the both, you see  
They dance and they dance and they dance  
They dance with a rhythm

That is beyond what most men can see  
Because the rhythm is like My heartbeat, you see  
    It never stops going in Me  
They dance to the rhythm of My heart, you see  
    Because they are in the wine inside of Me  
    Dance, rejoice, rejoice, I say  
    Rejoice in this glorious day  
    I give you My heart, you see  
All wrapped up with gentleness and meekness inside of Me

Do you not see it is coming, you see  
Like the awakening of a morning's dawn, you see  
Do you not see, its gentleness is a fresh breeze?

Yes, yes, yes, yes My daughter, you see  
Yes, yes, yes, meekness and gentleness produce peace  
    It brings Me to a place of rest, you see  
    It calms Me, the dance that you do  
    The dance that you have done  
    The dance, the dance is all full of fun

Dance, dance for Me to the rhythm of My heart  
Do you hear the sound of My heartbeat?  
Can you flow with the rhythm of the sound?  
    Dance to My heartbeat  
    Come close to Me

The room is not on the outside, you see  
It is not one you can get in from a door, you see  
    The pureness you have comes inside of Me  
    Meekness and gentleness are very close  
    If you choose this day, Me  
I'll open the door for you to come inside of Me  
Come inside Me and you will see the great tree

Ah, this tree was in the garden, you see  
    This tree was entwined with two  
And all the other trees looked and said, why are we one?  
    Why are they entwined with the two?  
    Why have you chosen them to go inside?  
    Are we not pleasing to thee?

Why have you chosen the twins?  
They danced and they danced in the garden, you see  
They danced, they danced, they danced everywhere  
They danced, danced here and there  
They never stopped dancing, you see  
Because they hear My heartbeat

Gentleness, close to you? Meekness, close to you?  
Why not Me, why not Me?  
Why have You chosen the twins?  
They hear the sound of the breeze, gently blowing  
It is blowing, come, come inside Me

Do you dare ask that question this day  
Why not me?  
Have I not shown mercy and grace on thee?  
Have I not given you My love, you see?  
Now come and see gentleness and meekness inside of Me  
And you will see what I see  
And you will be who I am  
I am Shalom, I am one who hears

Do you not see?  
Come My little children, come  
Come now, come now come, come  
Gather all of you, come gather  
Now we will begin to see  
How glorious it is what the father has given to thee  
He fills the atmosphere you see with the glory of Himself  
He is inside thee, He comes to dwell, He comes to swell  
He comes so you can be able to shout and yell

All inside of Me is thee, come and see  
Meekness and gentleness are inside of Me  
Dance to the rhythm of My heart this day  
Dance to the rhythm in every way  
Dance, I say dance  
He is here, you see  
He is sitting with His heart open  
Vulnerable before thee  
He does not give this out so freely

He goes and He chooses who will be this tree  
And I have chosen thee this day  
To come inside of Me in every way  
Come and see the gentleness and meekness inside of Me

Do you choose this place, so you can seek My face?  
I have given you rights to My heart, you see  
That is very, very, very, very close to Me  
Meekness and gentleness are here this day  
Come, come, come and see in every way

These two fruits that I have given you this day  
Will bring you closer to Me in every way  
It will bring you into a place so near to My heart  
Like the beloved who sat upon the bosom of Jesus that day  
One that is written and all who say

Who is this beloved?  
This beloved one who can come so close  
He has meekness and gentleness more than all the most  
That is who gets the opportunity, you see  
To come that close inside of Me  
One that will come and lay their head on Me  
And I allowed them to hear My heartbeat  
Breathe inside of Me  
That is what I have chosen for thee

Let them know gentleness is not weak  
Gentleness and meekness are the boldest, you see  
They are the one that brings a bond inside Me  
Gentleness is one that speaks loud, you see  
But you will not hear her, she is quiet inside of Me

So I beseech you My sons and daughters this day  
To walk worthy of the calling that I sent your way  
With lowliness and gentleness, with long-suffering, you see  
Bearing with one another in love, endeavoring to keep unity  
The spirit of peace is upon thee, you see  
Because it is a bond, a bond inside of Me

A spirit of gentleness in every way

And this is what I have given you this very day  
One that you will understand  
What I have done with a great command  
This is My heart, you see  
One that you will recognize that I have given to thee

Do you not see?  
I am making you great with My gentleness and meekness  
Because you come close to My heart, you see  
Now greatness shall follow thee  
You shall be great in the earth  
And you shall be great in the heavens  
You shall be great, you see  
Because you have chosen the lowliness of Me  
Come close to My heart, it is a rhythm in Me  
You will do your part, you will dance before Me

In your heart I have not departed  
Because you surround Me and you are inside of Me  
Dance with Me, dance with Me  
Dance to the rhythm  
Do you hear the sound of My heartbeat?  
Do you hear the sound of My heartbeat?  
Are you that close to Me to hear My heartbeat?  
To know every part of the vessel in Me?  
Every artery that comes through My veins, you see  
Is the blood that I have given to thee  
Do you hear My heartbeat?  
Come to Me, come to Me.

You today, I declare  
Are one like the beloved that was close to My heart  
Close, you see, not apart  
Close, you are close  
You are close, you are close to Me  
And I will make you great, you see, before your enemy  
Because you are inside of Me  
You love Me and I love thee

He is here, the King comes to celebrate with you  
Not from afar, but very close

He knows who you are, not from afar  
He comes close, very close, He comes close

Gentleness and meekness are inside of thee  
Gentleness and meekness are now dancing with thee  
Dance before Me My children and see  
The rhythm of My heart is beating upon thee

Oh My children, yes I'm here  
Oh My children, come close and near  
Come now, come now, and pray

## 1-29-17 FREEDOM IS LOVELY

So lovely, so lovely, so lovely, so beautiful  
So magnificent, so awesome, so wonderful  
    So good, so lovely  
Like the birds that fly in the sky, so do I  
Free as a bird, you see, free, free, free  
    I long to be with thee  
    So lovely, so, so lovely  
    I long to be with thee  
Freedom to be with Me is so near and so dear  
    It is so clear, you have freedom  
    You have a way in to come inside of Me  
    Look within Me and you will see  
Come deeper in Me so that you can see what is inside of Me  
    So lovely, so, so, so, so lovely  
Like fresh air, breathe in, it is everywhere  
Freedom, freedom, it is beautiful, you see  
    Freedom is lovely in Me  
    Freedom is everywhere

Not everyone shares such freedom from within  
Many will not pull away from their sin, to lay here with Me  
So freedom can flow here and there and everywhere  
    Freedom to love, freedom from above  
    Freedom I give to thee  
    Freedom, I will set you free, freedom  
Let it go in Me, lay down, give it to Me  
    Every care, give it to Me  
    Give it to Me, give it to Me  
    Freedom is lovely, you see  
    Freedom, freedom is all with in Me  
    I give it to thee  
    Come inside and see the freedom  
Breathe, breathe, breathe this freedom  
Breathe this freedom, breathe, breathe  
Breathe, breathe everywhere, breathe  
    It is here, very near, everywhere  
    How fresh, you see  
    Lovely, lovely, lovely in Me

Oh, I do care, I do care  
Come, come, come, I care  
I come to give you this sweet, sweet freedom  
It is everywhere  
Breathe in, smell, it will make you well  
I give to thee a freedom  
Oh rest in Me, rest in Me My little children  
You have freedom, I have taken off the chains  
I have broken the yoke  
Now come, come, come, come

Ah, it is not easy, you see  
But I will give you the freedom of Me  
If you come and see, it is inside of Me  
It is here, it is there, it is everywhere  
It is like fresh air  
I just give it out, you see  
I pour it on everyone who is willing to breathe of Me  
Breathe, freedom is lovely, it is lovely  
It is lovely, you see, it is lovely

Oh, you are resting in Me  
That is so beautiful to Me  
To see that you can lie here  
And trust in everything that I've given you  
From the hustle and bustle you can trust Me  
Freedom is here  
Oh, just lie and be  
Watch and see what I will give to thee  
Freedom, freedom, freedom is here  
I will make it clear  
Freedom, freedom, freedom, freedom

Cast your cares upon Me  
Do I not care for you?  
Will I not exalt you?  
Lay them right there, release them  
Breathe the fresh air of freedom  
How lovely, how lovely, how lovely

## 2-3-17 FIRE OF GOD'S WRATH

My heart burns with fire  
My heart burns with fire  
The wrath of My heart grows strong, you see  
The wrath of My heart burns deep in Me  
The wrath, I say, it comes down in a strong way  
The wrath, I say, it comes down upon you this day  
The nations of the south have angered Me  
The nations of the south have come before Me  
A stench I say, a stench before My throne  
A stench I say, one that is very strong  
My wrath is inside of Me  
Burning like a burning bush, you see  
Filled with fire deep inside of Me  
Arise My daughters, arise this day  
Bring comfort to My heart in every way  
It burns deep, you see, deep, deep, deep  
Evil has risen up, up, up to Me  
Evil has risen up, up, up to Me  
Evil has risen up, up, up to Me

Burning, burning, burning I say  
Fire that comes out in a very strong way  
Do you not see who I am this day?  
How dare you, how dare you come up against Me this way

No My daughter, no, not this day  
Don't ask Me for mercy, you cannot sway  
The evil is strong you see  
The evil has come against Me  
Not this day daughter, don't ask Me for mercy  
Don't this day, not this day daughter  
Not this day, not this day

*(Our Prayer)*

*What way, what way can we comfort You this day. What is it that we can say? In the midst of Your wrath, what can we do? How can we come and ask for mercy if You say no mercy and no plea? Then what do we do as Your daughters this day? How do*

*we comfort your heart in any way? What is it that we can say?  
What can we say to Thee if we cannot make a plea?*

Let the wind of My sweet Spirit blow upon thee  
Let the wind blow, let the wind blow  
The soothing wind, let it blow to put out the fire

I have already kindled the fire, you see  
I will only bring mercy if they come to Me  
That they would be broke, you see, and repent before Me  
I'll bring mercy, but hear Me My daughters, hear Me this day  
You have calmed My heart, now I will stay  
The fire is already kindled, kindled this day  
You stand, the plague has just begun  
But I have heard your voice and now I say  
Pray that they will come repent to Me this day  
The nations of the south, pray that they come this day  
Each leader, pray, the plague has begun because of their sin

## 2-5-17 USHER IN MY GLORY

*(Prophetic Song)*

*Usher in My glory, usher in My glory  
Bring My glory into the earth  
Bring My glory into the earth  
Usher in My glory  
Usher it in like a great, great wind  
Like a roaring sea, usher in My glory to Me  
Bring My glory to this throne  
Usher in My glory, usher in My glory  
Bring it in My children, bring it in  
Let My glory come to this Earth  
Let My glory be birthed  
Let My glory come, I say  
Usher in My glory, usher in My glory  
Bring it in, bring it in, bring it in  
Bring it in, bring it in, bring it in  
Bring it in, bring it in, bring it in  
Bring it in, bring it in, bring it in  
Usher in My glory, usher in My glory  
Bring My glory in, bring it in, bring it in  
My glory, My glory, My glory, glory, glory  
Glory, glory, glory, glory, glory, glory  
Usher in My glory*

Bring My glory here, bring My glory near  
I give you My glory, I give you My glory  
My glory shall fill this Earth  
But I give you My glory  
I give it to thee this day  
This is not an easy saying  
My glory is special to Me  
My glory is greater than the greatest seas  
I give you My glory, now bring My glory in  
And I will wash their sins

The great lights are upon you this day  
Seven lights will come and stay  
Seven lights of heaven are here  
Seven lights of heaven I give, seven lights, I say  
The glory of the Lord has come down this day

I give you My glory, it shall fill the earth  
My glory shall bring new birth  
Arise and shine your lights have come  
Not one, you see, seven lights have come to thee  
It is seven that are at this altar, you see  
I will dress you in white, each one of thee  
I put new garments on you this day  
Garments, garments that you will sit and pray  
Sit at My seats, you are My loved ones  
My beloved, you see, I chose you to be with Me  
I shall clothe you with white, whiter than snow  
I give it to thee, don't say you are not worthy  
You are worthy

I give it to thee  
I shall pour upon thee My glory  
I will give you wisdom beyond your years  
I will give you knowledge that will fill your eyes with tears  
I will show you things you have never seen before  
I will take you to My threshing floor  
You will lay before Me day and night  
You will not fight what I have brought in your sight  
I will show you many things, you see  
I will open up heaven just for thee  
I shall give you knowledge beyond your years  
I should give you wisdom that you do not even know  
And some will never hear  
I tell you this day, if you lay before Me in every way  
If you stay holy before Me  
You will see the greatness of My glory  
I shall bring upon this earth, you see  
Nothing will fight against Me  
The glory comes from the depths of the seas  
It comes up and it covers thee  
My glory, My knowledge is all of Me

Wisdom is here in every way  
You bring her in, and you let her show you your sin  
Wisdom is walking here and there  
Wisdom is walking everywhere  
She is here, embrace her this day  
I will show you everything this day

She is here, she is here  
She recognizes you this day  
Because I have put a golden crown  
On your head in every way  
I have given it unto thee, you see  
Do you not see I honor thee?  
Now honor Me with your words, you see  
And I will show you My glory

I will show it to thee this day in such a great array  
All heaven will know that I have chosen thee  
Because you have come to sit with Me  
Do you not see?  
Do you not see that I have given you favor this day?  
Do you not see I have moved heaven in every way?  
I will give you knowledge beyond the seas  
I will give it all, if you sit with Me  
I shall do this, not you, you see  
It is going to be all of My glory

You have ushered in My glory, you see  
Not one that will kill thee  
But one that will raise one up high  
One that all heaven will see in the sky  
Do you not see what I have done for thee?  
Do not approach Me in any other way, you see  
Honor Me in this house, you see  
Honor Me with My glory  
Let the fear of the Lord come this day  
Let you tremble in every way  
I shall walk among thee, you see  
And I shall show you My glory

Do not touch what is unclean this day  
Do not let your eyes see the world in any way  
I have brought you, My little ones, to come and see Me  
Come, come, see Me face to face  
I want you to know YADA in a special way  
I come to YADA you this day  
What have I given you?  
My glory and knowledge in every way

Wisdom walks here and there  
Wisdom will make you aware of your sins, you see  
She will show you what is unclean to Me  
Wisdom will show you things beyond your years  
Wisdom comes to open your ears  
Hear Me My children, I speak to you this day  
I do not give My glory in any kind of way  
It is precious, precious, precious to Me  
You must understand I have chosen thee  
You are the seven lights that will stand this day  
I will make you bright as I cover you with a great array  
I shall put a new dress on you this day  
White, white, white, white  
Do not take flight from Me this day  
This dress will cover you, it will shine bright  
When men come against thee  
You will know that I have covered thee, they will flee

White, white, shiny white, I give to you, very bright  
Stand before Me and you will see  
You will see My glory  
Do not touch the unclean thing  
Do not touch the unclean thing  
I have washed you with the purest white  
You could not get here on earth in your sight  
It is shiny, it is bright in My sight

I bring you My glory and you will know knowledge  
I shall give you knowledge  
And you shall not use it for yourselves  
You use it for yours, it will impair you in the Kingdom  
Do not take My riches and squander them on the earth

I shall give you riches because of the new birth  
I will bring new birth, a harvest, you see  
I will make you rich, so you will follow Me  
Hear Me, hear Me, I speak this very loudly  
I come because I have chosen you  
To walk with Me very proudly  
Do not look to others, you see  
Never let envy rise up in thee  
Give Me a heart that is pure, you see  
And you shall know My glory

**Malachi 2:7**

*The lips of the priest should keep knowledge, and people should seek the law from his mouth; for he is the Messenger of the Lord of hosts.*

For you are My messengers, you see  
You are the messengers of the Lord of hosts  
That will cover thee  
You Malachi, you will know Me, you will see  
You are a priesthood, I have washed thee  
You will have a covenant love that goes deep, you see  
My covenant love will never break, it is eternity  
It will never break away from thee  
My covenant love, you will see  
You are the priests that I have chosen this day  
You are the ones that sit and pray  
Know, I come to give you My glory

**Jeremiah 9:23-24**

*Thus says the Lord, "Let not the wise man glory in his wisdom, let not the mighty man glory in his might, nor let the rich man glory in his riches. But let him who glories glory in this, that he understands and knows Me, that I am the Lord, exercising lovingkindness, judgment, and righteousness in the earth. For in these I delight."*

Those who will know Me, know Me, you see  
This is what I have called you to, glory in Me  
Glory in Me, by knowing Me  
I delight, I delight in thee

Walk with Me in wisdom, you see  
Knowledge, I will make you skilled  
I will show you everything  
How to till, how to pray  
How to lay, what to speak, how to stay  
That is what I give you this day  
I give you My glory in every way

But you cannot stand in My glory, you see  
If you do not understand the knowledge in Me  
You must know Me, know Me, know Me  
Come close, you see  
Come, come, come close to Me  
I give you the lights of the sea

But truly as I live, all the earth shall be filled  
Filled with the glory of the Lord  
All the earth, do you see  
Shall shine with light filled with Me  
That is a promise, a promise, you see  
A promise that will never go away from Me  
As long as I live, all the earth  
All the earth shall be filled with My glory, you see  
Now honor Me, honor Me with your lips, My priests  
Honor Me with knowledge  
Do not cease, do not cease to speak of Me  
To worship, to cry praise out to Me  
Will you not see what I see?  
I shall show it to thee  
Because I have given you My glory  
My glory, you see, I have given to thee  
All to thee, all to thee

***Psalms 72:18-19***

*Blessed be the Lord God, the God of Israel, who only does  
wondrous things! And blessed be His glorious name forever! And  
let the whole earth be filled with His glory. Amen and amen.*

## 2-5-17 THE POWER OF HEAVEN

The power of the heavens stand strong  
The powers of the heavens are standing  
Strong and tall and bold  
The powers of the heavens are like the trees  
That go deep, deep, deep, deep down into the sea  
And then it stands grand, grand, grand, grand  
And they make a great command

The power of heaven  
Who can ever know such power, you see?  
Who can ever know the power that is in deep inside of thee?

The power of heaven  
The power of heaven, I come to explain  
The power of heaven has no shame  
Does the earth not see the power of heaven  
That rules over thee?  
Who can see such a great command?  
That would demand all earth to bow to thee  
It is the powers of heaven, you see  
It is the glory that stands before thee  
All creation shall bow down to thee  
The glory of heaven is strong, you see  
Where and who dares to stand against thee?

The powers of heaven, strong and bold  
Stories that are unknown and untold  
Many have not even heard the powers of heaven  
I give to thee this very day  
I reveal to you, and must I say  
That the powers of heaven stand before thee  
Can you not see the powers of heaven are grand in Me?  
The thrones, who can sit in the throne room of God?  
Who can stand and who can be brought?  
Who I say this very day  
Who has the rights to sit among My Father's way?  
Who I say, who?

I come to speak within the earth  
I come to speak, I come to tell  
I come to tell about the rivers and the wells  
That are all about thee  
Not in this earthly realm, you see  
It is spiritual, it is for Me  
It is one that stands great at My command  
Who, who I say, who?  
Who knows such power, this day?

Can anyone make a plea?  
Can anyone come and stand in this seat and say  
What I have given to you today  
Powers of heaven  
Oh, if they only knew  
If they only knew the power that I put before you  
What do you say, that is so grand this day?  
What do you say to Me, as I say to thee?  
The powers of heaven  
Do you even know what I am sharing with you this day?  
Do you not see this is what I have given to thee?  
One, as My children, as an inheritance, you see  
I have given you the heavens to look up on this day  
So that you would know Me in a special way

Who, who would dare?  
Who could even stare and see what I have given thee?  
Oh, does anyone care that I came to share  
All of what My Father has put before thee?  
He has given you all of this for eternity  
But who really cares what they receive in time  
Time to them is limited, you see  
But time has no limit within My Father  
Not even in Me  
There is no time, there is no time to tell  
There is no time that will come in this well  
There is no time, you see  
Can you not see that time is Me?

Who, who will ever know?  
And who would ever show, who?

The powers of heaven are before you  
Where can I share?  
Who will listen to Me?  
Who will understand My shout, My plea?  
Who will lay and hear Me this day?  
Who can I go to, to share the powers of heaven?  
Who will care, who I say?

Ah, I came to you this day, I came to share  
Would you dare to hear My heart, My plea?  
Can I share with you all that which is inside of Me?  
Ah, listen to Me  
I walk this Earth to and fro  
I walk and I talk, but no one hears  
No one comes to show  
One that will sit and hear My heart  
But I come this day to share a part  
A part of the Father's heart, you see  
One that is deep inside of Me  
His heart grows deep inside of Me, very bold, you see  
Who can stand in thee  
And allow the Father's heart to dwell in thee  
Who, I say, who this very day  
Where can I go, where can I be, where can I share?  
Where can I see a heart that will embrace Me?

The power of heaven, the power of heaven  
Bold, I say, did I not say boldly you can come before He?  
Grace is given to thee  
That you may see the powers of heaven come upon you  
Boldly I said, did I not say boldly this day?  
Did I not say that grace would be upon you?  
Did I not pray for such grace that you may see My face?

Grace I give you, grace I gave you, grace I give you  
Grace I give you, grace I gave you, grace I give you  
Grace I give you, grace I gave you, grace I give you  
Grace I give you, grace I gave you, grace I give you  
Grace I give you, I give it to you  
Grace, I put in your hands  
Grace, with a great demand

Grace I give you  
Would you not receive, do you not believe?  
Grace I give you, boldly

Why have I given you this grace?  
Boldly you shall come and seek My face  
Boldly, boldly, boldly  
Come to the throne room of grace, boldly  
Grace I give you

Ah, freedom is here for Me  
Do you not know My daughter  
I give grace all the time  
But they do not receive  
They will take a dime, but they will not receive My grace  
I give to thee so boldly and freely  
The grace is here, to draw you near  
The grace is here, the grace here, the grace here  
Come into the throne room of heaven  
Come, I say, come

I want you to see the powers of heaven  
I don't want to hold anything back from you  
You are My chosen ones  
I have come to show you behind a curtain, you see  
Most will not come inside of Me  
But I give you an invitation this day  
Come into the grace room, it is right there  
It is so filled with grace  
It is a throne room I have given to thee  
I am looking, I am looking to see  
Will you come in, will you come in?  
Will you come in, will you come in boldly?  
Will you come in, will you receive Me?  
Will you come in, will you come in?  
Come in, come in, come in, come in

## 2-10-17 FLEEING THE DARKNESS

Do you see what I see?  
Pushing and shoving and shoving and pushing  
Pressing and fighting and killing  
Pushing and shoving, shoving and pushing  
Pressing and fighting and killing  
Do you see what I see?  
Do you see the famine that has come in the land?  
Do you see the sword that has come against man?  
Do you see the pestilence that has grown very deep?  
Deep, deep, deep down in the skin, you see  
Do you see, do you see, do you see?  
Do you see, what I see?  
Do you see, it is all around thee?  
It is here, it is there, it is everywhere  
They are like a mob, they are pressing in  
Where oh where, do you see what I see?  
Do you see the death by swords that come against thee?  
Do you see the judgment that stands high from the sky?  
Pushing and shoving and shoving and pushing  
Pushing and shoving and shoving and pushing  
Pushing and shoving and shoving and pushing  
  
Pushing and shoving and shoving and pushing  
Falling by the sword, you see  
Do you not see what I see?  
Gathered like a mob against thee  
Pushing and shoving and shoving and pushing  
Pushing and shoving and shoving and pushing  
  
Stand up on the mountain, you see  
The mountain that I have chosen for thee  
A mountain that stands high, you see  
The holy Mountain is given to Me  
Prophesy I say this day  
Prophesy against the dark mountain this way  
Prophesy, come up against it I say  
Prophesy or they will die this day  
Pushing and shoving and shoving and pushing

Pushing and shoving and shoving and pushing  
Prophecy against that dark mountain in every way

*I see a barren land a barren land where with refugees as a pushing and shoving. They are trying to flee, because famine and pestilence have come. God wants to spare these. There are so many thousands of refugees. They are trying to cross over to another nation. They are trying to cross over, but there is a mob.*

*The women and the children are being trampled, pushed and shoved. The men are killing. There is great turmoil everywhere.*

*Everywhere, everywhere there is turmoil. It is totally out of control. People are everywhere, many are dying. Many are trying to come out, to come out and leave one place and go to another. Starvation has come you see. Disease has come you see. They do not know which way to go. There is no direction. The leadership is corrupt. The leadership is corrupt. The leadership is corrupt.*

*The leadership is corrupt.*

*We cry out for the remnant, we cry for new birth. We praise you oh God, you are a just God. But we ask for your mercy you see. We ask for liberty. Have mercy upon this nation this day. Oh God have mercy on a remnant that knows Thee. Protect them in every way. Give them the opportunity to flee, oh God. Mercy, Mercy, Mercy, Mercy, Mercy, Mercy.*

Wave the banners, wave them, wave them so they can see  
Wave the banner, wave the banner so they can see  
Right now they are blind  
But I will open up their eyes and cause them to see  
To cause them to see, to see what is inside of Me  
Pray that their eyes will open this day  
Their idols have closed their eyes in every way  
We pray for the remnant, the remnant to see  
We pray for the remnant to come to Thee  
Wave the banners, wave them high  
Wave it, wave it, wave it in the sky  
And I shall lead them out, you see  
Like a sheep that is slaughtered  
By those who come against thee  
I shall show compassion this day  
If you wave the banner  
And ask them to say that I am God Almighty

The idols will come down and go into the sea  
Bring them out, I pray this day, bring them out in every way  
Pray that they can see, pray their hearts can see  
Pray that their idols will fall down  
Even right now, to the ground  
Pray, pray, pray, pray, pray, pray, pray, pray  
Pray, pray, pray, pray, pray, pray, pray, pray  
Pray that their eyes can see  
Pray that the scales will come off of thee  
Pray, pray, pray, pray, pray, pray, pray, pray  
Pray, pray, pray, pray, pray, pray, pray, pray  
Their hearts have been hardened by the false gods in thee  
Pray that their idols will fall, fall deep down to the ground  
The ones that do not know Thee  
They will come down, you see

Arise, do not fear  
The enemy rages, but God is setting you free  
Follow the banner and open up your hearts this day  
Do not let fear overtake thee  
Do not let fear come to cause you to be ensnared

***Isaiah 35***

## 2-12-17 FREEDOM AND LIBERTY

(Prophetic Song)

Who is likened unto You? Who I say is likened unto You?  
Who I say, who I say is likened unto You?  
Can anyone say and stand this day, who is likened unto You?  
None could say, none could stand  
None could even make a command  
Who I say is likened unto You?  
There is none, I say, there is none this day, none I say  
There is no other god, you see  
No other man that can stand like Yahweh  
None that can stand in Your way  
Who is likened unto Thee?  
None I say, none is like thee  
None can make a command, you see  
None I say is likened unto Thee

Who, who can stand so grand?  
Who is able to move the sand?  
No man can even count you see  
That which has been given to thee  
No man knows who you are this day  
No man can say what's in the heart of you and pray  
No man, no man

Who is likened unto thee, who is likened, who can see?  
No man sees the heart of God  
No man can say, no man can give that regard  
Who is likened unto Thee?  
None you see, none you see, none can say  
None can stay, none can stand, none can command  
Who is likened unto Thee?

You are Almighty, Almighty God, you see  
None is likened unto Thee  
So here we stand, here we pray, here we lay  
Here we are this very day  
Servants that come to minister to Thee  
Servants that have been set free

Who is likened unto thee?  
Who can we pray and say, set us free this day  
There is none, you see, that can set us free  
There is none, none, none like Thee  
None I say this very day, that can set us free this any way  
There is none like Thee, none you see,

So we call on Thee, set us free  
Set us free, set us free, set us free, set us free  
Oh mighty, Oh mighty, Oh mighty, Oh mighty  
Oh mighty, oh mighty God, set us free  
Who can stand before you and pray?  
Who I say is likened unto Thee that can set us free?  
Set us free My Lord, set us free

That I have given to thee. that, this day  
Hear My children as you pray  
Do you not see what I have done for thee?  
I have giving you deliverance, you see  
I have delivered you from the miry clay  
I pulled you out and then you pray  
You must see that I have done a great, great, great  
Great thing right in your midst  
You see I set you free  
You were deep, deep, deep down in the miry clay  
You were there, you were there and you prayed  
But you could not get out that very day  
Without My deliverance I have given to thee  
And you say, set me free?  
You are free, free, free, you are free

What are you asking of Me?  
To set you free, when I have already set you free?  
I pulled you out when you could not pull yourself out  
I pulled you out, I went deep, you see.  
And you are still asking Me to set you free?  
Do you not see where you were?  
Do you not see you were deep, deep, deep, deep?  
There was no one to help  
And I loosen thee and I set you free

And you ask of Me again, because of your sin?  
You must understand freedom  
You must understand what I did that day  
So that you can win  
I set you free from your sin, it was victorious that day  
And I pulled you out of the miry clay  
Freedom has been given to thee  
What have you entangled yourself with?  
What have you ensnared yourself with again  
And say set me free

Freedom is given to thee, and liberty has come, you see  
Free from the deep, deep miry clay  
Where you could not move each and every day  
Ensnared by your own mind, you see  
Ensnared and tangled with iniquity  
But I this day chose you to say  
I will set you free, and free you are

Do you not see liberty?  
Do you not see that I have made you clean?  
Do you not see that I have come inside of thee  
To set you free, do you not see?  
You have liberty, liberty is here  
Freedom is everywhere and near

Did I not give thee My Spirit to set you free?  
Will you deny Him this day  
When He sits before you in every way?  
And where the Spirit of God is, there is liberty  
Is He not here in thee? Is He not here to set you free?  
Will you deny Him this day?  
Will you walk away from the liberty  
That I have given to thee?

Who is likened unto Thee, who will set you free?  
Freedom is here, freedom I say  
Freedom to here, freedom this day  
Freedom, freedom, freedom is here  
There is a freedom, unlocking chains here and there  
Those who have enslaved themselves everywhere

So do you deny your liberty?  
Because you deny My Spirit, you see  
So this is what I give you this day  
Because I have already set you free from your miry clay  
You could not move, you knew not where to go  
So I came to show you the way  
I put you on a rock, you see  
I completely set you free  
But your enemy ensnares your mind  
he does not want you to see that it is Me that has set you free

So I give to you this day, don't deny My Spirit  
And say that you are not free, you are free this day  
I give to thee, each one, you choose to walk out to be set free  
I place upon you this very day  
I give you a key to set you free  
I give you authority, a key  
Will you deny Me?  
I give you a key  
I will unlock the enemies in your life, you see  
I will set you free  
Will you deny Me, or will you take this key?  
I give this key to you this day  
A key that cannot be given to you by men, you see  
I am the only One that can set you free

A key, a key, a key, a key  
Now, I want you to see, look at your key  
And what does your key say this day?  
What is written on your key?  
Because when I chain you all together, you see  
You all will have keys that will set My people free  
But I have giving you a key of an authority  
And that key has been given to you, you see  
And now you will stand in your authority this day  
And I have keys that I have given you this very day  
Keys, keys, keys, you see  
Keys, keys that are to set you free

You deny Me this day

You will not see liberty and freedom in any way  
Come to Me and you will see  
That I delivered you from the miry clay  
Your freedom is inside of thee  
Take the key, unlock the door, come to the threshing floor  
And I shall separate the chaff  
And the wheat that belongs to Me  
And I will baptize you with Holy Fire  
And you will know that I am the one that came to thee  
And I am the one that set you free

This day I have given you keys of freedom and liberty  
This day I set before thee, freedom  
But hear Me My children, they will come today  
And they will stand before this Altar  
And they will began to pray  
And I will have keys laying here this very day  
And they will choose  
Whether they will be released to come My way  
But the keys will lay here before My throne  
There will be many that will pick up a key  
And will not go wrong  
And there will be many that will let it stay  
Because they will not pray  
But I have chosen you this day  
To know that I have given you keys of authority in every way  
Freedom and liberty are here, you see  
They both live together to set My people free  
They are not separated, you see, they are one inside of Me

Much I want to reveal to thee  
Much, much, much, you see, I want to reveal to thee  
So now you have a key  
You have scrolls and scrolls and scrolls, you see  
Are you able to read them  
With the eyes that God has given to thee?  
So many scrolls are here, you see  
But they are blank to the ones that cannot see  
But those that can see, will read it this day  
Because you have been given liberty  
And freedom in every way

Open the door and see what has been written of Me

Freedom, freedom is here  
Freedom is so clear, freedom I have given to thee  
Freedom I have set you free  
You are not in the miry clay  
I pulled you out that horrible pit that day  
Go forward, go forward and pray  
Freedom is here, freedom is clear, freedom  
The veil have been taken from thee  
Now light shines, light shines from your heart, you see  
Because you have been set free  
Arise and shine this day  
Arise and shine your light has come  
The glory of the Lord is upon thee  
Darkness must flee  
The light shines, the light shines, the light shines  
The light shines and you are free

## 2-19-17 THE HARVEST IS WAITING

Do you not see what I see?  
I see a field filled with My harvest  
I have set many, many, many, many fields  
Do you not see it?  
Do you not see what I see?  
Go, go, go, go, go to the fields  
Go to the fields where the harvest is  
The harvest is waiting  
They are waiting don't you see  
Don't you see the harvest?  
Many, many, many, many can't  
Can't you see what I see?  
Go, go My children, go, go  
They are waiting, they are waiting  
Pray, pray, pray for the harvest  
They are waiting  
Pray for the Lord of the harvest  
He is waiting  
He is waiting  
He is waiting  
Can't you pray?

***Matthew 22:9***

## 2-19-17 WALK WITH ME

Do you sense the atmosphere has changed?  
Do you see nothing is still the same?  
I have changed your atmosphere, you see  
I have changed your atmosphere for Me  
Breathe the clean air  
I have cleansed this place that you may know My face  
Clean, clean, breathe, breathe  
The smog has left, you see  
The dark cloud no longer exists with thee  
Breathe, breathe, breathe in and out with Me  
And come and see, come see what I have for thee  
Come see, you will know it is Me  
Because now you will sing and sing and sing and sing  
It is so pure and it is so clean  
That you can sing songs of deliverance  
For those who do not see what you see

They cannot breathe what you breathe  
Because the atmosphere has been changed for thee  
The remnant, you see, can breathe this atmosphere  
Oh, do you not see I have given it to thee  
An atmosphere that is filled and it is free  
Oh, the darkness has been pushed away  
Now the bright light has come to say  
I shall dwell, dwell in their midst, you see  
I shall shine and stand higher than a tree  
Do they not see Me?  
How beautiful the atmosphere is here, you see  
How beautiful, how beautiful  
How beautiful it is in Me, how beautiful  
How beautiful, can you not see?  
Can you not see the flowers dancing?  
Do you not see them prancing?  
Do you not see the atmosphere is filled with Me?  
Will you dance with Me? I have set you free  
I have set you free, come with Me and see, see, see, see

Stand with Me, stand with Me

I have changed the atmosphere, you see  
You can breathe in and out, all about, all day, you see  
You are in an ocean, breathing in the depths of the sea  
The oxygen is different, you see  
You are dwelling in the midst of Me  
Breathe, breathe the fresh air  
Breathe in air that you can share  
Share, it is in your atmosphere, you see  
It is all around thee  
Dancing and singing, singing and dancing, prancing  
Because I love thee

Come dwell in the bottom of the sea and breathe  
Breathe, breathe, breathe, breathe  
Will you not breathe and be with Me?  
Let Me share with thee  
There is so much, so much for you to see  
If you will enter here and enter there  
You would know Me in all of these places  
Here and there and everywhere  
I will bring you here if you will walk with Me  
And I will take you to the places so that you may see  
You may see Me in these places

I come to share, come, come, come with Me  
Don't remain, come take My hand  
Let Me share with you  
Walk with Me, walk with Me, walk with Me  
Come, come, come, come, come  
Come, come, come, come, come  
Come, come, come, come, come

Walk with Me  
There is so much to see, so much to share  
Here and there and everywhere  
Oh I love it when you walk with Me  
I love it when you stop so we both can see  
What has our Father given us this day?  
Come, come, what is it that He wants us to see?  
Do not stay, come, come with Me  
And let Me show you My heart, you see

Ah, walk with Me, walk with Me, talk with Me  
I love you, you see, walk with Me  
You see this field, let's walk through this field together  
The wheat is so high, it's like it is up to the sky  
But we are going to walk between this wheat  
It is very high  
Walk with Me in this field, it goes to the sky  
Do you see the grain in this field?  
It sways back and forth  
It is precious and it is real  
This field has been given to your Father, you see  
He loves this land, it is just for thee  
Walk with Me, so you can see the beauty of this land  
Large and very grand  
This land has been given to the Father, you see  
It is a field, filled with wheat, high, high to the sky  
It is swaying back and forth because it is alive  
It is alive, this field is alive, the wheat is alive  
They listen to your Father's voice  
And when He speaks they go back and forth, back and forth  
They go in a rhythm, you see  
Because they communicate with Me  
And they know that this land  
That they have been given that is so grand  
That the seeds of this wheat have been given unto thee  
So that it will honor and glorify our Father, you see

Walk with Me, walk with Me  
As far as you can see, what do you see?  
Beautiful golden wheat swaying  
At the command of the Father's hand  
Beautiful golden wheat swaying with the wind  
At the command of the Father's hand  
It has been given to the Father, you see  
Now look deeper, looks deeper  
So you can see that you have entered into this place  
So you can hear Me  
Holy, this is holy, holy, holy, holy  
This land is holy, this land is holy  
It is the best choice of the land, you see

It is not just any land, it is just for thee

Come and see, walk with Me, walk with Me  
When the sun shines, you see  
It shines and it gleams upon the golden wheat, you see  
And it shines and it reflects everything that is in Me  
It shines, it reflects the heart of the Father, you see  
The sun shines upon this golden wheat  
That goes for miles and miles and miles, you see  
A wheat good to eat, but has not been chosen for thee  
It is chosen for He, the Father, you see

Walk with Me  
Come through this field with Me  
There is so much I have to show thee  
It's so much that is here, you see  
It is in the wheat field, filled with the grain  
The heads of the grain are ready, you see  
Beautiful, beautiful, swaying in thee  
Ah, come with Me  
In this field let Me say  
There are no tares in this field, in any way  
The Father has guarded this place, you see  
The Father would not let the enemy plant a seed in thee  
This field stands tall and high in the sky  
This field is surrounded  
It is surrounded by the Father, by and by  
This field that I have chosen for thee to walk with Me  
It is sacred, it is holy, it is holy, you see  
It is set apart for He

Walk with Me, walk with Me, walk with Me  
Let Me set you free that you may walk with Me  
See you have not seen anything  
Until you have seen  
What is inside of the Father's heart for thee  
I will take you places this day  
Places you have never been before in any way  
And this is a special place, you see  
You say, "Is this place in heaven, where can it be?"  
This place is among thee, chosen for He

But I will take you there if you will come and walk with Me  
I will show you the Father's heart in thee

Walk with Me

Oh, do you not see the beauty of this place  
It is grand, it is where the Father's face has looked upon  
See, there are secret places that you have not seen  
You call upon your wonders of the earth  
That means nothing to Father God  
That comes to bring new birth  
He loves special places, and I want to take you there this day  
I want to take you to the field, filled with grain  
Golden, golden, golden grain  
Do you not see, like wheat that flows, and dance and prance?  
And it is all around you  
And you do not even know  
That the Father has given you  
The opportunity to walk with Him  
In the midst of the day  
So that you would know Him in every way

I cannot find many  
That will walk with Me in the cool of the day  
That I might show them the secret place of the Father  
There are secret places, you see  
That mankind has not seen  
Because they do not walk with Him  
You know, He is the One that comes  
And He says, "Walk with Me"  
And you say, "No, not today"

Ah, where can I find a way, a path that has been chosen?  
That one will walk with Me  
So I can show thee the secret place  
It is a beautiful field, oh this field is very real  
This is not My imagination, you see  
I am revealing to you the Father's heart  
That you may be one that says,  
"Take me to the field, this very day"  
A beautiful, beautiful place

Walk with Me  
This field will lead you  
Through the valley and up the mountain  
But very few have walked upon the path to leave a trail  
You see no trail because not many people walk this way  
But I am giving you an opportunity this day  
To leave the path for those who will say  
"I want to know the way"  
This path will lead you up a mountain, you see  
It will take you around, high in Me  
Deep, deep, deep, deep, deep, you see  
A place that you can breathe, even beneath the sea

Ah, walk with Me  
If I can only show your heart  
Do not depart, and I can show you places, you see  
Places, places, places of Me  
Why You say, why, why, why?  
Why Papa have You shown us this day  
This field of grain and wheat in every way  
Why Papa are You speaking to us this way?  
Ah, because I love to walk in the cool of the day  
Not very many will stop, you see  
And allow Me to share My heart and walk with Me  
Places that I love, you see  
Places that are secret and dear to Me  
Do you know that this field is untouched?  
I have yet a son, a daughter, even much of any man  
Who have come to Me to say  
"Papa, show Me the secret place of today"  
Yet, I come to thee, to this sanctuary  
And I speak with a heart, you see  
"Son, will they follow Me?"

Walk with Me  
Ah, can I say you love Papa in every way?  
Papa would not sit, you see  
If He did not think you want Him to be  
He would not come, you know, this day  
Papa only comes when you say  
"My heart is for Thee"

Walk with Me, walk with Me  
Ah, look, look, look, look to the North  
No, no, no, no look to the South  
No, no look to the East, look to the West  
Look how the sun shines upon the wheat at its best  
It is beautiful, you see  
Did you see what I see?  
Ah, like a little boy that walks through the wheat field  
That even stops to see  
Can I take thee, will it not heal?  
This is the grain that was given to thee  
Filled with substance that you may be  
It is not any type of grain, it is not any type of wheat, you see  
It is the Father's field, chosen by He

Walk with Me  
In this field you have nothing to fear  
There are no tares and no enemy, you see  
This field is with the fullness of purity  
Nothing has made it blameless, but He  
There are no blemishes, there is no spoil, you see  
It is fruitful, lovely, all in thee

Walk with Me, walk with Me  
Ah, breathe, breathe, breathe  
I am taking you deeper, I am taking you deeper  
I am taking you deeper, I am taking you deeper

***Psalm 47***

## 2-22-17 RIGHTEOUS HOLY JUDGE

Holy, holy, holy, holy, holy, holy  
Holy, holy, holy, holy, holy, holy  
Holy, holy, holy, holy, holy, holy  
Holy, holy, holy, You are holy  
Holy, holy, most holy  
Holy, holy, most righteous, righteous  
Judge, judge, judge  
Most Righteous Holy Judge  
Most Righteous Holy Judge, You are  
We are here for You  
Drawn near, come through  
You are a righteous holy judge

Justice comes from Your heart  
Justice stands tall and will not depart  
Righteousness comes with a sword, you see  
Righteousness is strong, as strong as Me  
Justice will not flee  
Come to Me now and see  
That I am holy, holy, holy  
Righteous, righteous, righteous  
I am the Judge Almighty, high, sitting on a seat  
Do they not see Me?  
I shall bring judgment to thee  
Do you not see Me?  
Do you not know that I Am God Almighty?  
Holy, holy, holy, holy I say, holy, holy  
Why do you come to Me this way?  
Why, why do you say?  
Do you not know who I am?  
Righteous Holy Judge  
Righteous Holy Judge

Now who can stand before Me?  
Who can stand against Me, who?  
Who dares to come  
And say they will challenge Me in any way  
I am God Almighty

Do they not see that I am who I say I am?

Righteous Holy Judge  
I am righteous and I am holy and I am the Judge Almighty  
How dare they come to Me  
How dare they come and say, and challenge Me  
Who do they think they are this day?  
Will they stand in any way?  
I am who I say I am, I am

I come to make this decree to thee  
I have chosen thee to be holy before Me  
Holy and righteous and just, as I am  
You must be the same  
I come to thee in My righteousness, you see  
I come to speak with a demand  
How can you stand?  
I will bring you down this day  
I will bring you down in every way

This is My place of holiness, you see  
How dare you stand and try to touch Me  
I am who I say I am  
How dare thee come against My Name  
And say that thee is higher than Me  
How dare thee, do you not see?  
I am holy, holy, holy, I am holy, holy  
I am righteous, a righteous judge  
I stand for justice, you see  
No man can stand against Me  
No creature that I have created, you see  
Can challenge Me  
I am who I say I am

I walk upon this place, you see  
Riding high in chariots that are wider and bigger than thee  
Who will stand against Me?  
Who will say I stand strong this day?  
I speak in boldness in every way  
I say this day, how dare thee try to stand against Me  
Who, who, who has come

Have they not heard, will they not hear  
How dare they try to come near and stand against Me  
Do they not see, I am who I say I am  
Not like thee, not like thee  
Righteous, I say, holy this day  
A judge that will stand for justice in every way

I have come to dwell, you see  
I will bring justice all around Me  
I will reveal everything this day  
I will show you My way  
I will reveal every evil thing that comes against thee  
I will reveal it unto thee  
I have chosen you for Me  
Do you not see that I am a righteous holy judge?  
Who can stand against Me?  
They must flee  
Come before Me and you will see that I am holy  
I am holy, holy, holy  
Holy is the Lord thy God  
Holy, holy, holy, I am holy, holy, holy  
Holy, holy, holy, holy is the Lord thy God  
I am who I say I am  
I am God Almighty  
Filled with justice, you see  
Willing to bring thee before Me

Today I will show you My way  
Today I will show you My way  
Open up your eyes and see  
That I have chosen you just for Me  
Open your eyes this day  
Let the scales fall off your eyes  
So that you can say  
That it is God Almighty who stands before me  
And He makes His plea, He makes His plea this day  
He makes a plea in every way

Holy, holy, holy is the Lord our God  
Holy righteous judge, you see  
Righteous in all, righteous to thee

Come and see, do not flee  
I am holy, holy, holy, holy, holy, holy  
I have chosen this for thee  
You have been chosen as a bride for Me  
This day I speak to you in this way  
Because there is one who has stood against thee  
And no one stands against Me, no one  
You are My chosen, you see  
And I will have it no other way  
I have called you to Me this day  
Holy, holy, holy

***Jeremiah 16***

## 2-23-17 FIRMAMENT

There is a firmament  
That is resting between heaven and earth  
No My daughters, it is not dark, you see  
It is a firmament of light between you and Me  
One that will protect you from all harm  
Even on earth and those who are beyond  
There is, there is, there is you see  
There is a mist that stands between you and Me  
One to protect you from your own self, you see  
One to protect all those  
Who are called by My name and will not flee  
But those who determined to go another way  
This firmament will come down and judge them this day  
This firmament you see that I am speaking of to thee  
Is one that I have set in this hour  
This will carry much power  
I have brought it here to rest you see  
To rest upon you and Me  
It is holy, it is holy, it is holy you see  
It is so holy it will kill man instantly  
I have chosen thee for holiness, you see  
One that will understand My heart and understand Me  
Holy, holy, holy is the Lord Thy God  
Holy, holy, holy, holy, holy, holy  
Oh, this firmament that I see is white like a cloud  
The whitest white I have ever seen, you see  
It is so white, it is clean, clean within thee  
It is white even if you stand before it you see  
You will have to bow down, bow down to Me  
Because it comes with My power and My glory you see  
That cloud is the glory of Me  
That is the one that I will let rest upon Me  
I told you this day to come and arise in every way  
Your light is here, it is here, it is very near  
It is you light you see, it is filled with Me  
Do you not understand that it is I  
That brings this great command?  
Do you not see that I have called thee?

This firmament is between you and Me  
It is your protection, you see  
Oh great, great, great is My light  
Great, great, great and very bright

Do not let earth separate you from Me  
Do not let the world cause you to flee  
Do not let your flesh see  
Shut the eyes of your flesh right now  
And open the eyes of your spirit  
And let your spirit see Me  
There is a wrestle you see  
There is wrestle that wants to take you away from Me  
Oh but you must fight within, you see  
Fight with all your might  
Learn to come and be quiet and quiet  
Understand what I am saying to you  
It is not just one that speaks to thee  
It is one that comes with a great command  
It is one that says come, come My daughters, you see  
Come oh Zion, come up with Me  
Come, come, come this day  
Come, come, come and pray  
I will rest this on you this very hour  
It will equip you with might and power  
You must understand you see  
My Spirit comes to hover over thee  
You must understand you see  
You cannot do this without Me  
I shall carry you in this hour  
I shall carry you every step of the way  
I have given you the path, now stay on it this day  
The path of righteousness, the righteousness you see  
I told you I would order your steps, and order them for Me  
I will take you step by step into new places you see  
But you cannot run ahead of Me  
Step by step, step I say  
I know your human, your human way  
Come, come with Me on this path, you see  
The mountain is waiting, waiting for thee  
Climb these steps slowly, slowly, they are very steep

This part of the mountain is not flat at all  
This part of the mountain goes up very tall  
This part of the mountain will require you to understand  
The mountains are steep, steep, steep, steep, steep  
It is not for every man  
Every man cannot make it on this part of the mountain  
Because the mountain goes high, high in the sky  
It rests in a place by and by  
You must come into this place you see  
You will see the firmament that covers the earth  
And you will know it is Me

So I come this day to show you the way  
Come, rest in Me, rest in Me  
My Spirit will not let you flee  
My spirit will not let you flee  
My Spirit will fight for thee  
My Spirit will come strong you see  
My Spirit will stand against your enemy  
Rest in Me!

## 2-26-17 CONSECRATE AND SEPARATE

My little children, hear Me this day  
I must bring an outpouring of not rain  
    But water in every way  
I shall pour like buckets upon you this day  
    Buckets and buckets of water  
Buckets and buckets and buckets and buckets  
    Buckets and buckets and buckets of water  
I shall open up the heavens for you this day  
    I give you a commandment in every way  
    The next seven days I call you this day  
To consecrate yourself and separate yourself in every way  
    There's something that is coming up, you see  
    It is coming up against thee  
    So I will wash you and cleanse you  
    And make you like diamonds  
I will surround you and you will shine up in the high sky  
Hear Me this day, I come to cleanse you with buckets  
    Buckets and buckets and buckets of water

    Come, come, come, come, come  
Pour, pour I say, pour, pour on this one this day  
Pour, pour, pour, pour, pour, pour from heaven  
Give them what they need with a great array  
    I shall pour upon you  
    But hear Me this day  
    Consecrate yourself in every way  
    Do not touch that which is unclean  
    Do not touch it, do not, I say  
Separate this day, this day I have called you  
    I have called you in such a way  
I have called you to stand before Me, you see  
    Before the great throne, stand with Me

I shall pour and pour and pour and pour  
    I shall pour, you will ask for no more  
I will give you just what you need this day  
To cleanse you, to wash you, in every way  
    Clean your hands, I say each day

Wash your heart in every way  
Clear your mind and do not let it go and whine  
Hear Me and I will come each day  
And clean your feet, you see  
And I shall order your steps in each way  
I shall tell you to go this way or that way  
Do not go astray!  
This is a strong warning, you see  
I have chosen you just for Me

Stand with Me, I am with thee, I am with thee  
Now walk with Me, walk with Me  
Do not fear, just draw near  
Everything you need is close, you see  
Deep inside of Me  
Come close to Me  
Come, come, come and see  
Come and see what I have for thee

Consecration, separation  
That is how you are able to come close to Me  
Consecration, separation  
You are My beloved, you see  
One that is consecrated and separated for Me  
So beloved come, come, come this day  
Do not, do not, do not stray  
Come, come, come and see  
Come, come and let Me show you Me

The day that I came, was that day, you see  
I came to Sinai, the holy mountain, that's Me  
I stood, I stood strong, you see  
I came to show My people Me  
But My people did not want to see  
That which I have had for thee

Come, come, come quickly this day  
Consecrate yourself in every way  
I told Moses, consecrate the people, you see  
I told Joshua, three days consecrate for Me  
My Son, He moved away, you see

He knew how to consecrate and separate for Me

So this day I speak to you in a special way  
This day, separation must come  
So I can show you My way  
Come, let Me show you Me  
Come and I will show all of Me  
Do not flee, do not flee

Did I not bear you, did I not?  
Did I not bring you to this place spiritually inside of Me?  
Did I not? Have I not come through for you?  
I took you out of Egypt and brought you here, come near  
I bore you on eagle's wings and brought you to Myself

***Exodus 19:3-24***

***Joshua 3:1-17***

## 2-28-17 WEEP RACHEL, WEEP

Weep Rachel, weep  
Cry and mourn with a loud cry  
Why do thou weep this day?  
Why have thou chosen to meet in this way?  
Weep Rachel, weep  
The windows are open, you see  
The windows are open wide  
They come against thee

Weep Rachel, weep, weep  
You cannot hide  
You must abide, remain  
Let Me wash you with the stain of My blood, you see  
Nothing can protect you or your children  
From what I have brought against thee  
Weep Rachel, weep  
Weep Rachel, weep  
Weep I say, this day  
Weep and mourn for those who have gone astray

Weep Rachel, weep  
There will be a day, you see  
Rachel, you will not be able to cry or weep  
There will be a day, you see  
That tears will not come from your eyes, on that day  
No tears in any way  
This is your season to weep Rachel, weep  
Because I will dry up your eyes, you see  
You will stand strong in My judgment against thee  
You will be able to stand with wisdom, you see  
Weep Rachel, weep, now is your time to weep  
There is no other time, you see  
Time is drawing near, you must hear Me very clear

Weep Rachel weep, weep Rachel  
They are babies you see, innocent before Me  
Innocent, innocent blood, you see  
Innocent blood all around Me  
Weep Rachel, weep

Let not judgment come upon thee  
Flee, flee, flee, I say flee  
Flee, she comes to defile thee  
A blood you see that is not of Me  
One that is a counterfeit  
They come to see if you will remain with Me

Weep Rachel, weep  
I will fill you with tears  
Tears that will gush out  
Tears, uncontrollable tears

Weep Rachel, weep  
Who will be silent in that day?  
No one will be silent in any way  
The screams will go deep, you see  
You will hear screaming on every side of thee  
Who will be able to stand that day?  
Who will be able to hear the mourning that day?  
Who? Will it be you?  
Who I say?  
Weep Rachel, weep

***Isaiah 1:8-20***

Weep Rachel, weep

***Jeremiah 9:20-24***

Weep Rachel, weep

***Jeremiah 31:15-19***

## 3-2-17 VOICES OF THE ALTAR

The Holy Spirit wants to speak on our behalf  
Quiet, silence, you who inhabit in this place  
    I must speak to the Father  
Quiet, silence, you who inhabit in this place  
    Please don't move, please lie down  
    Please, please, please  
The Holy Spirit is speaking on your behalf

Father in heaven, these are Our people, you see  
They have come to humble themselves before Thee  
Father of the heavens, Father of the great spirits  
    We humble ourselves before Thee  
    We pray Oh Father of the great Spirit  
    We pray that You will hear Us this day  
    That We will come to You in no other way

    We come this day  
Asking that You will see that We come to make a plea  
    Cover them this day  
Let the blood shed fall upon them in every way  
    Flow upon this altar that You see  
    This altar has come before Thee  
    And the voices they have come this day  
    Come to speak to You My Father in every way  
    The voices of this altar come to make a plea  
That You will have mercy, have mercy, have mercy

    Oh God, oh God of the great spirits  
    We stand before Thee, in worship and plea  
That You will see that this altar has been given to Thee  
    Much blood shed has come from Your Son, You see  
    That has validated this altar to make the plea  
    And because of what Your Son did that day  
    The blood shed came  
    And cleansed us completely in every way

So we stand before You, oh Father of the great spirits  
    We stand and we say

We are here to worship You  
And humble ourselves in every way  
We are here oh God of Heaven, oh God we see  
God that stands great with the great spirits you see  
So we humble ourselves to You this day  
We come and we pray  
Father at this altar this day  
The fire from heaven we pray  
That will burn completely  
Because of the oil that has been given in every way  
Burn with the fire from heaven  
Let this be a pleasing sacrifice to Thee  
Hearts that love You and love Me  
Oh hear the prayer today, hear Our prayer in every way

## 3-7-17 WILL THEY CHOOSE ME?

I know, I know, I know  
Man has a will, you see, man has a will  
Why do you ask of Me?  
They choose each day  
Whether they want to be with Me in every way  
Why are you asking of Me?  
When I have given thee everything you need to love Me  
They choose not Me  
They choose the idols of their hearts, you see  
And you want Me to die again and again and again  
You want Me to die for their sins again  
Have I not already done this?  
And was it not good enough then?  
Is it good enough now?

You ask of Me, to have mercy  
Have I not given them mercy, have I not?  
Why do you ask of Me?  
Why? Will they choose Me?  
Will they choose Me  
Or will they go back to their sins, you see  
Will they? No, they will not come to Me  
They love the idols of their hearts, you see  
And you come and you come and ask of Me?

Why do you come? Why? Why do you come?  
My heart beats like a drum, every day you see  
I look at their hearts and they do not want Me  
Every day, every day, they walk astray  
And they come to Me and say they love Me  
And then they flee and go back to the lovers, you see  
That brings pleasure to thee  
You ask of Me? You ask Me for your mercy  
Why have you asked of Me?  
Will they not turn around, will they?  
I am asking you a question, will they?  
Will they come to Me? Will they flee? Answer Me  
What can you say when you know even this day

They will turn away from Me and they will flee  
But yet, you come to Me and you ask of Me  
What should I say to thee, what shall I say to thee?

But, do you not know, do you not know  
Even though they slap Me  
And they reject Me, and they deny Me  
Even though they blame Me  
I can't help but to love them  
My love is so great, you see  
I am love, and it is hard for Me to flee  
But eyes look down at the hearts, you see, they weary Me  
But will I not say, you even know in your heart this day  
You know Me, you know I am going to say, "I love thee"  
You know it this day  
Even though they choose not Me in any way  
I will say to thee, "I love you"  
I will say it to them, you see  
I cannot even deny it to Myself, you see  
I cannot deny the love I have in Me  
I can tear it out of my heart you see  
And it will come back to Me a hundred-fold inside of Me  
My love is deep, you see  
Greater than anything you will ever know in Me  
But I come to share My heart with thee  
As you lay before Me  
I want you to know what is inside of Me this day

I am weary with My children in every way  
They say they love me, but they have a will  
A will to choose, a will to go, a will to know  
They have a will, you see  
And today they will not follow Me

And still I will say, "I love thee"  
And still I will say, "Come to Me"  
Even though they reject Me and deny Me  
Because the lovers of their hearts are idols, you see  
They put their idols before Me  
But they say they love Me  
But their idols laugh at Me and say look and see, I have thee

They mock Me  
What do I say, what do I say?  
Why am I here?  
Let Me explain to thee  
Where can I share My heart?  
Who will come near and listen to Me?  
Who can stand against this that is in My heart? No man

But I have shielded thee, so you can hear Me  
You can see My wrath is great  
But I will not consume thee  
Because I have come to share My heart, you see  
This is where I am this day  
This is what I am going to say  
They do not love Me  
They are infatuated  
But I come to say, "I love thee"  
I am love, I cannot deny what I am  
I cannot deny what is inside of Me  
A heart pulse that is filled with thee  
I cannot, I cannot betray Myself  
I cannot, I cannot walk away from Myself  
I cannot, I am love

And that is why My heart burns with jealousy  
Because I see that I am not number one in thee  
I am jealous, and burning deep inside of Me  
Why won't they just love Me?  
What can I do again, to wash you from your sin?  
What, what, I say, what can I do this day?  
But I lead thee with My heart, you see  
You will come to Me  
You say you love Me  
But I have given you a will to choose this day  
And I won't push you and make you love Me in any way  
Because I want a bride that will love Me, you see  
A bride that will know the love that I have for thee  
I want a bride that will melt in My hands  
I want a bride that will know Me, closer than any man  
I want a bride, you see, that will come so close to Me  
And begin to know that I am the only one that will love thee

So I shared My heart this day  
And I will leave you with this verse, I say  
I love thee, I love thee, I love thee  
You say, but Lord you are angry  
Oh no, oh no, oh no My little ones  
Don't look at My anger as hate, as rejection  
Look at My anger as love  
My wrath is filled with fire of My love

But who will listen to such love  
Who can stand as they stood in Mt. Sinai, you see  
When I came down with thunder and lightning and fire  
A voice that mankind could not receive that day  
But I came with love in every way  
But it was misunderstood that day  
They did not want to speak to Me in any way  
Because they did not know that I was so in love

But is I come down with you  
You will feel consumed from above  
You will misunderstand Me  
And you will take My passion as anger, you see  
But my passion is full of love and jealousy  
Who can stand before Me?  
Who I say this very day?  
Where do I take this love, where do I stay?  
Who is willing to come this close?  
Not very many, not most  
Not very many, not most  
So I leave you this day, and I will go  
And I will sit and say  
"I love thee, I love thee, I love, thee"  
Do you love Me? Do you love Me?

## 3-12-17 FLY WITH THE EAGLES

The eagles are flying, the eagles are flying  
High, high, high, high in the sky, the eagles are flying  
They are on a mission, you see  
The eagles are flying before Me  
The eagles are going high, high, high  
The eagles are high in the sky  
I have brought the eagles here, you see  
Filled with wisdom to speak to thee  
You must go where the eagles go  
You must understand and you must know  
You must go high, high, high  
High upon the cliff, you see  
High, high, high, way, way up against thee  
That is where wisdom will come and see  
And will speak to thee  
The eagles go high, high, high, high  
You must go high, high in the sky  
That I may show thee where you can see  
And you can see what others cannot see  
I will show thee, you must see where I am taking thee  
Listen to Me, I am taking thee upon the cliff, you see  
One that is able to cry out to Me  
Away, away, away, away I say  
Away, away, away, away, away this very day

Listen to Me and hear My heart  
Hear My heart this day, and do not depart and say  
"I did not understand, what is He saying in this land"  
I am saying to you today  
Go high, go high, go by, go by in every way  
Go deep, go deep, go deep, I say  
Come close, come close, come close in every way  
Everything that I have given to thee  
I have given to thee because I wanted you to see  
That I was God, God Almighty  
One that will tell you things that others will not know  
One that will tell you and show and show and show

Now I come to thee and I ask of you, you see

I asked you to fly with the eagles, high in the sky with Me  
The eagles will give you great wisdom, wisdom this day  
Put your feet in a place, and your ear close, so you can say  
What is it that the Master is asking of us?  
What is He calling us to? What is the big fuss?  
What is it that He is saying this very day?  
Go close to the eagles and say  
I want to hear wisdom this day  
Wisdom, wisdom in every way  
I want to hear wisdom, I say  
I want the wisdom that You have for us this day

Fly with the eagles, fly with the eagles, fly I say  
I will give you instructions every day  
Every day I will give to thee  
Instructions that you will have to follow Me  
Follow Me and you will see that I am Almighty  
Yeshua is My name this day  
Yeshua comes to speak and say  
Rise, rise, rise My Children rise  
Rise, rise, rise My Children, fly with Me  
Fly with Me and you will see  
And I will give you wisdom, wisdom, wisdom this day  
Wisdom, wisdom in every way  
Fly with Me and you will see what I have given to thee

Remain in this place spiritually  
Don't move from this place I have given to thee  
I have given you a position, you see  
A position in the spirit realm, just for Me  
I have given this to you  
You, you, you to walk through  
Every step of the way I have given you this each day  
Every day will be a new day for thee  
New instructions, you watch and see  
Wisdom, wisdom is waiting on thee  
But you cannot hear her  
If you do not fly with the eagles with Me  
Fly with the eagles this very day  
And you will see what I have to say  
Instructions I will give to you each day

Each day, each day is important to Me  
Each day is new instructions, you must come and see  
See what other cannot see  
If you let Me go deep, deep inside of thee  
Fly, fly, My children, fly this day  
Fly, fly, and hear Me say  
I will teach you, teach you My way  
Every single, every single day  
Come fly with Me, fly with Me

I have seven eagles that I have released  
And you are seven priests, priests unto Me  
Seven I say, seven this day  
Seven eagles I give out in every way  
Fly with Me, fly with Me, fly with Me  
Fly with the eagles, fly and pray

## 3-26-17 FIRM FOUNDATION

A firm foundation, a firm foundation  
I shall give you a firm foundation  
One that will anchor you for life, you see  
One that will establish you, that you will always know Me  
A firm foundation, strong and solid, you see  
Nothing will be able to shake you away from Me  
Come to Me, ask of Me for a firm foundation, you see  
One that will be able to stand up  
And swallow up all that comes against thee  
You shall be strong you see, strong, strong, strong  
Strong, strong, strong, I come to strengthen thee  
I come to strengthen thee, you see  
I come to strengthen everything about thee  
Because you shall be  
I speak this day, I speak to you in a special way  
A firm foundation, a firm foundation

Nothing can stop what I am doing in this moment  
Listen to Me I am telling you My heart, you see  
Nothing will stop, nothing can stop,  
Nothing can come up against that which I have given to thee  
I am giving thee a firm foundation, you see  
One that is solid, solid in Me  
Walk on the foundation, I say walk on it and know My way  
Know that I am giving you that which will establish you  
You will not be moved, unshakable, unshakable in Me  
I prophesy to you this day, a firm foundation in every way  
You shall stand, and stand strong as one man  
You shall stand and stand with Me, you see  
Nothing, nothing on earth can come against thee  
Nothing beneath and nothing above  
Nothing, nothing, nothing My love  
I have chosen thee this day to stand  
On a foundation in every way  
Solid, solid, solid, you see, solid, solid, solid in Me

You must know that I have chosen thee  
How many times do I have to speak to thee?

How many times do I have to give to thee?  
How many times do I have to shake for thee?  
How many times do I have to battle for thee?  
How many times do I have to say to thee  
That you are Mine, you are Mine, you see  
What has bewitched you to make you think any other way?  
I have chosen you this day, a solid foundation, you see  
Firm, firm, firm in Me, solid I have made thee

Do you not see I have given thee My Word?  
My Word, My Word, you see  
Filled with fire and filled with Me  
My Word will come and stand in thee  
My Word is stronger than any man, you see  
My Word is that which stands before thee  
My Word comes with power and wind you see  
My Word comes with fire, fire in Me  
My Word, My Word, My Word, you see  
A solid foundation, firm in Me

Do not question, once again  
Do not question or you will be in sin  
If you do not see what I have given to thee  
A solid foundation, strong in Me  
Strong, strong, strong as one man  
Strong, strong, strong, who can stand?  
Who can stand in unity, you see?  
Who can stand, who can stand against Me?  
Who I say, who this day  
Who can bring a curse on you in any way?  
No man you see, no witch, no demon, no devil  
Nothing evil can come against thee  
No one can come against my Word, you see  
My Word is solid, it is solid in Me  
It is a solid foundation, firm you see  
Who can come against that which I have blessed?  
Did I not tell you that you are My best?  
I have given you all, all that you need  
All, all to stand with Me  
I have given thee the blessings, the blessings you see  
I have given you all, all you need

I have you the best because I have given you this and I have  
given you that

What is it that you need now  
That you did not get from Me this day  
To make you who you are in every way?  
I challenge you, I challenge you this day  
Stand with Me, stand with Me in every way  
Do not turn to the left, you see  
Do not turn to the right to look for Me  
Look at Me steadfast in My face  
Look at Me every day in this place  
Seek Me with all your heart you see  
And you will find Me right there with thee  
Ask of me and see if I do not share with thee  
The hidden things that are in the sea  
I will give it to thee day and night you see  
Come with me and with great flight you shall see  
You will see My heart in every way  
Why? Because I am giving you  
A solid, firm foundation this very day

Stand, and I say stand, stand, and I say stand  
Stand, and I say stand, stand, and I say stand  
Believe Me this day what I have given you  
I will not take away  
Blessings I give to thee, curses I take away, you see  
Who can stand against Me?  
How can one curse that I have blessed this day?  
How can one curse, how can they say the words  
They are tiny, tiny little words, tiny, tiny words you see  
But My Words are bold and strong  
With strength inside of Me  
I give it to thee, a solid foundation I have made thee, you see  
Firm and solid, solid in Me

Now gather, gather, everything I have given thee  
Gather it and see that you will see I have given you everything  
that is deep in the sea  
Gather it, gather it, gather it this day  
See if I did not speak to you in every way

I gave you the wind, I gave you the rain  
I gave you the rivers that go deep, deep, you see  
Up a stream that goes up into the ocean to Me  
Have I not given you all of this today?  
My Spirit, My character, My integrity  
Everything that is of Me, I have given to thee  
In Word, in worship and praise you see  
I have laid it all out, all out for thee  
Who can come against Me this day, I say?  
Who can question what I have given to you this very day?  
Who can take away what I have given to thee?  
No man can take away what I have opened, you see  
No man, I say, nothing in any way shall come against thee

Why do I speak so boldly?  
Why have I come to make you solid, you see  
Firm, a firm foundation and depth in Me?  
Why have I spoken to you this day?  
You must understand your faith, your trust, your rest depends  
on what you say  
Your words must agree with Me this day  
Agree, agree, agree, don't say another way  
If I say you are blessed, you will say you are blessed too  
I say that you are going to do this  
You will speak it also inside of you  
You will not question or doubt Me in this day  
I say agree, agree with Me in every way  
Agree with what I say, be able to stand and know  
No one can come against thee, no one, no man  
Because I have spoken to Thee  
I have thee all that is within the sea  
Take it this day and know that I have given you blessings  
Blessings, blessings, blessings  
Do you believe that I have given you the blessings?

And now hear Me this day  
You shall take the blessings I have given you  
And you will do in this way  
You will leave a portion for the poor  
And those who do not know Me in any way  
I have given you such abundance you see

More than you will ever know  
What I have given to thee, give, give, give today  
And see if I don't bless you more in each and every way  
An abundance I have given, I have given to thee  
Leave a remnant for those who are poor, you see  
They do not have what I have given to thee  
I will reveal to thee what I have given, you see  
I will show you your riches before thee  
I blinded your eyes for a season, you see  
I did not want you to know what you had in Me  
If you knew what you had, you would take it  
And you would plunder it, you see  
But today I am going to open your eyes  
So you will know that you are rich in Me  
I speak these words to thee this day  
Hear Me, hear Me closely in every way  
If you speak against what I speak  
You will see a curse come upon thee  
You must understand the importance  
Of your agreeing with Me  
Hear Me this day, as I come to say

***Revelation 2:9-10***

***Revelation 3:7-12***

He who has an ear, let him hear  
What the Spirit of God is speaking this day  
I have written upon your hearts My Word in a special way  
You shall overcome and trust Me  
You are going to overcome so your brothers can see  
That I am the living God and there is none like Me  
They will come and worship Me, and not thee  
They will love Me  
Because you have overcome, you see  
They will look at you as if you have poverty  
But you are rich, rich, rich you see  
And you will leave a blessing for the poor  
That do not know Me  
You will leave for the remnant, the remnant this day  
You will leave for them what I give you in every way  
Do not hold on to what I have given you, you see

Give it to those who do not know Me  
I speak to thee this very day  
I speak so you can understand My way

***Ruth 2:1-13***

Are you willing to give up everything  
To find favor in God's sight?

## 4-23-17 PROCLAIM MY NAME

Repent this day, repent I say  
Repent, repent in every way  
Repent I say

My daughters, My daughters  
My daughters, My daughters  
Do you not see that I see your purity?  
You cannot even see what I see  
But I see the purity inside of thee  
I shall come and I shall wave My hand  
And I shall wipe away all of your sins  
I shall take you deeper with Me  
I have called you to claim this mountain, you see  
One that will stand, that will stand before Me  
With a pure heart proclaiming who I am, you see

Every knee, every knee shall bow down to Me  
Every knee, every knee shall bow down to Me  
Not one will stand, and stand and sing  
Not one, not one, not one, I say  
Not one, not one will come against Me in any way  
You will not fear the position I had given to thee  
I will cover you and you will see  
That I will come with chariots that you could not see  
Chariots that are great, great in Me  
Stand and proclaim, and proclaim My Name  
There is no other name  
That takes dominion and washes away shame  
The Name is Me, and the Me in thee  
You must understand how I stand in the sea  
The wind will blow and blow in Me  
I will stand with great authority  
I have given it, given it, given it to thee  
I say this day, I come this way  
I am not a man, I am God, you say  
If I am God in your life, you must stand with Me  
There is no other, no other that can see

Stand with Me, stand with Me, stand with Me  
Stand I say with Me!  
My Lord said to My Lord, stand at My right hand  
I need you now, you stand with Me  
There is no other way but to stand with Me  
You're going to go through a big battle this day  
But I am asking you to stand next to Me  
Stand I say this very day  
Stand I say and know that I need you!  
Don't you dare let any man say I do not need you  
You are My bride, you see  
And I love you close to Me  
I need you now to stand with Me  
You have laid enough and it's now time to arise  
Arise, arise, arise I say stay  
Arise, arise, the light has come  
I will expose all darkness to thee  
But you must stand right there with Me

Do not close your eyes this very day  
I called you to arise and begin to say  
My Name is glorious in every way  
My Name is glorious, My Name I have given to thee  
A bride takes on the name of her husband, you see  
I have given the Name, the Name to thee  
I have given it, I have given it, I have given it to thee  
I will mark you as a bride My daughters, you see  
I will make you a bride, a bride unto Me  
You will stand by My side, My side, you see  
You will know that I love thee  
I will love thee!  
Do not let anything take that away from thee  
Because you are standing, standing with Me  
All knees shall bow, every knee from underneath and above  
I say to you My beloved, I will stand with thee  
Stand and see how great, how great I am inside of thee  
Oh My daughters, you are weeping and wailing  
I am here, I am here, I am here

You are My priests under the order of Melchizedek  
Every knee will bow, every tongue will confess My Name  
You have My Name, you have My Name  
There is no shame in My Name

I am rising up now in My throne  
I am standing with you, you are not alone  
You shall not fear anything that comes your way  
I shall be with you from this day  
Mark My words, and mark this day  
There is a change that has come in a very strong way  
You shall speak My Name above all mountains, you see  
There is no other mountain, no mountain, like Me

*Psalm 110*  
*Philippians 2:9-11*  
*Psalms 68:15-19*

## 4-23-17 LET'S WALK IN THE SAND

Can I tell you a story?  
Can I share a story?  
Can I speak from My heart?  
Will you listen? Don't depart  
A story about a journey in a far, far land  
So much was hidden in the sand  
Many, many, walked that land  
Many could not see what was hidden in the sand  
A journey in a far, far, far land  
Watch and see, look with Me  
What can you find if you walk along the shores of the sea?  
So much sand, you could not number, you see  
So much is underneath the bottom of the sea  
The sand is so great, you see  
Many things are hidden down deep in thee

And there comes this man that walks this land  
Upright with boldness, like no other man  
He walked the land from the width, from the length  
He walked and he walked and he walked to see  
What he could find beneath the sand that would look like Me  
He found nothing, nothing, you see  
But he looked high and low  
He walked and walked and walked  
But he could not find what he was looking for  
Under the sand, that looks like Me

I am walking along the seacoast, you see  
Walking to find someone that looks like Me  
Separating the sand from the man  
Looking high and low, to and fro  
Looking down upon thee  
Who will I find close to the sea?  
Who will I find that will understand Me?  
A number that we cannot count when we look at the sand  
But there is one, there is a man that looks for Me  
In the midst of the sand, you see

I come to say to thee, I come to walk with thee  
I am that Man, you see  
That walks the width, the length  
That looks among the sand that is so many  
That will have the same image of Me  
See it is hard to find one that will walk the narrow line  
Are you willing to walk with Me?  
Are you willing to go beneath the sea?  
Can I take you there?  
Where can I find one that looks like Me?  
Where can I find thee?  
Oh how I love to be  
How I love those who come near Me  
But where can I find one, you see?  
Among the great sand, is there any like Me?

I walked through the sand of the land  
Looking for one that I can give an inheritance to  
One that will walk in the same image of Me  
One that will walk and begin to see  
Will you walk with Me?  
Will you walk with Me in the land, in its width and length?  
If you walk with Me, I will give it to thee  
I will give you what is in My heart  
Would you walk with Me?  
Walk with Me  
Build an altar in the land that I have chosen for thee  
Look all around, it belongs to thee

Will they walk with Me?  
Will they walk with Me?  
I will open the gates of heaven for thee  
For those that are willing to walk with Me  
I will shower down blessings all around  
Why, because I have found one that will walk with Me  
That will believe in Me  
I will number them among all of those who stand in the sand  
I look for thee, walk with Me

I am looking now, searching up and down  
Waiting for the one that will say

I will walk with You this very day  
I walk with You and stand and pray  
Will you walk with Me?  
Will you stop to see how much I love thee?  
Can we sit in the sand  
And talk face to face, one to another, like a man  
Will you walk with Me?  
Come and see

Enoch walked with God, will you walk with Me?  
Will you walk with Me by faith  
To see there are places I want to take thee  
Take My hand, let's walk in the sand  
I have found you among many, you see  
Numbers that you cannot even count, before Me  
I found you to be faithful  
Will you walk with Me?  
And they will see that you and I are together  
A bride, one that loves Me  
One that is willing to walk with Me  
I love to walk, you see  
Enoch walked with God and was no more  
Can you come so close to Me  
That you are willing to say and see?

***Genesis 13:14-18***  
***Hebrews 11:5-6***  
***Jeremiah 25:3-7, 10***

**You are not listening to Me**  
**Repent**

## 4-25-17 MARK THIS DAY

Mark this day, the 1<sup>st</sup> day of the 4<sup>th</sup> month in the 59<sup>th</sup> year  
The 1<sup>st</sup> day of the 4<sup>th</sup> month in the 59<sup>th</sup> year  
The 1<sup>st</sup> day of the 4<sup>th</sup> month in the 59<sup>th</sup> year  
The 1<sup>st</sup> day of the 4<sup>th</sup> month in the 59<sup>th</sup> year

Hear Me and hear Me clearly  
Times have changed drastically  
You must rise up and see the season and time has changed  
Times have changed drastically  
You will see as I mark this day  
You will see that the times have changed in every way  
Prepare yourselves this very day  
Prepare yourselves, there is a cutting away  
I am cutting away deep inside of thee  
I am circumcising your heart so you can see  
That covenant must be made with Me  
Covenant, covenant on every side  
Covenant, covenant must abide  
I have called you to covenant, covenant you see  
Blood shed that was just for Me  
Cutting away, circumcision, you see  
There is a season, a time, just for Me

Awaken My daughter, My daughters of Zion  
Awaken, awaken, awaken  
Awaken, awaken, awaken I say  
Do not slumber another day  
Do not slumber in your sleep and say that all is well  
When nothing here can be able to see  
Or even dwell in the place that I have called thee  
I have called thee to dwell  
Nothing is well  
Drastic times have come, have come upon thee  
Drastic times have come, come you see  
Let Me circumcise your heart, just for Me  
Who can I talk to for thee, who will listen?  
When their heart is filled with so much plea, petitions to Me  
Who will I petition this very day?

Who can I talk to and begin to say  
What is on My heart, My Heart, you see  
You are in drastic times  
And there is someone who needs to hear Me  
Hear Me, hear Me, hear Me this day  
Do not slumber, do not lay  
Do not sleep, awaken this day  
I have so much to say

Mark this day and write it down  
Write down what I am about to say  
I am about to tell you what is about to happen this day  
Many things are happening around thee you see  
One here and there, one that comes against Me  
It is an hour and a time that he shall come you see  
The falseness of him is rising up against Me  
Hear Me, hear Me, hear Me this day  
Separation shall come to thee in every way

Mark My words and hear Me clear  
Israel is in trouble, it has come very near  
My daughter has gone through hard times you see  
But nothing is going to be darker  
Than what she can ever see in Me  
I will bring a separation, a separation on her  
I will call her out, I will give her Myrrh  
But today I say, cry out for Israel in every way  
She is in trouble  
And I will cause her to stumble, you see  
But she will not fall down completely

But you, I have chosen My daughters, you see  
To rise up and carry her for Me  
Hear My plea  
I am revealing last days' revelation you see  
I will reveal to you My heart complete  
Rise up My daughters, do not sleep or slumber  
Come close and see  
Make yourself humble  
Come, come, come to Me  
Hear My plea, rise up

There is a separation, you see  
A position that I have called to thee  
To possess you see  
To maintain this position just for Me  
I will give you vision, vision  
Vision that you may be able to see  
Not just in the present, but in the future for Me  
I must reveal this so you can understand  
That I am coming with a great command

There is much going on in Dead Sea  
It is rising, it is rising, it is rising against Me  
There is much going on I say this day  
Why do you sleep and slumber in such a way?  
Why do you not hear and come near to Me?  
Why should I shout so that you may hear Me?  
Why I say this very day?

Shake and tremble and know that I want you to pray  
Pray My daughter of Zion, pray, pray , pray  
Weep and wail and hear Me say  
Trouble has come to your land you see  
But Israel will stumble just for Me  
I will rise up like a warrior, you see  
Conquering, conquering for My Father with His plea  
Now My daughters of Zion, would you stand with Me?  
Would you stand and begin to make My plea?

Hear Me, there are many that are coming against thee  
But I will strengthen you this very day  
And give you the opportunity to pray  
And to pray and to pray and to pray you see  
I did not position you just to slumber and sleep for Me  
Awaken, awaken, awaken this day  
Awaken, awaken and hear my prayer  
My plea, My heart you see

Circumcision requires covenant  
Covenant requires commitment  
Commitment will cause you to cross over  
To possess the land of the heart of a man

Do not be deceived, God is not mocked  
He sees all things, He hears all things  
And He shall bring judgment on those who will not change  
But who will carry My heart this day  
To stand with Me and begin to pray  
Who I say, who will hear My plea and stand with Me?

***Isaiah 62:1-7***

## 4-27-17 CULTIVATE AN ATMOSPHERE

Cultivate the atmosphere  
Bring the generation close and near  
A generation that will only know Me  
A generation that will come and see  
There must be an atmosphere that is holy  
Holy, holy and near  
A generation that will see Me clear  
A generation, a generation, a generation

There are young people who must see true worship  
And it must come from thee  
This worship you see, will draw them close to Me  
And you as intercessors, you cultivate the grounds  
That they not only see  
They will know that I am close, you see  
They will come close to Me  
An atmosphere of worship that is pure, you see  
Holy, holy, holy for Me  
Cultivate the atmosphere with worship that is close to Me  
And this generation WILL SEE  
You will not curse amongst them this day  
They are young and tender in every way  
But they are looking for those who will lead  
Lead them to holiness you see  
Set up an atmosphere that is clear  
That I am holy, holy, holy  
Don't draw them away this day with your carnality  
Let them come and see holiness is in Me

Now worship Me, for Me  
Worship Me for Me, for Me  
Do not worship for thee that you can see  
But worship Me for me  
And holiness will come back into this house  
And they will see how close I am to thee  
Holiness is what I long for  
Holiness is what I need  
Holiness is what He longs for me

## 4-30-17 AN ARMY IS ARISING

There is an army rising, there is an army rising  
Judgment shall surely come, but there is an army rising up  
I have sent you eagles, these eagles are swift  
But His horses are going to be swifter than eagles  
But the eagles in our midst  
We need wisdom for this last day army  
We need wisdom, we need understanding, we need truth  
Are we willing to rise up?  
Are we willing to hear the sound of the army?  
And not be discouraged, not be dismayed

Do you hear the sound? Do you hear the sound?  
An army rising up, an army rising up  
Eagles flying high, eagles in the sky  
There is an army rising up  
There is an army rising up  
Come and see  
Do not fear, I am with thee  
Don't grow weary, arise, arise, arise, arise  
There is an army rising up  
An army that you cannot see  
That army is rising up within Me  
Rise, rise, rise, rise, rise, rise  
Rise, rise, rise, rise, rise, rise  
There is an army that is rising  
Eagles are flying, chariots are riding  
He is on His white horse, you see  
Conquering, conquering for you and me  
There is an army rising up  
There is an army rising up  
Arise, arise, arise, arise  
Speak to that army  
Tell them to stand up and see  
I will return this day  
Arise, arise, arise  
There's an army arising  
Eagles are flying  
An army is arising, they are marching

Do not fear  
They are marching here  
They are marching everywhere  
Arise, arise, arise, arise  
Hear the sound, hear the sound, hear the sound  
There is marching going on

Speak, high and low, prophesy  
There is an army rising up  
Eagles are flying, chariots are riding  
He is conquering, He is conquering  
Arise, arise

Do not fear, I am here, you see  
I will fight your battles if you arise  
Arise, arise, arise, arise, arise, arise

Do not grow weary  
Wait upon Me  
Eagles are flying, chariots are riding  
Jesus is conquering, speak it this day  
Do not get weary, do not get weary  
Do not grow weary, I am with you  
Eagles are flying, chariots are riding  
Jesus is conquering  
Move forward, move forward  
Move forward, move forward

I see the Air Force, I see the Navy SEALs  
I see the Marines, I see the Army  
But it is a heavenly military  
They are all together, each one has a different function  
But they have one King, one Chief, a Commander  
And they are marching, marching  
They are marching, marching  
They are marching, marching

Do not grow weary, I am strengthening you  
You will run and not grow weary  
I am giving power to the weak  
I am increasing your strength  
Mount up wings like eagles

They shall run and not grow weary  
They shall walk and not faint  
Eagles are flying, chariots are riding  
Jesus is coming, Jesus is conquering  
Arise army, arise, arise, arise, arise

March army, March army  
In unity, in humility  
Conquering to conquer

Prophesy to the East, prophesy to the West  
Prophesy to the North, prophesy to the South  
Take this land, make a command, begin to stand  
Prophesy, prophesy  
Jesus is coming  
Tell them to come out, the Father wants to be glorified  
Prophesy, prophesy  
The eagles are flying, the chariots are riding  
Jesus is conquering  
We are marching  
Prophesy, prophesy

Awaken, awaken  
Get up, don't move, go forward  
Get up, don't move, go forward

The eagles are flying, the chariots are riding  
Jesus is conquering  
We are marching, carrying our brethren  
Arise again, arise again, arise again  
Carry your brethren, strengthened their hands

Put your armor on  
Because the enemy has a plan, he has a plot  
And I need you to stand  
I will fight your battles, you just stand  
The eagles are flying, the chariots are riding  
Jesus is conquering  
We are marching, arise

Fly high, fly high, fly high  
Bring My people to Me

## 5-14-17 SEVEN NATIONS

*Vision - Seven tracks and seven trains going up and down the mountain like a roller coaster.*

The seven trains are seven nations  
Seven nations that I have chosen for Myself  
And I have put them on a path  
And there are times and seasons  
That they will go up and up and up

But they will not stay up there  
They will stay up there for a moment  
And then I will bring them down quickly  
And I will let them stay in the valley and disperse them  
And as they are dispersed  
They will go into different paths  
Ultimately they will come back, they will come back

And now My daughter, they are in the valley  
They were in the valley  
And they are being dispersed  
And this is the season and time  
That you must pray for My children  
When I allow them to go down into the valley  
They must understand  
That they must return back unto Me  
Understand how much I have called them  
To stay steadfast for Me  
Call them in, call them in  
They are in the valley, call them in

O Israel, return to the Lord your God  
For you have stumbled because of your iniquity  
Take words with you and return to the Lord  
Say to Him, take away all iniquity  
Receive us graciously  
For we will offer the sacrifices of our lips

In this season everything is about to be dispersed

And it is going to look like everything is out of order  
Israel, I am going to allow you to stumble in this hour

You will see history take place in Me, says God  
We are in a season right now  
That looks like everything is in turmoil  
I have called the seven nations  
To ride with Me on this train, on this track  
I am taking them all into a place

And all seven of these nations are allies  
That I have chosen for Myself, says God  
Seven nations that I have chosen to move forward  
As I take them on the high hills  
And I will bring them down into the valleys  
I will bring them into places with Me

And I will train and equip thee  
But in your valley is where you will understand Me  
And your valley will be your strength  
When everything looks divided  
And everything does not make sense to you  
This is when I am the strongest, you see  
I am standing before thee

I prophesy to you this day  
That I will return in every way  
I'm coming back and I'm coming soon  
Are you watching, are you looking at the moon?  
You will not be able to know My place  
For you look at the moon

That is not where you will see Me  
You will come, and you will come close  
And I will speak to thee  
I will speak to thee face to face  
As a friend, you see  
As I reveal to thee this very day

You pray for My children in every way  
I will cause Israel to stumble and you shall hear

It shall go into the waves  
And it will transition into the waves of many that will hear

But I will restore her and bring her near  
Do not give up on hope oh My children, you see  
I am bringing them back unto Me  
These are the days that you will see  
Sorrow will come to the nation from Me  
Seven nations I give to thee  
We are in the valley of decision  
So make your plea

## 5-16-17 RETURN BACK, OH ISRAEL

Where are you My sons and daughters  
Where are you, where are you, where are you?  
Where are you, where are you, where are you?

Are you laboring between the altar and the porch, this day?  
Israel has walked away  
Is there anyone that will stand and say  
Oh Israel, return back to Him this day  
Return to Him in every way  
Oh Israel, oh Israel, you see  
God has chosen thee  
You are the one that has been chosen, you see  
To carry His name on the earth for Thee

Where are you, where are you, where are you Israel, this day  
We come to stand in the gap for you in every way  
We will bow down before our mighty God this day  
In His name we come to pray  
We come to pray for justice, you see  
Oh Israel, do you not hear Thee  
We come as a wall, as a wall this day  
Honoring the Master God of all in every way  
He is Father God, Father God, you see  
There is no other God's name above Thee  
Do you not hear, have you not heard  
Jesus Christ our Savior, He is the One  
He is the One who has come this very day  
To cry for you to come back in every way

*(Our Prayer)*

*Hear oh Father, hear the prayers of Your sons and daughters.  
We are crying out for a nation, you see. One that was chosen just  
for Thee. You chose this nation, this nation I pray. Oh God we will  
be a wall for Israel this day, a wall that they will cry out that  
they will return, you see. Open their blind eyes so they may see  
Thee. Oh God I pray that You will have mercy, mercy  
Mercy on Israel the nation, you see.*

*You chose them this day, You made a covenant with them in  
every way. You covenanted with Abraham and Isaac and Jacob*

*that day. You made a covenant and You sent Your Son. That Your Son would go to these lost sheep. They rejected Him and they turned their backs. They crucified Him that day. But God I know, and God I pray, You are merciful, merciful this day. Turn Your anger away, oh God, that You may relent. Please, oh God, we come to repent. We come to stand as a bride today asking You to have mercy in every way.*

Blow the trumpets in Zion  
Blow it in the earth  
Pray that Israel will have new birth  
Covenant was made and it was broken that day  
Covenant was broken by man  
I never break covenant, you hear Me this day  
My covenant is sealed in every way  
Why do you cry out to Me?  
Why, do you not see?  
Covenant was broken  
I did not break covenant, you see  
Cry that man's heart might open  
Cry for man's heart to be broken, you see  
Cry that man will return back to Me  
Weep and wail My daughters this day  
Zion I come and I ask you to pray  
That Israel will return from her blindness, you see  
She keeps going deeper into darkness, and away from Me

You cannot pray for Israel with your mind  
You have to pray for Israel by the Spirit  
You have to pray for Israel by the Spirit  
You have to pray for this nation  
The Gentiles can go nowhere  
Without them coming out of their stupor  
You have to pray that their hearts will be open  
That their minds will be open, by the Spirit

*(Our Prayer)*

*Oh God, teach us how to pray for Israel this day. Oh that day when the Holy Spirit came You said man thought we were mad because of what we were saying. Oh God, I pray this very day*

*Man does not understand Your mercy and know how to pray. Oh God, teach us how to pray for Israel this day. Teach us how to come before the throne room and pray. Oh God, pour upon us wisdom, you see. We need to hear You, we need to hear Your heart for thee. Oh Holy Spirit, forgive us gentiles, forgive us, oh God. Where our hearts and our religiosity have stopped You from pouring.*

## 5-21-17 MAKE COVENANT WITH ME

A new day, a new dawn, a new place  
Come close, come close, come close  
You have arrived at a new place, a new dawn  
A new day has come to you in a very special way  
A new day has come, a new day  
Walk in it, walk in it  
My children, you are not in the same place  
I have moved you, I have moved you  
To a new place, a new dawn, a new day  
You will see I have brought you out of the darkness  
And I have brought you close to Me  
You will see, you will see, you will see  
A new day, a new dawn, a new place  
Come close, do not fear, you can come near  
Because I have cleared your guilt, you see  
The sins of your past are washed away in Me  
You say, "How can that be?"

A new day, a new dawn, a new place, a new way  
I have done it for Me  
That you may see that I have been on your journey  
All this time, I never backed away  
I watched you, I even watched you when you strayed  
But because of My love, you see  
I have chosen thee to be with Me  
And I have given you a new day  
The light is shining bright, you see  
It is shining bright upon thee  
Will you walk with Me?  
Will you talk with Me?  
Will you listen to Me?  
Will you come now and make My plea?  
I come to be with thee  
I have positioned you in the right place  
Now I will honor you  
Your prayers will be unto Me  
As a sweet aroma at My feet, you see  
And I will gather them, you see

And I will bring them close unto Me  
And I will put your prayers in My heart

And the promises that I make to thee I will not flee  
But I ask you, "Will you stand with Me?"  
Are you willing to make covenant, you see?  
Covenant that will not be broken  
Covenant that will be spoken  
And I will speak to your heart  
If you speak to My heart  
Covenant will be between the two, you see  
And I will not break My covenant with thee  
Because My covenant with you is strong, you see  
Because I have birthed you from Me  
I established you from the very, very depths of the sea  
I brought you up when you did not know  
I gave you all that is in Me  
And I showed you what you need to know  
And I never left thee

So I come to thee  
And say, "Will you make covenant with Me?"  
I have given you everything you need  
Everything is right here, you see  
You do not have to go outside of Me  
To get everything you need  
You stay right here, you see  
You stay before My Throne Room  
And you make your plea  
And see if I will not give it to thee

I told My son that day he did not have to stray  
I would have given him anything  
If he would had asked Me that day  
Don't receive from that which will come to steal from thee  
Come close to Me and I will show you  
I am Almighty, All Sufficient One

Come to Me, do not flee  
This Throne Room is before thee  
And I, My sons, My daughters, I gave you all authority

But you did not know what I had given thee  
So you backed off and you fled  
Then your enemy began to rule and reign  
And now I am here to tell you  
I have washed away your stain  
Now you return to Me and make covenant with Me  
And you will never flee

I speak to thee face to face  
Oh, you do not see, have I not told you  
That I do not speak to thee in a parable, you see  
I meet you here  
And I speak to you because you are dear  
And I share with you My heart, you see  
And I have given you all of Me  
And now I say to you this day  
I will not walk away  
If you will make covenant with Me this day  
I cannot find them, you see  
They do not make covenant with Me  
They are not where they want to be  
So they go here and there and everywhere  
Because they are like a wave in water, you see  
With no stability  
But I have given it to thee  
I have given it to thee  
But will you make covenant with Me?  
Or should I just leave thee and flee  
Should I walk out your doors this day?  
Should I walk out and I say  
They too do not love Me the way I love thee  
Let's go and find one that will stand with Me

But I come to you with a plea  
And I come and ask of you  
Will you make covenant with Me?  
If you make covenant with Me  
I will make covenant with thee for eternity  
And I will never leave your side  
You will never have to go and hide  
Because I will protect thee

I would give you provision, you see  
I will surround thee with My glory  
Do you believe this, this day?  
Are you willing to take Me in and say  
That you have been chosen as the one  
One that I have called close to Me  
Are you willing to declare Me to those who do not see?  
That I am Almighty  
Will you?

I would not come to thee  
If I did not think your heart was open to Me  
I would not make this plea among thee  
If I did not see the depthness of your heart  
Because you long for Me  
And I see and I know your wrong, you see  
It doesn't stop My love for thee  
My love is great, you see  
Greater than you will ever know that is inside of Me  
So I choose to come and speak to thee  
To share My plea  
Do not back away from Me  
Come to Me, come to Me

I speak to thee not individually  
I speak to you as one man, with one heart  
With one stand, with one love  
I choose you  
Because I know in your heart  
You love Me  
And I chose you as one man, corporately  
And you will love Me  
Because you will know My love is close, you see  
I will not separate Myself from thee  
I will not separate Myself from thee  
Hear My plea, hear My plea  
Make covenant with Me

***Deuteronomy 10:11-17***

## 5-21-17 DANCE OF SWEET ROMANCE

Up and forward, up and forward  
Up and forward, up and forward  
I'm standing you up and I'm moving you forward  
Like a perfect dance of a sweet romance  
Up and forward, come, come, come with Me  
Let Me show you and see a perfect dance  
It is one that will allow Me as you lay  
Do not stay, I will take your hand  
And I will pull you forward to make you stand  
A perfect romance, a perfect dance  
You and Me, can you see a perfect romance and dance?  
Follow Me, follow Me, follow Me, follow Me  
Let Me lead in the dance  
Take My hand

Ah, do you know I love to dance?  
It is a perfect romance, perfect you see  
Because it entwines you and Me  
It causes us to move together, you see  
One standing with the other, close by Me  
Ah, the perfect dance  
It will cause you to prance and be in a sway  
That will cause you to come up from the place that you lay  
No, do not lay, stay

Up and forward, up and forward  
I will draw you close to Me  
And cause you to guide and glide with Me  
You will see that it will be one in unity  
A perfect dance, a perfect romance  
You and I, you and I, do you not see?  
Do you not see Me?  
Stand close to Me  
Come and see what I have inside of Me  
Is the perfect dance and the perfect romance  
Ah, a love affair, would you dare?  
See there are many, you see  
That do not see the romance in Me  
The perfect dance, many do not see

But come to Me, and I will show thee the perfect romance

Lilies lying everywhere, swaying and crying, here and there

They dance and they sing with Me  
They sway in a perfect romance  
And a perfect dance with Me  
The lilies of the field know Me  
Do you know Me like lilies, you see?  
They know how to dance with Me  
Swaying back and forth, you see  
Who will dance with Me?  
Ah the lilies, they are not afraid, you see  
They love Me, they love Me  
Come, come dance with Me

Ah, the beauty of My garden, you see  
It's not like the garden you see here  
My garden is very near, it is alive, you see  
It breathes and it comes back to Me  
There is life in My garden, you see  
The flowers sing to Me, the grass lay  
Ah, they are beautiful like gold and brass  
My grass is living  
Can you see the garden in Me?  
Sweet song of liberty, a sweet song  
Who would dare to come close?  
Who can bear the love? Not most

Ah yes, yes My daughter  
Just like My wrath, you see  
Who can stand against the wrath of Me?  
But the same with My love, you see  
Who can embrace this love in Me?  
Oh My heart is filled with emotions, you see  
Who will stand up and dance with Me?  
Who I say, who will dare to stand up this day  
And begin to say, dance with Me  
I will make you free, dance with Me  
A romance, perfect, you see  
That is inside of Me

One

Back-and-forth  
I shall lift you up and bring you forward  
Who will dance with Me?

Can I find one that loves the sounds that I love?  
Oh, do you not know My garden  
It makes many sounds  
My garden speaks to Me and sings to Me  
My garden lays with Me  
My garden is free, free, free, free, you see  
Oh, if you could sit in My garden, you would say  
How divine and romantic in every way  
Every place and everything you see  
It's all placed in a certain spot just for Me  
The garden is alive  
Will you come and hide in My garden today?  
Will you come, and will you lay?  
I will draw you forward to Me  
That you may know and see  
How much I love thee

Come, can you see the love that swells up in Me?  
Oh, who can I talk to this day?  
Who can listen and say?  
Oh, how much I long to be just you and Me  
I love thee, I love thee, I love thee

***Song of Solomon 5:1***

Now come and drink, come, come dance with Me  
Drink, drink, drink, drink, drink  
Come close, you see

***Song of Solomon 5:2***

Ah, come close to Me  
I have brought you close enough to see Me

***Song of Solomon 5:3***

My beloved, come close to Me

***Song of Solomon 5:4-5***

Oh how beautiful it is to be

***Song of Solomon 6:1-3***

I love the lilies, they know how to dance with Me  
Oh they know how to sway back and forth, you see  
It is a beautiful harmony  
Can I show it to thee?  
Can I show you what is inside of Me?  
Will you come up and hide in Me?  
Will you not abide in Me?  
Oh, how I long to show you Me  
I long to show you all that you can see  
Come up here, close to Me, and I will show thee  
I will give you the bed of spices, you see  
An aroma you have never ever smelled in your nostrils  
It is an aroma that only is in heaven  
And it comes from Me  
An aroma that is beautiful, you see  
The aroma has life in it, you see  
It comes and it fills the air  
It goes here and everywhere  
It goes at My command, you see  
It goes where I tell it to be  
The aroma, it comes up, you see  
And it makes a circle all around Me  
And then the lilies begin to cry  
They begin to sing, and they begin to sigh  
Oh, do you not see My garden is alive in Me

How great, how great, how great it is  
To be with those who want to be with Me  
Oh, the excitement that comes in My heart  
Who, who can I call?  
Who will not depart  
From knowing this beautiful place, you see  
How I have decorated just for thee  
Dance with Me, dance in the garden  
Dance, you see, dance everywhere, dance and be  
My garden is not small, you see  
It is filled, it is large, it is grand  
It is more than you would ever know  
It is better than candy  
You don't see how I love being in My garden

Who will walk with Me in the garden?  
Who will dance with Me, who will prance?  
Who will come back and forth, who I say?  
Who will be with Me this very day?  
I long to walk the freedom of My garden, you see  
Filled with the aroma, just you and Me  
Who will stand and who will stay?  
Who will come, and who will lay?  
How I long for you to be with Me  
I pray, I pray  
Dance with Me, dance with Me  
I have set you free  
I've given you this place and position, you see  
To come very close to Me  
Not everyone can enter this place  
I don't open the gates for everyone, you see  
I am very select in who I bring close to Me

Ah, how beautiful it is  
Oh, the green is greener than any green you have ever seen  
The reds, the yellows, the orange are there  
Oh, you're going to see every color, everywhere  
Alive in singing and dancing, you see  
How I love to bring the garden right here on earth  
Oh, the beauty, the beauty, the beauty, the beauty, you see  
How grand and how great this garden is of Me

***Song of Solomon 6:2-5, 11-13***

Ah, there is a dance, come dance with Me  
Return, come close  
Let Me pull you up and bring you forward  
How beautiful you are to Me

***Song of Solomon 7:11-13***

Oh you must see, come, come, come, come, come  
I have shown you all the beauty of My flowers  
But I want you to see the fruit that is in My garden  
Oh much fruit, oh will I not feed you in My garden?  
I will feed you in My garden, so much fruit  
Oh, it is an abundance, you see  
All manner of fruit is waiting on thee

Come and see, come and see, come and see

Ah the joy that is in My heart  
To know that you will go with Me  
And I can show thee the beauty of My garden, you see  
Not many will sit and go with Me  
Not many will walk, you see  
Not many like for Me to talk, to show thee  
But you have chosen Me

***Song of Solomon 8:6-7***

Come and sit with Me  
Come and sit with Me

***Song of Solomon 8:12-14***

Ah, they are listening  
They are listing to you  
Oh, can you see how beautiful the garden is in Me  
Dance with Me, dance with Me  
Like the lilies of the field that you can see  
I shall give thee feet that will dance with Me  
Feet that will prance with Me  
Feet that will come and be with Me  
I shall give it to thee  
Relax and see that I want to show you My glory

I will rest My head now  
The joy of My heart has sung of the garden  
The garden song I give to thee  
The garden song I sing, you see  
The garden is My secret place  
A place where I get away and be

## 6-17-18 SING THE SONG

Sing, Sing, Sing, Sing, sing, sing  
Sing, Sing, Sing, Sing, sing, sing  
Tell the story, tell the story in the song and sing  
Tell the story, tell the story, tell the story  
Tell the story, it's a song  
One that is of me, you see  
One, one, one that is filled with the atmosphere of a song  
A song, a song, a song that is very long  
Sing the song, sing the song, sing  
Sing the song, sing the song, sing  
Sing the song, it is where I belong  
Tell the story all about me  
Sing the song, the song I say  
Sing the song, the song in a special way  
Sing the song, the song that will be very high  
Sing the song, sing, sing, sing  
Let it be a song, a song inside of thee  
Let it be a song, a song that is filled and long  
Oh sing the song, sing  
Tell the story, tell the story, tell the story  
Sing the song, it is all about me, sing the song  
Sing the song, let the song be a story  
The song will always tell the story  
Tell the story, tell the story  
Let the song tell the story  
Let it be filled with rain  
My eyes can see the song  
My eyes can see the song  
Sing a song, let it be a song from your heart  
  
The song, the song, how beautiful is the song  
How beautiful is the song

## 6-18-17 CRY OF DISTRESS

There is a cry, there is a cry  
A cry of distress this day  
A cry that must come out from this place and say  
There is a pain and a burden that has been placed on you  
There's a pain and a burden that you must carry through  
A distressed cry, a cry, I say, a cry that must come  
You are carrying a burden this day  
A cry, a cry, a cry for Me, a cry, a cry, a cry, you see  
Cry out this very day, trouble has come your way  
Trouble has come down upon thee  
Cry and then you will see  
Cry, cry, cry I say, cry, cry, cry this very day  
Cry, cry, cry to Me  
Distress has come out, you see  
Come, come, come to Me  
Come, come, come and see  
Come, come, come this day  
Come, come cry this way

## 6-20-17 AWAKEN GREAT ARMY

Arise, arise, arise, arise, arise  
Arise, arise, arise, arise, arise  
Arise I say, arise, I say arise  
Arise I say arise, awaken, awaken  
Awaken, awaken a great army  
Awaken I say this day, awaken  
You have been asleep, asleep in every way  
I say to you I will shake the earth  
I will shake everything that is shakable  
And I am going to stand up  
I am going to move mightily in this hour  
So I chose you, My priest you see  
The ones who will stand before Me  
To rise up and call upon Me  
Cry out, cry until you can see My glory  
Call upon My glory, call upon Me  
Call upon Me this very day  
And you shall see My way  
And I shall come like a river  
A river that flows from heaven  
A river that will flow down  
A river that will come and give you crowns  
I lay crowns on this altar, crowns for thee  
Crowns, crowns, crowns of authority

Who will stand at this altar to pray for new birth?  
Every one of you have received a garment of humility  
You have received a crown of authority  
You have received a staff, a staff that stands, fortified  
It speaks, it moves, it is living  
You have received a book  
And in this book are nations, there are names  
I am giving you a book  
And this book is places where I will take you  
I have given you everything you need  
And I will change your shoes this day  
I put shoes on you this day  
And when you walk on this land

You will declare shalom  
Shalom, shalom, shalom  
You will possess the land  
Because you do not come to fight with violence  
You are going to walk in peace  
Because Shalom shall be with you

And Shalom shall give you everything you need  
Walk in Shalom, stand with Me and you will see My glory  
I have brought My glory to thee  
You will not be able to understand and see  
If you do not abide and live with Me  
You will not be able to see My glory

I have chosen thee, you have a choice this day  
To walk with Me or go another way  
Walk with Me, walk with Me in the shoes of peace  
I have given you humility

I have not given you weapons that are carnal, you see  
Weapons that bring violence  
I have given you humility, authority  
A staff that is fortified in Me  
A book that I have chosen for thee  
Take it with thee  
And you will see what I am going to show to thee  
Mighty, mighty, mighty

Declare to My people that I AM has come to deliver them  
I AM who I say I am  
And I AM is Almighty, Almighty, Almighty

## 6-25-17 I AM

I am I am the One  
That will bring forth the chariots and horses  
I am the One that brings the army and the power  
I am the One that will extinguish that which is wicked  
I am, I am the Deliverer  
I am the One they call Jacob  
I am the One that brings back remembrance

From the north, from the south,  
From the east, from the west  
Come forth  
From the north, from the south,  
From the East, from the West  
Come forth

Not by might, not by power, but by My Spirit  
Not by might, not by power, but by My Spirit  
Not by might, not by power, but by My Spirit  
I am, I am, I am, I am  
I am calling you in  
Go tell the people I am  
I am, I am, I am, I am, I am Jesus  
I am Creator  
I am Savior

I am Deliverer  
I am, I am

Call them out of darkness  
Come out, come out, come out  
I am, I am, I am, I am, Jesus

I am the Lord your God  
I am the Holy One of Israel  
I am your Savior  
I am your Redeemer  
I am your King  
I am your Creator  
I am the Mighty One  
This people I have formed for Myself  
That they shall declare My praise

***Isaiah 43:25-26***

Come into the courtrooms of heaven  
You are not guilty  
You are released to go forward  
Because I am has come to abide with you

## 7-9-17 I AM DRAWING A LINE

I will rend the heavens, and I will rend the Earth  
I will shake the mountains  
And I will shake the depths of the seas  
I shall come like a warrior with a sword in My hand  
I will make a dividing line this day  
I will ask of your brothers  
And will they say they cross on My side?  
Whose side are you on this very day?  
Are you on My side or on the enemy's side?  
Because I am drawing a line  
I am drawing a line, and I say this day  
Are you willing to stand with Me and say  
Holy, holy, holy, holy, holy, holy  
Holy, holy, holy, holy, holy, holy

Judgment is coming to the church  
Cry out for your brethren  
I am drawing a line  
I am going to shake the heavens again  
And I am going to shake the earth  
But I am shaking for new birth  
I am crying out, you see  
I will arise, but will you arise with Me?  
Will you stand on My side and stand with Me?  
I tell you I have come to judge My church  
I will judge the hearts of those  
Those who are really, really for Me  
I will stand once again and this Earth will know  
That I will bring new birth to this Earth  
And everyone will know that I am God Almighty  
They will know because I will show Myself, you see  
I will reveal Myself to the chosen ones  
The ones that will stand with Me  
I am going to show them that I am Almighty  
Now I ask you this day, what side are you on?  
What are you willing to say?  
I am drawing a line, you see  
It is right here in this church, this day

I am drawing a line, you see  
And who will stand with Me?  
Who will stand with Me?  
Who will stand with Me?

I declare this to you this very day  
I am drawing a line  
And which one of you will say  
I am crossing over  
I'm going into the place that I may seek His face

Arise with Me this day  
Do not go back the other way  
Give Me your heart, you see  
So you will never depart from Me  
I am laying down My life, you see, for thee  
Because I have come to show you  
The love I have inside of Me

Shine, shine, shine light, shine  
Shine, shine light, shine  
Shine today, show the way  
Shine, shine, shine  
Shine, shine, shine

***Isaiah 64:1-5***

Listen, hear them speak  
Come here right now  
Nigh close to thee  
High close to Me, fly high, high  
Call the Eagles from the sky  
Bring them here and there  
Flying very clear

Speak, speak, speak  
Wisdom comes to seek  
High in the sky going right by

Call the Eagles near  
They will speak very clear  
Giving you wisdom this day  
They come with a great array  
Eagles flying, Eagles flying  
High, high, high  
Call them from the sky  
They are very nigh  
Eagles calling out, here and all about  
Come, come, come close, all come  
Close, come, come, close, come, come

Call the Eagles very close  
They are very obedient, you see  
They come to speak on My behalf  
They come to speak Wisdom  
Eagles from everywhere  
Eagles that come, and they come to share  
The heartbeat of Wisdom is in this house  
Pounding all about  
Hear the voice, I say  
They are coming in a great array  
High, high, high, high in the sky  
Close and very nigh  
Come and hear the Eagles speak  
Wisdom here you seek  
Come hear what they say  
They are coming with a great array  
Fly, fly, fly, fly, fly, fly  
Fly, fly, fly, fly, fly high in the sky

Calling the Eagles forth  
Come, come from the North from the South  
Come, come from the East and the West  
Come revive us this day  
Give us Wisdom in every way  
We cry out to thee

We're coming out to see  
The Eagles flying near  
Calling close and dear  
Come, come, come  
Come, come, come  
Wisdom has come so close  
Close, closer than most  
Hear the voice of him crying in the wilderness  
The voice is crying here and there and everywhere  
The voice is crying, calling out to thee  
The voice is here asking you to see  
High, high, high, high, high, high  
High, high in the sky  
Eagles are flying everywhere  
Eagles here, do not dare  
They are coming close you see  
They are coming close to thee

Hear the voice of the Eagle  
Hear the voice of the Eagle  
Hear the voice of the Eagle  
Speaking with Wisdom  
Letting you know the heart of God  
They're high in the sky  
Walking to and fro  
Coming close to thee  
Waiting for you to see  
High, high, high, flying in the sky  
Here and very near, do not fear  
Speak, voice speak, speak, speak  
Speak, speak, speak, speak, speak

Ah, the revealed Word coming down like a shower  
Like rain, rain, rain, rain, rain, rain, rain, rain  
Wisdom is speaking, you can be seeking  
Rain is coming and Wisdom is there, everywhere  
Eagles are flying, high in the sky  
Eagles are coming, very high  
Wisdom is calling, crying, crying  
Wisdom is calling, flying, flying high in the sky  
Eagles are flying, call them close, close to most

Rain, rain, rain, rain, rain, rain, rain, rain  
Rain, rain, rain, rain, rain, rain, rain, rain  
Wisdom is raining, just ask for Wisdom  
I will give you freely  
Wisdom is in this house  
If you ask for Wisdom  
The Eagles are here, they are everywhere  
They are here to speak Wisdom, Wisdom  
Wisdom, Wisdom, Wisdom, Wisdom  
High, high, high, high in the sky

How much better to get Wisdom than gold  
To get understanding to be chosen, rather and silver  
How much better is it to get Wisdom than gold  
If anyone asks for Wisdom, I will give it liberally

The old wise that have flown high, high in the sky  
He sees all things, his eyes can see from afar  
High, high, high  
He is able to penetrate and look at his prey from afar  
High, high, high, he is able to fly high in the sky  
He is close and very nigh  
We cry out to Thee  
Open up the sea that we may go in  
Wash us from our sin  
Give us wisdom this day so we can be wise in every way  
High, high, high, high in the sky  
Teach us Your way, show us what to say  
High, high, high, high in the sky  
None like Thee, none like Thee, none like Thee

***Proverbs 15-33- 16:4, 14, 21***  
***Isaiah 40:31***

## 8-27-17 MOUNTAINS OF HEBRON

The mountains of Hebron are a safe place  
A place where I have chosen  
A place where kings are established  
A place where great kings went down  
And great kings rose up  
A place where covenant was established

Hebron is a special place and position that is chosen  
For those who have a different spirit  
That will inherit and take their mountains  
Covenant is made there  
Kings are established  
Kings rule and they reign  
They are put in position to rule a king  
The kings of kings, the kings of glory has been established

I am taking you into a place and a position  
Where you will rule and reign  
You will be established in My Kingdom  
You will inherit the mountains  
And you will stay close, very close to Me  
I have made you kings and priests  
I have given you authority  
I have given you My heart  
I will establish you  
And My kingdom shall reign  
And you shall rule and reign with Me  
King of Kings, Lord of Lords of all glory

*Hebron means friendship*

## 8-27-17 RAIN AND FIRE

I look down the mountain tops upon thee  
Power, power and glory, you see  
Glory and power all at once will be thee  
I shall do this in time, you see  
You shall see the judgment of My heart  
That will come upon thee  
They will flee, flee, flee, flee  
They will run, run, run, run  
They will not know how to go  
Or where to do and what to show  
Because I shall come like lightning, you see  
Rain and fire and thunder in Me

That is how I shall come in this day  
I shall come with a great, great array  
Fire will come from heaven, you see  
Who will be able to stand before Me?  
Who will be able to know Me, as Me?  
They do not know Me, you see  
They do not run from Me, they do not flee  
They have no fear inside of them, you see  
But there will be a time that fear will come upon the earth  
And then I will bring, I will bring a new birth  
There will be a time that thunder shall come  
Much, much, much shall rumble from the heavens, you see  
And all will stand and they will make a plea  
All will know without doubt it is Me  
I shall rain fire and water all at once, you see  
And who will be able to stand against Me?  
Who I say, this very day?  
Who will be willing to stand and pray?  
Who will take Me seriously, you see?  
But see right now, none  
Do not flee

Because they have not seen Me  
I will show you Me  
I shall come like thunder, like lightning

Like water, like fire, like wind  
That will come and make a great spin  
It will spin and it will spin and spin, you see  
One that will come and tear away all that is in front of Me  
Oh, you have never seen Me this way  
You have ever seen Me in this great array  
You have never seen Me come to you in any of your day  
But I tell you this day, mark it again, you see  
You will know that I have come against thee  
The land shall be departed, you see  
Separated, separated, separated in Me  
I shall separate this land, you see  
I shall divide it like the North and the South  
I shall divide it among Me  
Civil war shall break out in this day  
Everything, everything will be in a great array

Hear Me, hear Me, hear Me My children, I pray  
Hear Me, hear Me, hear Me this very day  
I shall come with thunder and lightning, you see  
I shall come with rain and fire upon thee  
A day, a day that not many are ready to see  
But I will prepare you for such a place in thee  
I will prepare you and I will give you everything you need  
But I must talk to you as children so you can understand Me  
You must understand what I am saying this day  
Prepare, prepare, prepare  
I am giving you time to get ready, you see  
Ready for a day that mankind is not able to see  
But you will be ready if you come to Me  
Allow Me to go deep inside of thee  
Allow Me to go deep, deep, deep, deep, deep, deep, deep  
Deep inside of thee

I will make you one with Me  
And I will give you My eyes, you see  
And I will give you My feet, you see  
And I will give you My hands, you see  
And I will give you My ears, you see  
And I will even give you the wisdom from My very heart  
If you will stand with Me and hear Me

Hear Me this very day  
Hear Me in a great array  
I shall come, you see  
Don't doubt Me, I will come  
And many will flee  
But you will not flee, you see  
Because you will be in a mountain, and a position in Me  
I will exalt you high, high in the sky  
I will allow you to see what is going to pass by

I come to visit you, visit you this day  
Mark this day what I have to say  
Because this shall surely happen as I speak to thee  
I am giving you insight that many cannot see  
A great, great, great day is coming, you see  
Coming, coming, coming quickly upon thee  
Suddenly it shall happen, and what would you say?  
No one told me about this day  
Oh yes, yes, yes, yes I have, you see  
You will know that I have spoken to thee

Mark this day down, I say again  
Because I am coming against mankind and his sin  
And when I come I shall shake them, you see  
I shall shake everything, everything around thee  
Open up your eyes, open and see  
I am preparing you for what is about to happen in Me  
It will come from Me, the rain and the fire  
The rain and the fire will come all at once, you see  
Lightning and thunder are all inside of Me

Do you not remember what I spoke to you that day  
On Mount Sinai they could not receive Me in any way  
They could not see My heart, you see  
They could not see the rumble in Me  
They could not see My passion and love, you see  
They could not understand who I was that day  
You must pray  
I shall come like thunder and lightning  
And you will call it doomsday  
And I will call it the beginning that I came

And say these things surely happen this way

My children, rise up, rise up and see  
That I have chosen you to sit with Me  
I have chosen you for covenant, covenant this day  
So that you can stand with Me and begin to pray  
Your brethren are in trouble, you see  
Now I am coming close to thee  
That you may understand My command  
And you will begin to pray and make a demand  
Make a decree, do not flee  
Stand with Me, stand with Me  
Stand with Me, stand with Me, do not flee  
Let Me shake thee, let Me settle thee  
I shall settle thee in every way  
Pray, pray, pray, pray this very day, pray

Look upon your children and say  
Speak to them and let them know this day  
That I have come, come for thee  
And I will come and they will see  
They will see the greatness in Me  
If you will tell them who I am, who I am  
Tell them who I am  
And you will see them rise up in Me  
Tell them from the smallest, to the smallest you see  
From even the child  
That is in the womb of a mother that cannot see  
I shall open eyes, you see  
This generation is different than thee  
I will give them insight, you see  
They will do miracles, beyond thee  
They will see beyond thee  
They will have gifts that you have never seen before  
They will understand the threshing floor  
They will know who I am, you see  
I will come different inside of thee

Tell them about Me  
Tell them, tell them about Me  
A day is coming, a day you will not be able to flee

So mark these words and hear Me  
I am coming back, you see  
With fire and rain that is inside of Me  
And I shall do it very quickly  
So get ready, get ready, get ready for Me  
Do not hesitate and do not see  
Do not wait to put it off another day  
What I have called you to do, I need you to do today  
Don't say I am going to do it tomorrow, you see  
Tomorrow will be too late, do it today in Me  
I warn you when I speak don't wait and say  
I'm going to do it next year, I'm going to do it this day  
Say yes to Me and you will see  
That I will perform miracles in front of thee  
Say yes to Me now, do not wait  
I come in a great unite  
I speak for today, tomorrow has enough it has to say  
Speak today, let it be in the day  
If you speak and you say  
I will back you in every way  
Speak today so they will hear Me  
I want them to hear Me, to hear Me

So I come talk to you face-to-face, you see  
Don't devalue this visitation from Me  
I am giving you warning, warning you see  
There will be it day that is so great  
So great, beyond thee  
Rain and fire shall come, you see  
It will come, come suddenly  
But you will be ready, if you listen to Me

Prepare yourselves, I will speak to thee  
I will come, you see, and I will show thee  
Every day will be a new day in Me  
Every day I shall give thee  
Every day, every day  
Don't look in tomorrow, don't look into yesterday  
I need you to look into this very day  
Today is today, today is today, today is today  
There is no other way, there is no other way

Rain and fire are coming to the Earth  
Rain and fire will bring new birth  
A new day has begun  
Mark this day, I have begun to move in a very special way  
Get ready, get ready, get your children together  
Show them the season, let them see the weather  
A new thing I do this very day  
And I will inform those who will listen and begin to pray  
I walk with thee very closely, you see  
Don't take Me for granted, don't ignore Me  
I am who I say I am, I am  
And I will deliver My people, I am, I am

Pray, pray for your brethren that their eyes will see  
Don't let them be lost when I come to visit thee  
Pray, pray, pray for your brethren  
Pray this very day  
I have not forgotten them  
I love them the same way  
I love them just as I love thee  
Do not leave your brethren and do not flee  
Go, go, go take their hands this very day  
And understand that you must pray  
Cry out I say, cry out to Thee  
Cry out for your brethren that they may be saved in Me  
Cry out, cry out, cry out this day  
Do not leave Ephraim in the same way  
Cry out, cry out, cry out you see  
Cry out for Damascus and understand Me  
Cry out, cry out, cry out this day  
Call them to the New Jerusalem so they can pray  
Call them I say, call them out this day  
Call your brethren out to pray  
Let them know that I am here, and what I say

Tell them, tell them  
Do not leave them there, you see  
I will make you responsible in Me  
Cry out for your brethren, your brethren this day  
They have fallen, fallen away

They have gone astray  
And My judgment will come, will come that day  
And who will be able to stand in front of Me and say

Who is your brother, who is your brother?  
Who is your brother, who is your brother?  
Who is your brother, who is your brother?

Now go, go and flee  
Go and tell them what I say this day  
Go, go, go and begin to pray  
Tell them what I said to thee  
Tell them what I told you in Me  
Now go

It is like a lost child in a basket  
The basket has been set somewhere in front of a door

It is all by itself  
Go pick up the child, nurture it, encourage it  
Feed it, teach it, and this baby will grow  
This baby will grow  
That is your brethren  
Your brethren are in a basket, lost you see  
A basket, a basket like thee  
Your brethren are lost, and I come to thee  
My judgment is coming and they will not be able to flee

If you love Me, feed My sheep, tend to My lambs  
Do you love Me more than these?  
Do you love Me to be willing to tell the truth?  
Do you love Me to be willing  
To be rejected for My Name's sake?  
Do you love Me to be a martyr like Stephen?  
Do you love Me?  
Do you love Me that you willing  
To give up everything for Me?  
Do you love Me, do you love Me?

Mark this day for My Glory  
And remember what I had to say

## 9-3-17 COME DEEP IN MY HEART

Can I show you this love? Can I?  
Will you let Me show you this love?  
I want to show you My heart  
A heart that will not depart  
A heart that is filled with the love, you see  
A heart that comes that you may know Me  
Will you let Me speak to thee?  
Can I speak to thee about My heart, you see?  
I come so I can lay with thee  
I want you to know Me  
Will you not know Me and come close to Me?  
These are the times that I can see  
And I can say what is inside of Me  
Will you not see what is inside of Me  
And I go inside of thee?  
Will you not embrace My love, you see?  
Who will lay down with Me?  
Who will be close to My heart?  
As My heart beat, you see  
My heart will beat and beat, and pound and pound  
Who will hear the glory of My sound?  
The sound that comes from My heart, you see  
I release a sound straight unto thee  
Who, who will come to Me?  
Who will let Me speak inside of thee?  
A love, a love, a love that comes directly from above  
Like a river that flows, like a stream that goes  
Like an ocean that roars  
Who will allow Me to come inside of thee  
And let Me pour My love upon thee?

Who will let Me, who will let Me?  
I want to show you My love  
Open your heart and see  
See that I want to go inside of thee  
Open wide, open wide, open wide  
Let Me hide inside of thee  
Let Me go deep, deep, you see

Deep, deep, deep like the ocean and the ocean bed  
I will go so deep, I will go so deep  
Do not dread what I want to do inside of thee  
Do not fear, understand I am drawing you near  
I want you to hear Me so clear  
Who will come, who will be  
Who will be the one that will let Me go inside of thee?  
I love thee, how can you not want be so close?

I am calling upon thee  
This love, you see  
It grows and it grows and it grows and it grows  
It grows and it grows and it grows and it grows  
Who knows where this love will go  
Because you have opened your heart, you see  
And you have come to know Me  
Know Me, know Me, know Me, know Me  
No, no, no one else you see  
No one loves Me like thee

Who, who, who will let Me?  
Who will let Me go inside of thee?  
Do not flee, come in and see  
How dear you are to Me  
Who, who will let Me?  
Who will answer Me?  
Who will say yes to Me?

Can I show you this love?  
Can I, can I show you this love  
That flows like a river from above  
That moves like a stream, like a dove  
Who?  
Receive Me, and I will receive thee  
Receive Me, and I will receive thee  
Receive Me, and I will receive thee  
Flow, river flow, flow, don't let go  
Just flow, flow  
This is how My love goes  
Flow, this is how my love goes, like a river  
It will go in your heart, it will flow

This how the river goes  
Flow, flow  
Receive Me, come near Me  
Embrace Me, come inside of Me  
Flow, flow, flow, flow, flow  
This is how the river goes, flow  
There is love that is in the river you would know  
Flow, flow, who can I show this love to?

Go deep, open wide, open wide  
Open wide, open wide  
Let Me hide inside of thee  
Don't run from Me  
Let Me hide, I need a hiding place  
Skin upon skin  
It seems so very thin  
But your skin, it covers Me  
It is a love that hovers over Me

Flow, flow, flow, that is how the river goes  
Flow, love goes deep, love goes deep  
How, how deep, how high in the sky, how wide  
This is the love, you see  
A love that wants to be close to Me  
Wide, high, low, this is how the river flows  
This is how the river goes  
Receive My love  
Who can I show this love to?  
Who, who will embrace Me?  
Who will walk through?

Wide, that is how wide My love is  
Let Me hide, skin on top of skin  
I am taking away all your sin  
I am bringing you close to Me  
I want you to see inside of Me  
Hide, deep calls unto deep  
The depth of My love calls unto the depths of your love  
Deep calls unto deep  
Deep calls unto deep  
Deep calls unto deep

Who can I show this love to?  
I walk the earth and I look  
And I said, where can I find Me new birth?  
Where can I find that which will love Me?  
Where can I find it, is it in the depths of the sea?  
Who will love Me for Me?  
Who will open their heart  
So they can see what is inside of Me  
What is inside of Me  
Deep calls unto deep  
The ocean waves, you see  
Do not fear, I am only bringing you near  
I am letting you see what is inside of Me  
Deep calls unto deep, deep calls unto deep  
Let the ocean flow, let the river ride  
Then I can hide deep inside of thee  
Deep inside of thee

Who can I find that will love Me?  
Who, who can I find that will lay with Me?  
And they will say it is He, it is He calling me  
I will say yes, yes to thee  
Ask Me anything and I will give to thee  
Because you have chosen Me  
You have chosen Me, you have chosen Me  
You have chosen Me, you have chosen Me  
Deep calls to deep, deep calls to deep  
Deep calls to deep, deep calls to deep  
Come and flow with Me

Open wide, let Me come and hide inside of thee  
Let Me set you free  
Do you want Me?  
I want to be with thee  
I love thee  
Oh, oh, oh I love thee  
Oh, oh, oh I love thee  
Oh, oh, oh I love thee  
Deep calls to deep, deep calls to deep  
Deep calls to deep

Open wide, open wide  
I come to hide inside of thee  
Do not flee, come to Me

Deep calls to deep, deep calls to deep  
Deep calls to deep  
Who will answer Me?  
Deep calls to deep  
Who will respond to Me?  
Deep calls to deep  
Who can I show this love to, you see?  
Deep calls to deep  
My heart aches inside of Me  
Longing, longing to be with My people, you see  
But will they answer Me?  
How much I long to be with thee  
Show Me, show Me your heart  
Show Me your heart  
Deep calls to deep, deep calls to deep  
Show Me, show Me your heart  
Open wide, who is likened unto thee

We come to worship Thee  
Deep calls to deep, deep calls to deep  
Deep calls to deep  
No one, no one, no one can call on Me  
To love Me, to set Me free, I am responding to thee  
Call on Me, call Me, call Me, call Me, call Me  
Deep calls to deep, deep calls to deep  
This is a love affair  
Who, who  
Would you dare come to Me?  
Come to Me, come, come, come to Me  
Come to Me, open your heart, come to Me  
Come to Me, come to Me  
Deep calls to deep  
Like the waterfalls the come down  
Like a rushing sea  
Come to Me, don't stop, don't stop  
Come to Me, don't stop, don't stop  
Come to Me, there is a waterfall that is rushing

Press, press, press, press, press  
Shower, shower for this hour  
Receive Me, do not flee, come to Me  
Deep calls unto deep

Deep calls to deep, who can I show this love to?  
Who, who will see what I see?  
Deep calls to deep, who do I see?  
Who will follow Me, who, who?  
Who will let Me, who I say?  
Who this very day?  
Come to Me  
Deep, deep, deep, deep, deep, deep

There is a place inside of Me  
That many people do not see  
There is a place inside of Me  
Not many will come to this place, you see  
There's a place in Me that is inside of Me  
Come and see, do not flee  
Deep calls to deep, deep calls to deep  
Deep calls to deep, deep calls to deep

As you keep going deeper you will feel the pressure  
Do not stop going  
I am calling you to this place  
It is like a hidden treasure  
It is inside of Me, but it is deep  
Who will follow Me?

## 9-7-17 PREPARE FOR THE SHAKENING

Go deep, deep, deep, deep, deep, deep  
Go deep, deep, deep, deep, deep, deep  
Go so deep

I have dug a well you see a tunnel full of water in Me  
It will come through every corner and every territory  
I want you to know that it is Me  
I am going deeper, and deeper  
Deeper and deeper, deeper and deeper  
So that you will understand what I am doing in this time  
This season has changed you see  
I am preparing the earth  
And all the mountains and the sea to bow down to Me  
I am preparing the Ark, I tell you this day  
I am putting everything together for Me in every way  
I am moving mountains and seas, I am moving all the trees  
Everything that has life, you see  
Is going to move, going to move in Me  
It is going to move, it is going to move  
It is going to move, I say  
Now I need you to make the way  
I need you to see what I am doing in this hour  
I shall bring upon this darkness a very great power  
A power that is filled with light, you see  
A power that will come down upon thee  
Prepare I say this very day, prepare the oceans in every way  
Prepare, prepare the mountains, I say  
Prepare the land and let them begin to say  
He shall come, mighty, you see  
Changing the Earth, the New Jerusalem in Me  
I shall change all things you will never see  
You have never seen what I am about to do upon thee  
I say, prepare the hearts of My people this day  
Blow the trumpet and begin to say  
The earth is shaking, and He is shaking it now  
It is all God Almighty, that is very renown

I need you to see this very day  
I am changing the Earth and the patterns in every way  
I am changing everything you see

Everything is going to shake, including thee  
Everything I tell you, I tell you this day  
It will all be spontaneous, and all in one way  
It won't be here and there and everywhere  
It's going to be, you see  
Its's going to be a shakening that you have never seen in thee  
The Earth shall shake and shift you see  
All of the mountains will bow down to Me  
Greatness shall come, shall come this very day  
Greatness I say in a very special way

Prepare, prepare, prepare, I shall come upon the land  
The day that I came to Mt. Sinai, it was Me  
I shook the Earth and I shook the land  
You have never seen something so great and grand  
This that I am about to do in this hour, you see  
A season and time that has never been seen by man in Me  
But I prepare My remnant you see  
I am telling you what is going to happen to thee  
Prepare I say, prepare this day  
Begin to move in a special way  
Begin to hear and know what I am saying  
Because I am coming and I am swaying  
Everything shall shake and you shall be stable, you see  
Prepare and stabilize yourself in Me

The rivers are changing, the seas are remaining  
Into a place that will go so deep, so deep inside of Me  
Hear Me, hear Me, hear Me My little children  
I am blowing the trumpet to thee  
I am telling you what is about to happen in Me  
How do you prepare, how do you prepare?  
Begin to prepare the hearts of My people, you see  
Let them know that I am about to shake the earth & the sea  
Let them understand how much I love thee  
Let them know they must not reject Me  
Because I have given them eternity  
And I shall give it to them, you see  
And I shall bring them up so they may know Me  
But I have called thee to stand in Zion, you see  
Do not lose our position, your position in Me

Begin to cry out in Zion this day  
Let the spirit realm know what I had to say  
Begin to speak with a strong command  
Let them know the Spirit, there is no man  
There is only one God, one God, you see  
And that God of Heaven has come down to thee  
So we prophesy this day and declare on this earth  
We know He is all and He will bring New Birth  
We declare this day that there is none other, you can say  
You cannot speak above that One that is on My team, you see  
He is great and grand in thee

Rise up, rise up, rise up army  
Army, oh army, I call you this day  
Army, oh army, you better come up  
And stand and do not sway  
I called the priests, the priests from every corner, you see  
The priests must understand what is inside of My heart  
I called the priests, I called them this day  
Come out, come out in every way  
The prophets will stand and speak and say  
And they will demand what I have to say  
Oh see what I am doing in this hour, you see  
I am putting My foot down upon the Earth  
And when My foot, you see, comes upon the Earth  
Everything will shake inside of Me  
Call them out, call the priests, call the prophets you see  
Call to all of the army to come to Me  
Call them I say this very day  
I am calling them to come and position in a special way

Open the doors, open them wide  
Fling them open, open wide, wide, wide  
Let My people no longer hide  
Let them know I am crying to thee  
Let them know the trumpet is blowing, a sound you see  
A sound, a sound that will awaken thee  
Awaken My people, awaken this day  
Awaken, awaken, in every way  
Let Zion cry out again from her position, I pray  
Let her not go to sleep in any way

Let her not be distracted, distracted you see  
Awaken your daughters so she can cry out to Me

Arise oh church, arise this day  
Arise I say and begin to say  
Israel is in trouble, I want you to know  
God is looking for Zion to stand up and show  
That she is who she has been called to be  
She has been called to be one  
That is beautiful and stands before Me

Shake and shake and shake you see  
Shake until we all come back to thee

## 9-9-17 DEEP CALLS TO DEEP

Can I show you this love, says God  
Can I? Will you let Me show you this love?  
I want to show you My heart, says God  
A heart that will not depart  
A heart that is filled with love  
A heart that comes so you may know Me  
Will you let Me speak to thee?  
Can I speak to thee about My heart, you see?  
I come so I can lay with thee, I want you to know Me  
Will you not know Me and come close to Me?

These are the times that I can see  
And I can say what is inside of Me  
Will you not see what is inside of Me, and I go inside of thee?  
Will you not embrace My love, you see?  
Who will lay down with Me?  
Who will be close to My heart as My heart beats  
My heart will beat and beat and pound  
Who will hear the glory of My sound?  
The sound that comes from My heart, you see  
I release a sound straight unto thee

Who, who will come to Me?  
Who will let Me speak inside of thee?  
A love, a love, a love that comes directly from above  
Like a river that flows, like a stream that goes  
Like an ocean that roars  
Who will allow Me to come inside of thee  
And let Me pour My love upon thee?  
Who will let Me, who will let Me?  
I want to show you My love  
Open your heart and see, see that I want to go inside of thee  
Open wide, open wide, open wide  
Let me hide inside of thee, let Me go deep, deep, you see  
Deep, deep, deep like the ocean, the ocean bed  
I will go so deep, I will go so deep  
Do not dread what I want to do inside of thee  
Do not fear, understand I am drawing you near

I want you to hear Me so clear  
Who will come, who will be  
Who will be the one that will let Me go inside of thee?  
I love thee, how can you not be so close to Me?  
I am calling upon thee  
This love, you see, it grows and it grows  
It grows and it grows, and it grows, and it grows  
It grows, and it grows, and it grows, and it grows  
Who knows where this love will go  
Because you have opened your heart you see  
And you have come to know Me, know Me, know Me  
No one else you see, no one loves Me like thee  
Who, who will let Me, who will let Me go inside of thee?

Do not flee, come in and see how dear you are to Me  
Who, who will let Me  
Who will answer Me, who will say yes to Me?  
Can I show you this love?  
Can I, can I show you this love  
That flows like a river from above?  
That moves like a stream, like a dove  
Who, receive Me and I will receive thee  
Receive Me and I will receive thee  
Receive Me and I will receive thee  
Flow, river flow, flow  
Don't let go, just flow, flow  
This is how My love goes, flow, flow  
This is how my love flows, flow like a river  
It will go in your heart, it will flow  
This is how the river goes, flow, flow  
Receive Me, come near Me, embrace Me, come inside of Me  
Flow, flow, flow, flow, flow  
This is how the river goes, flow  
There is love in the river you will know, flow, flow  
Who can I show this love to?  
Flow, go deep, flow open wide  
Open wide, open wide, open wide

Let Me hide inside of thee, do not run from Me  
Let Me hide, I need a hiding place  
Skin upon skin, it seems so very thin

But your skin, it covers Me  
It is a love that hovers over Me  
Flow, flow, flow, that is how the river goes  
Flow, love goes deep, love goes deep  
How deep, how high in sky, how wide  
This is the love, you see, love that wants to be close to Me  
Wide, high, low, this is how the river flows  
This is how the river goes

Receive My love, who can I show this love to  
Who, who, who will embrace Me, who will walk it through  
Wide, that is how wide my love is  
Let me hide, skin on top of skin  
I am taking away all your sin  
I am bringing you close to Me  
I want you to see inside of Me  
Hide, deep calls unto deep  
The depth of My love calls onto the depth of your love  
Deep calls unto deep, deep calls unto deep,  
Deep calls unto deep

Who can I show this love to, you see?  
I walk the earth and I look  
And I say where can I find Me new birth?  
Where can I find that which will love Me?  
Where can I find it, is it in the depth of the sea?  
Who will love Me for Me, for Me, for Me?  
Who will open their heart  
So they may see what is inside of Me?  
What is inside of Me, what is inside of Me

Deep calls unto deep, the ocean waves, you see  
Do not fear, I am only bringing you near  
I am letting you see what is inside of Me  
Deep calls unto deep, deep calls unto deep  
Let the ocean flow, let the river ride  
Then I can hide, deep, deep inside of thee  
Who can I find that will love Me?  
Who, who may I find that will lay with Me?  
And they will say, it is He, it is He calling me  
I will say yes, yes to thee

Ask Me anything and I will give it unto thee  
Because you have chosen Me, you have chosen Me  
You have chosen Me, you have chosen Me  
You have chosen Me  
Deep calls unto deep, deep calls to deep, deep calls to deep  
Deep calls to deep, come and flow with Me

Open wide, let Me come and hide inside of thee  
Let Me set you free, do you want Me?  
I want to be with thee, I love thee  
Oh, oh, oh, I love thee  
Oh, oh, oh, I love thee  
Oh, oh, oh, I love thee  
I love thee  
Oh, oh, oh, I love thee  
Oh, oh, oh, I love thee  
Oh, oh, oh, I love thee  
I love thee

Deep calls to deep, deep calls to deep  
Deep calls to deep, open wide  
Open wide, I come to hide inside of thee  
Do not flee, come to Me  
Deep calls to deep, deep calls to deep  
Deep calls to deep, who will answer Me?  
Deep calls to deep, who will respond to Me?  
Deep calls to deep, who can I show this love to, you see?  
Deep calls to deep, My heart aches inside of Me

Longing, longing, longing to be with My people, you see  
But, will they answer Me?  
How much I long to be with thee  
Show Me, show Me your heart  
Show Me your heart  
Deep calls to deep, deep calls to deep  
Show Me, show Me our heart  
Open wide, who is likened unto thee  
We come to worship thee  
Oh, deep calls to deep, deep calls to deep  
Deep calls to deep, no one, no one  
No one can call on Me, to love Me, to set Me free  
I am responding to thee, call on Me

Call Me, call Me, call me, call Me  
Deep calls to deep, deep calls to deep  
This is a love affair, who, who  
Will you dare come to Me?  
Come to Me, come, come, come, come  
Come to Me, it is like a secret room  
Come to me, open your heart, come to Me  
Come to Me, come to Me, deep calls to deep  
Like the waterfalls that come down like a rushing sea  
Come to Me, don't stop, don't stop  
Come to Me, don't stop, don't stop  
Come to Me, there is a waterfall that is rushing  
Press, press, press, press, press, press  
Shower, shower for this hour  
Receive Me, do not flee, come to Me  
Deep calls unto deep

Deep calls to deep, who can I show this love to?  
Who, who will see what I see? See what He sees?  
Deep calls to deep, who do I seek?  
Who will follow Me? Who, who, who, who  
Who will let me, who I say this very day  
Come to Me, deep, deep, deep, deep, deep, deep, deep  
There is a place inside of Me that many people do not see  
There is a place inside of Me  
Not many will come to this place, you see  
There is a place in Me that is inside of Me, come and see  
Do not flee, deep calls to deep  
Deep calls to deep, deep calls to deep

Don't stop going, I am calling you to this place  
It is like a hidden treasure, it is inside of Me, but it is deep  
Who will follow Me?  
Deep calls to deep

## 9-10-17 SETTING A STAGE

Hear Me My sons and daughters, and hear Me clearly

I am setting a stage, a stage you see

One that I am setting before thee

Grand, so grand, it is huge you see

A great large stage that I am setting up for Me

The stage is high, high, high to the sky

Its width is wide, wide, wide I say

It extends by and by

I am setting up a stage

And I am setting it before the heavenlies

Preparing, getting ready, you see

For that which I have for thee

Gates I have opened and shut, you see

Turning things around just for Me

Do you not see, do you not see?

I am setting a stage just for Me

Who will beckon and who will see?

Who will come close, come close to Me?

Thunder and lightning they will see

Massive, massive part of Me

Who I say will be able to stand in that day?

Who will see My greatness, you see?

One that is filled, filled with Me

Who will be able to stand and make a great command?

Who I say this very day

Who, who, who, who will come and come this way?

Who will walk the path with Me?

Who, who, who will say and who will be?

I tell you this day, this very day

I am making a stage that is grand before Me

All of heaven, heaven can see

Oh yes, oh yes, oh yes, look at Me

I will allow you to even see

What I am doing right now, you see

I will allow you to see

To come deep inside of Me

You will know what I am thinking, you see  
Why? Because we are one together, we are one in Me  
I am looking for those who will make Me, Me

Abide and hide inside of Me  
I will be your refuge, your place of safety, you see  
If you will remain inside of Me  
And I remain inside of thee  
I will show you what is happening inside of Me

But who I say this very day  
Who will walk the path with Me in this way?  
That will come and sit, and sit with Me  
And I will talk and tell thee  
Who, who, who I say  
Who, who this very day will sit with Me  
And allow Me to speak inside of thee?  
I have looked all through the earth  
I walk in and out  
You know I bring new birth  
But do you not see Me this day  
Do you not see what I am doing in every way?  
I have stopped and I have gone  
I have gone here and there and everywhere  
Looking for someone that would not dare  
That would come close to Me and walk on this path, you see  
Who, who, who I say, who will walk with Me this very day?  
Can I come to thee right now?  
Can I tell thee what is inside of Me?  
Will you listen, will you listen, will you listen and see?  
Have I not chosen you to be with Me?  
I have come you see, now I visit thee  
I come to tell you what is in the deep  
And the depthness of the sea

But who will I be able to find  
Who will sit and will they dine?  
Will they dine with Me?  
Where can I find one that would be?  
Oh, how I love thee  
I love thee, but will you stand with Me?

Will you stand with Me, walk with Me on this path, you see?  
One that I have chosen, just for thee

I will not flee from thee because you are so close to Me  
You are close to Me  
Do you not see, I will never forsake thee  
Will you not see My love that goes so deep?  
I will come and I will bring you into this place with Me  
You are Mine and I am yours  
And I have come to you  
Who will take Me seriously this day?  
Who will allow Me to say  
How much I love thee in this way?  
Who, I cry out to you?

*Greatly to be praised  
Greatly to be praised  
Greatly to be praised*

Who will walk with Me?  
To you it is a lonely road, you see  
But is not lonely because I am with thee  
It's not lonely, you see  
I am with thee  
I will never leave thee nor forsake thee  
I will never flee  
I only am looking for company  
I am looking for one that will walk with Me  
And they will say, here I am  
And I will say, here I am  
And they will know that My Father sent Me  
Because they will understand the depthness  
That is inside of Me  
I will reveal Myself, I will reveal Myself to thee  
I will show you the hidden mystery  
Who can I speak and they will listen to Me?  
Ah, where do I find one that understands?

*He is great, and greatly to be praised  
He is great, and greatly to be praised*

Ah, I am here, I am very near  
I am here, I am here, I am very, very near  
I have chosen you, I have chosen you  
Come close, come close and listen  
Listen to Me, listen  
I want to share the mystery  
Yes, it is the Father's heart, you see  
One that not very many get to hear  
Because they are not close and near  
Come close to Me

I miss you so much, I miss you  
Come back to Me  
That I might sit with thee  
I miss you, I miss you  
This is My place where you can seek My face  
And I promise you will not be alone  
And I will not flee from thee  
I am very close and near  
I am close to thee

This is My dwelling place  
This is My place of rest  
I can find no rest  
But I come here to show you My best  
You are Mine and I will always love thee  
But I am asking you to come walk with Me  
The Father has sent Me on a journey  
And I am looking for those who will walk with Me  
Who will walk with Me this very day  
Who will come and who will say  
Greatly, He is praised  
Who I say?  
Where can I find you?  
Are you here and are you near?  
You are Mine and I am yours  
You are Mine and I am yours  
This is My resting place  
Don't take it away from Me  
Don't take away from Me  
Do you not see, I need thee

I need thee to be with Me  
My Father has sent Me on a journey  
A path, a path, a path, you see  
Not many can stand, not many will stand with Me

*Holy, holy, holy is the Lord Thou God  
Holy, holy, holy is the Lord Thou God  
Holy, holy, holy, holy, holy, holy, holy*

Heaven is here, am I making Myself clear?  
Heaven is here, heaven is here  
Heaven is here, because I am near

*Who is likened unto You My Lord?  
Who is likened unto You?*

Wind is going to blow, rain is going to come  
And I am going to show you an open door  
Wind, rain, come, they will never be the same  
Come, come, wind, rain, come  
Wind, rain, come, come  
Wind, rain, come, come

Do not be weary My little children  
Do not be weary  
I am with you, I will comfort you  
I will walk with you, I will talk with you  
I will be with you  
There is a day, a day of the Lord  
That draws very nigh to you  
Prepare yourselves to know Me  
To know My voice, to know Me  
Walk with Me My little children, walk with Me

***Ezekiel 37:9-14***

## 9-10-17 BEAST FROM THE NORTH SEA

There is a beast that is rising  
There is a beast that is rising  
High, high, high, high, high, high in the sky  
A beast that rises  
Wings that flow  
Feet that grow  
Fangs of lightning  
Filled and very frightening  
A beast, a beast coming deep

The North Sea, it will rise and come against thee  
Deep, deep, deep from the bottom of the sea  
It shall make it to the land  
And it will crawl upon the sand  
And it will call out with a great demand  
Deep, deep, deep, deep in the sea  
Covering much territory, you see  
With a great demand, huge  
It will crawl on the sand  
It will devour man  
This beast I see

Terrifying to Me  
High, high, high, high in the sky  
That flies, flies, flies  
Who, who can stand against this great command  
Deep in the sea  
It has been awakened  
Awakened by Me, awakened  
Now what do you see?  
Who will stand against this great command?  
Who, who I say?  
Come let Me show you the way

The land that it will come to devour  
It will make its way  
Let me show you the sea, the north, North Sea  
It will touch the land

And will come to Poland, you see  
And when it comes, it will connect with a man  
And from Poland it will remain and stay  
That will be its hiding place

Many, many men will sin with the great beast  
They will make covenant with him that day  
Man cannot see what I see  
Rising deep out of the great North Sea  
Coming upon the sand to connect with man

I call on thee, I want you to see  
This great demand will come against thee  
They call this, you see, a united kingdom  
But it is not united, it is very divided, you see  
They will fight against Me  
And they will find themselves, you see  
Going all the way to Turkey  
And then they will find a place, you see  
All the way to Iran, Afghanistan  
It will travel  
But I have called upon thee to hear Me  
Cry out for man, you see  
His heart is evil with inside of thee

The gate for this great beast is the gate of Judah  
The hour is between two and four o'clock  
That is our time to pray  
Did you hear Me say, it affects the Sea of the North  
Sea, that dominates around the Black Sea  
They are divided because that spirit is against Me  
So pray, pray, pray, pray, pray, pray, pray

Pray, pray, pray  
The throne of the beast sets itself against Me  
The throne of the beast will try to come up against Me  
The throne of the beast says that it will rise  
And it will prevail against Me  
But I have raised up My army, you see  
That will not bow down to this beast

So I prophesy this day  
This kingdom shall come down in every way  
I will not let them unite, you see  
I will throw them in disarray all around Me  
They will know that I am God Almighty  
The kingdom will divide  
And everyone will come and hide  
Looking where they can hide from Me  
But I shall come against them, you see  
These kingdoms must come down  
You will see, you will see Me  
You will see Me, cry out to Me  
Pray for the remnant to know who I am, you see

Come to Me, come to Me, come to Me  
These kingdoms shall come down quickly  
And the beast shall fall quickly  
But the hearts of men have hardened so strong and thin  
They refuse to repent and come to Me  
Pray their hearts are set free  
That they may know Me  
The wickedness of man is great, you see  
Pray they know Me

They know Me  
I share My mystery  
The beast is rising in the north, in the North Sea  
Making its way to the land to destroy man  
Pray, pray My little children  
Pray, pray, pray, pray, pray, pray

***Revelation 16:8-11, 15***

*The beast represents the government system.  
The beast is not like the beast that we see with our eyes on  
different media.  
This beast will lay himself inside of a man and he will deceive  
many.*

## 9-10-17 PURE WORSHIP

Pure worship, pure worship  
It is pure worship the changes the heart of man  
It is pure worship the changes the atmosphere of the land  
It is pure worship the causes God to make a great demand

It is not a song  
It is a lifestyle of holiness, righteousness  
It is a lifestyle, closeness, it is a lifestyle  
Just by our lives being close to God, heaven moves  
Heaven moves because of the lifestyle  
Because it is His glory, His character working through us  
The choice of a lifestyle, a lifestyle  
So worship by the lifestyle

## 9-14-17 ARISE MY SHEPHERDS

These are Mine, these are Mine, these are Mine  
These are My children, these are My children, these are Mine  
How dare they be discarded  
How dare they be ignored, how dare  
These precious ones  
They are Mine, they are Mine  
I am setting My shepherds to that which is Mine  
I am sending My shepherds to tend to what is mine  
I have no compassion for shepherds who ignore their sheep  
No more, no more, the time is naught  
The time is over, the time is now  
Arise My shepherds, arise  
Arise My shepherds, arise  
Arise out of your smallness, and rise into My brightness  
Arise, for My flock is large, My flock is needing to be led  
My flock is spread over this hill and that  
My flock is there and here and everywhere  
They are scattered to the winds, they are scattered  
Arise, My shepherds, arise  
Arise and then My sheep, arise and gather My sheep  
Arise and love My sheep

Do you hear Me, do you hear Me?

**DO YOU HEAR ME THIS DAY?**

Do you hear Me?

I need you to do what I have called you to do  
Shepherds arise, arise, arise  
Do what I have called you to do  
They are lost, they are lost  
They are lost and do not know where to go  
Tend to My sheep, love My sheep

Intercessors, pray for My shepherds  
They are not listening to My voice  
They are not moving to My voice  
Pray for their hearts to turn, pray for their heart to turn  
Pray for their heart to repent of their agendas  
I have called them to humbly, humbly **SERVE** My sheep

Why do they think they are the so, when they are the least  
I called them to be humble servants, not honored kings

Call for repentance intercessors, call out to the heavenlies

Beseech, beseech, beseech

Do not stop calling out for these shepherds to repent

Shepherds, shepherds, arise and repent

Call out, call out, do not relent

Do not relent my daughters, do not

I need you to pray in a very special way

Pray for My shepherds to arise and see

The multitude of sheep that have lost their way

Pray for their hearts, be compassionate this day

Pray for their hearts to repent in every way

They must, they must, they must repent

They must turn and look and see

Oh, there's one, there's three

Open their eyes, open their eyes that they may see

Open their eyes, their hearts so they may serve

Open their hearts this very day

It is vital, it is crucial, in every way

Will you, will you, will you pray this day

Will you, will you, will you serve this day

Will you, will you, will you love My people in My way

***Ezekiel 34:1-31***

## 9-19-17 HUSH MY DAUGHTERS

Hush My daughters, hush  
Hush My daughters, hush  
I gave you Words that I speak to you today  
Words to go forward  
And be to still in every way  
Rest in Me, My daughters  
Rest I say, rest in Me this day  
I have forgiven you in every way

Move forward, forward, forward I say  
Stand still, stand still, stand still in every way  
Know that I have come to give you peace this very day  
The peace of My council that you might understand My way

I have come with a sword that is in My hand, you see  
I have come with a sword  
That is going to come down upon thee  
I am shaking everything that can be shaken in thee

Now come, quietly, quietly to Me  
Hush, hush My daughters, hush do not say another word  
Be still, go forward, so that you may be heard  
Hush, hush My daughters, hush  
Hush this very day  
So that I can show you ultimately what is My way

## 9-24-17 SANCTIFY MY ALTAR

You have been called to establish My altar  
You have been called to walk before Me  
Holy, holy, holy, you see  
You have been called to sit at My throne room  
So I can look down upon thee  
And I can see, I can see, I can see  
That you are My glory  
You have been chosen to carry Me  
You have chosen to be My glory  
Establish Me before the throne room, you see  
Let the aroma come up close inside of thee  
And then you will know that I am the Lord Almighty  
And I come this very day  
And I come, and I come, and I say to thee  
I will even serve you as you have served Me  
Do you not see, I have chosen thee to sanctify My altar  
Sanctify My altar, sanctify My altar

Sanctify the altar  
As you begin to stand at the altar and worship Me  
Walk and plead the blood of Jesus  
The blood of Jesus brings life  
Worship, worship, worship  
Altars are communicating with altars  
Your altar as it strengthens and as it grows  
As it is sanctified  
Your altar is affecting other altars in the region  
No matter what or where you go  
Begin to worship and sanctify the sanctuary  
With worship songs that edify Me and My heart  
I am holy and I want you to know I am holy  
And I want you to be the ones that walk blameless  
Holy, with fire, with flames, with a light  
As you walk the sanctuary, as you walk the altar  
Sanctify it, sanctify it,

Begin to declare the blood of Jesus over the altar  
Begin to plead the blood of Jesus in the sanctuary

So when people come in they will reverence the Living God  
Because you are the shining ones  
You have lit up the altar this morning  
And you have put the incense aroma upon it  
You have brought the incense and put it in the censer  
That is through your worship  
Minister to Me as the Holy Spirit ministers through you  
Stand before the altar

## 9-26-17 A VOICE THAT WILL LISTEN

Fire comes down  
Fire will come in such a great way, you see  
Fire will come, come strong, down upon thee  
Fire I say like never before  
Fire from every area, from even My threshing floor

I am changing things and changing ways  
Changing everything around you will not be the same  
Do you not see how I have called upon thee  
I have called for a voice that will listen to Me  
I have called upon one  
That will hear Me and declare My Name  
I have called on one that will have no shame  
I have called, I have called, I have called to thee  
I have called out and I have called out to you deliberately  
I have called you in every way

Will you not listen to Me this day?  
Will you not hear My pains in My heart?  
Will you not and will you continue to depart?  
Will you not see what I say this day?

What I am saying to you is what is in My heart  
Now I need you to pray

## 10-1-17 POSITION YOURSELF

Position yourself I say this day  
Position yourself in a very special way  
Strategic I say, I give you this place  
This place I have given thee  
So that you can seek My face  
Do you not see I have positioned you this day?

I have let you stand in the midst of the river in every way  
A flow shall come from the East, you see  
And it will connect, connect to thee  
I shall pour down like the power of the rain  
The one that came, it stays and it grows  
It grows and it grows and it grows  
I have called you to come to a place in Me  
Position yourself so you can see  
Stand in the river I say this day  
The people are wanting to walk over in a special way  
Come I say and stand with Me  
Come I say so you can see  
That I have called thee to stand, you see  
Stand in the river and know it is Me

Do not move from your position this day  
Do not, do not move from what I'm about to say  
Do not move, I shall take this land  
Do not move, it is very grand  
Look and see what I want to do this day  
I want to move, move, move in a special way  
The river is flowing, it is flowing you see  
The river is flowing, it is flowing in thee  
But you must stand, and stand and see  
The people must cross over so they can see Me  
I shall make them strong, and strong you see  
An army that knows, that knows Me  
I want you to come and stand like priests, you see  
Stand, stand as I make the great command

Look into My eyes and you will see

There is no darkness, no darkness in Me  
Look into My eyes this very day  
I shine with pureness in a very special way  
Seek My face and you will see  
That I will come and stand with thee  
Open your eyes and see this day  
Open your eyes as you begin to pray  
Holy, holy, holy, holy is He  
Holy, holy, holy you must stand and be  
Holy, holy, holy is He  
Holy, holy, holy He must be

Living stones, living stones  
Stand before Me this day  
Living stones standing in the gap  
Between the living and the dead, I say  
Living stones that will stand  
And make great commands  
Living stones that will allow Me to come in  
And make this place My home  
You must be living stones  
You must stand, you see  
Holy and acceptable to Me  
An offering that is pleasing to Me  
An offering that will not flee  
An offering that goes to the nostrils of Him, you see  
An offering this day  
Because I have rid you of your enemy  
An offering I say that is acceptable to Me  
One that is pleasing, that will set you free

Many are dying  
Because the priesthood is not in their position  
The positional leader is not hearing from Me  
And the prophet is not speaking what I am saying  
Pray for the priest to come back to his rightful place  
Pray that the positional leader will understand  
What I am doing in this hour  
Pray the prophet will be like Mary  
And abide in My heart  
And hear every word I have to say

So it can be spoken  
Then the outpouring of My Spirit can come  
Take your position  
Shut the door and lock the gate  
Do not let the enemy in  
Blessings come with obedience  
Your enemies are defeated through faithfulness  
When positional leaders move forward  
When priests stand in their position  
When prophets speak the word of God  
Then the people will move over

***Joshua 4:5-13***

# 10-22-17 THERE IS NONE LIKE ME

Who is likened unto You?  
Who I said, who?  
Does anyone know?  
Can anyone see?  
Do they know You walk with thee?  
Who I say, who, who  
Who is likened unto You? None

Let the heavens sing, let the heavens sing  
Let the heavens sing, let the heavens sing  
There is none, none like Him, you see  
None, none that can rise up above Thee  
Who, who, who I say?  
Is anyone here who knows today  
That My Father is all, and all in every way?  
Who is likened unto Thee?  
There is no other God, you see  
Let the Earth know that My Father is One, One in All  
None, none, none, none, none, you see  
All that is beneath Thee will crawl and crawl and crawl  
They will crawl to the depths, you see  
Down at the bottom of Me

I, I walk with Him, you see  
I walk and I walk, and We talk and We talk  
And We talk and We talk  
I walk and I walk and I walk  
My Father loves to walk, you see  
He loves to talk  
He loves going here and there and everywhere  
Who will walk with Thee, who I say?  
Who will walk with Thee, who will walk with Me?  
Come take a walk and let Me tell you about Thee  
And what you are going to see  
Inside of Thee there is none, you see  
None, none, none is greater than My Father  
None I say  
Let them sing this I say this day  
Let them sing, let them sing in this way

Who is greater than He?  
None, none, none, not even Me  
I am His Son, and I walk with Him in the cool of the day  
I walk with Him in a very special way  
He looks and He looks and He looks to find  
He looks to find who will dine  
Who will dine with Him this day?  
Who will cry out and even say  
Who I say this day?

Who? Can you find any in this way?  
Walk with Me, walk with Me  
And hear Me say, hear Me say  
What is in My heart this day  
Oh I know that you want to walk your way  
Your way is your way  
But I tell you My Father looks each and every day  
For someone to walk with Him  
Walk with Me, walk with Me you see  
Walk, walk, walk, walk, walk, walk, walk  
And I tell you He will talk and He will share  
He will give you all what is in His heart  
He will tell you what is deep down  
If you begin to seek and look and see

Know that it is He  
That is talking through Me with all authority  
He, He, He, He, He comes down and He brings a crown  
This crown, you see, it walks with authority  
It is not a regular crown  
One that you would say you would put upon the head  
No, this crown is more than that  
I must show you  
And pray that you will see that He is coming after thee  
He is longing so He can set you free  
Talk to Me and He will talk to thee  
See you are not alone, you are not alone  
He is here, My Father is near and He is dear  
My Father is watching thee  
To see if you will honor Me  
My Father looks, you see

Oh this is My Father, I speak this way  
Because there is none like Him, you see  
I don't think you understand Me  
My Father is great and grand, you see  
My Father I honor to the highest of thee  
That is My Father, you see

Will you lack in this place to know Him this way?  
Because if He talks to Me, He talks to thee  
If you walk with Me  
Will you, will you walk with Me?  
Will you, will you, will you?  
Will you, will you walk with Me?  
Oh, mighty, mighty, mighty is My God, you see  
Mighty, mighty, mighty, mighty  
Mighty is My God, you see  
Oh, walk with Thee  
Who is likened unto Thee?  
Who I say can set you free?  
Who, who?  
Oh, how beautiful, how beautiful, how beautiful  
How beautiful, how beautiful, how beautiful

My Father is looking down from the highest mountain  
He sees in the valley, He sees, He sees, He sees  
There is a deep valley, I can see a waterfall, you see  
But there is a deepness, a hole that is underneath thee  
Oh, oh, oh yes He does, yes He sees from heaven above  
He can see all that you cannot see  
My Father stands and He watches in the valley  
Walk with Me, so that you may see  
Walk with Me, walk with Me, walk with Me, I say  
Walk with Me this day so that I can show you His way  
Let Me show you the path, you see,  
Let Me show you that He has something  
He wants Me to see inside of thee  
Let Me show you this day, He is with much great array  
There is a valley with a waterfall  
Going deep, deep, deep, deep, like the spring of the day  
There is a waterfall flowing from the highest mountain  
In a very special way

I come to give you that waterfall, you see  
I come to stand on the mountain to talk to thee  
I come to give you a refreshing, a refreshing, a refreshing

This waterfall will flow  
And flow from this mountain continuously  
Come with Me, come let Me show you, come  
Come to the valley, come, come, come, come  
Come I want you to see the waterfall in Me  
Come, come, come, come

I will stay in this position, you see  
I will stay and I will look down upon thee  
And I will talk to thee and will walk with thee  
I will refresh thee from this waterfall

Do not leave this place I say  
Do not think that in any way  
That the valley is a place of death, you see  
The valley is filled, filled with Me  
I stand from the mountain high in the sky  
I stand and I stand and I watch you by and by  
But this that I give you, I give you this day  
A refreshing of water that comes in its spray  
It sprays the valley, it sprays everything  
It makes everything green, you see  
Green, green, green, there will be much growth  
I tell you because the waterfall comes down  
Rushing down with the pressure  
The pressure of a crown I give to thee

Walk with Me, walk with Me, walk with Me, you see  
Walk with Me, walk with Me, walk with Me, walk with Me

I have much to show you this day  
I have much to show you in every way  
There are many things that I must show you  
Ah, greater than, greater than, greater  
Greater than anything you have ever seen  
Greater, I say greater  
Greater than anything you have ever seen  
Greater and greater and greater

Show them, show them the waterfalls

Show them the walls of the waterfalls  
Show them, show them the designs  
Show them, show them, show them  
I want them to see the history of Me  
I want them to know, I want them to see and flow  
The walls of the waterfalls, let them see  
Let them see, let them see, let them see  
Let them see, let them see, let them see

There are no shadows in this valley  
In this valley, none, you see  
This valley is filled with flourishing riches of Me  
Riches and riches and riches of Me  
How can it be that they do not see My Father  
That You are willing to give them the riches  
The riches, the riches, I give to them, you see  
I will give it to them and flourish them  
Many, many things are in this wall  
Many things coming out of the waterfall  
I shall give to thee, if they worship Me  
And they know that I am who I say I am  
Who is greater than Thee?  
Who I say is likened unto Thee?  
Who I say will understand Me?  
Who I say will walk this day  
And know that it is I that has spoken this way?  
That I have come down, you see  
I have come with a crown so I can speak to thee  
How dare thee not know Me  
How dare, how dare thee not know Me

How dare you not walk with Me  
How dare you not talk with Me  
How dare you not, how I say this day  
How I give you this waterfall to refresh thee  
Now look and see what is on the walls of this waterfall  
Look and see so I can show thee  
Who could not see what I have shown thee?  
I have given you the valley for Me  
I stand here, receive the riches of the Earth  
Who, who can give unto thee freely?

Who I say, who is willing to worship Me this day?  
Who I say that will walk with Me?  
Who I say that will talk with Me?  
Who can I give unto Thee?  
All My Father has of this Earth  
But I am here to tell you  
My Father has shown Me the groaning of new birth  
The groaning of new birth that comes to this Earth  
That will come forth, you see  
And flow over you  
But I say to you this day  
I have called you in this way to come to Me  
And understand My Father has sent Me for thee

Who, who, who is likened unto Him?  
Who, who I say who?  
There is none, there is none like Him, you see  
None, and none greater than thee, none I say  
Did you hear Me I speak this day  
There is none, I say, none, none  
And don't challenge Me this day  
I am God Almighty and I am speaking

Who, who is likened unto Me  
None I say, none like thee  
Come, come, come, come let's go to the valley  
Let's go, let's go, let's go to the valley and see what I see  
See what I see, see that I see, see what I see  
Do you, do you see, do you see what I see?  
Do you see, do you see what is inside of Me?  
Do you see, do you see what I see?  
Open your eyes and see  
So I can show you the walls of the waterfalls  
I want you to see the walls  
To see the walls you must go through  
The rushing, rushing waters, you see  
It is rushing, it is rustling, it is bustling  
You must go down to pass through Me  
And you will see the walls of the waterfalls  
That I have given to thee  
The riches, the riches I say

The riches of Me I have given to thee  
Rich, rich, rich, rich you see

Who is likened unto Me?  
None, I say this day  
How can anyone compare Me in any way?  
How, how I say, how do they dare to come and say  
Who are these that come this way  
I have come this very day

Who is likened unto Me?  
This very day, this very day, who, I say who  
Who will minister to Me in this way?  
Who will walk with Me?  
Who, who will talk with Me?  
Who, who, who will go down to the valley?  
Who will go to the valley, who I say this very day?  
I call upon you to walk with Me  
This way, this way, I'm going to take you on a path  
This way, this way, come  
Come, come, come, come to the valley  
Come, come let me show you the valley  
Let Me show you the valley  
Green and beautiful, you see  
Green, green, full of Me  
Green I say, green with the riches  
All of what the Father has given Me this day  
Who will walk with Me?

Oh, do not flee, do not walk away from Me  
Who, who, who I say, who I say this very day  
Will hear My voice and begin to pray  
Begin to pray for the refreshing this day  
The refreshing, the refreshing, the refreshing of every way  
Who, who, who, who, who, who  
Come to the valley, come to the valley  
Come, come, come see the waterfall  
Come, come, come with Me  
Come with Me, come see the waterfall

Do you see the treasures on the wall?

It is speaking to you  
It is showing you what is on My heart, you see  
I have engraved the riches of My heart  
On the walls of the waterfall  
Who, who, who would know?  
Who would know what I have said this day?  
Who would come and trust Me in every way?  
Who, who, who?

Oh, oh, oh, oh, oh  
I will not leave you, if you remain with Me  
I will not leave you  
My Father loves to talk if you will only walk  
I will not leave you, don't leave Me  
I will not leave thee  
You have given Me an atmosphere this day where I can stay  
I'll stay if you will worship Me in every way and not leave Me  
I will not leave thee  
I will make this place My home  
And I will remain and I will say  
If you will remain and you will pray  
I will come to thee and I will dine with thee  
And I will show thee the goodness of My Father, you see  
I love My Father, just as you love Me  
My Father is everything to Me, you see  
My Father, I want you to know this day  
He watches and He sees everything in every way  
My Father, there is none like Him  
There is none, none, none exists  
Nothing exists, nothing, nothing, zero, nothing exists  
That can compare to My Father  
My Father is grand in every way  
And I will choose this day  
To make this place My home, you see  
And My Father will come, and He will dine with thee  
But this place must be holy  
It must remain without a stain  
And He will come, yes He will, and make this home  
He will come, He will come, He will come, He will come  
He will come, He will come, He will come, He will come

The double doors are open to you  
Take My right hand, and I will take you right hand  
And I will lead you in covenant, you see  
And I will give you what is in the heart of Me  
I will give you the riches that have been hidden deep down  
I shall give this to you if you will call upon Me  
Call upon Me  
I am the Lord, and there is no other

***Isaiah 45***

## 10-29-17 OPEN THE HEAVENS

Thunder, lightning, thunder, lightning  
Thunder, lightning, thunder, lightning

A display, a show  
Who will understand My woe?  
Who will understand Me this day?  
When I come in a great array  
Thunder, lightning, thunder, lightning  
Who can see that which comes from Me?  
Windows of heaven come from above  
Who I say, who will ever know this very day  
That the heavens opened  
The heavens are open, they are open wide

They come to guide here and there and everywhere  
Do you not see, do you not dare?  
Do you not understand that I am who I say I am?  
I say open, and they open  
I say close, and they are closed  
I say open the heavens above  
And they say, what do You send Master?  
Who are You and where do You love?  
I say, "Open the heavens"

Thunder, come, come, come, come  
Lightning, at the beat of a drum  
Come, come, come  
Count the days and count the times  
Count all that come that are Mine  
I say open, open, open doors of heaven  
Open, open, you will not close

I have called you to open the doors  
Doors are opening for Me, you see

Lightning is coming down upon thee  
Thunder is roaring like a roaring sea  
Roaring, roaring, roaring at thee  
Everything that you see will be shaken  
Everything that I have made of Myself, you see  
I shall come down and shake thee  
I shall shake and shake and shake, you see  
Because I have opened the doors of heaven for Me  
And I have called out the four winds of heaven, you see  
Now they will come down upon the earth and upon thee  
You must understand, and you cannot flee  
You cannot flee from Me, you see  
Because of the way that I come this day  
It will be in such a way  
That you will not be able to see the day  
That I will come, and I will sway  
And I will bring upon you this day  
Thunder, lightning, lightning, you see  
Everything will roar, roar like the roaring sea

Everything in Me will cry out that day  
Everything will come in a great array  
That day things will be shaken, and shook  
But this time I will shake every nook  
Everything will be shaken that day  
Nothing will stand against Me in any way

Who will arise and who will come?  
Who will come and see the greatness that comes out of Me?  
The doors that I will open, that no man can open, you see  
I open the doors and shut them behind Me  
But this day I have opened, opened a door that is wide  
No one will be able to hide, no one will be able to see  
No one will be able to come against Me  
I have opened the gates of heaven, you see  
Wide, wide, wide in Me

Do not hide from Me  
It will be like the roaring sea  
Thunder, lightning, very frightening  
Very frightening, you see

But those who love Me will not hide from Me  
They will stand  
And the wind will be very grand  
And they will not be able to move because of Me  
I will bring thee under My house, you see  
And then you will know it is Me

Thunder, lightning, thunder, lightning  
Who can be, who can be grander than Thee?  
Who I say this very day?  
Who will know Me in this way? Who?  
Will they be able to make their plea?  
Will they be able to stand against Me?  
Who I say this very day?  
None, none, none will be able to say  
Because I will stand in the courtroom that day  
And I will put down My hammer in every way  
And when I bring it down  
I will bring it with much strength, you see  
With power and glory that stands within Me

Done this day, I will say  
Complete in every way  
It will be victory, victory in Me  
After I bring My judgment, you see  
There will be much victory, victory to see  
Victory, victory, victory I say  
Victory, victory in every way  
Who will know who I am?  
Who will be able to stand?  
Who I say this very day?  
Who, who, who will call upon Me in any way?

Doors of heaven, do not shut  
Open wide, open wide, open wide  
They will not hide, they cannot hide  
I will find them in every nook, every area  
Every place, every cliff you see  
Every mountain upon thee  
Who I say will be able to hide that day?  
None, none, none, you see

None will be able to hide from Me  
Thunder, lightning shall come this day  
Thunder, lightning, in every way  
Who, who, who will know Me?  
Who will know that I will stand like a roaring sea?  
I who comes will come upon thee  
None will know that it is I  
But when I come and stand  
They will say, who is that who is so grand?  
Then they will know that I am who I am  
Then they will be able to stand and see  
There is none like Me  
None, none, none

Come with Me  
Come, come, come let Me show you  
To see something that most do not see  
What is inside of Me  
Come, come, come, come  
A very small door, very, very small, you see  
Come, come, come inside with Me  
Come, come, come  
Come let Me show you the things to come  
Let Me show you by the beat of the drum  
Let Me show you the future, you see  
That is right in front of thee  
You will be able to see  
What most men cannot see in Me  
Come, come, come, come quickly  
Do not hold back, come, come  
Come, come, come with Me  
And let Me show you what is inside of Me  
I will show you the roaring sea  
That is behind that little door  
Not very many people  
Come to this part of the threshing floor  
They cannot see because they are blind, you see  
But if you will come I will open the door unto thee  
I will show thee what is inside of Me  
Come, come, come, do not linger here

Do not linger here, come here, come here  
Come here, come, come and see what is inside of Me  
Come, come, come, come right here, right here I say  
Come, come this very day  
Open the page, yes that one right there  
Open the page, open it, open it and see  
Open it, open it and I will show it unto thee  
I have written it many times before  
Not very many have come through this door  
Open it, open it, open it, you see  
Open it to page 1595, it is in Me  
Open it I say, open it this day  
Flip and know that I am speaking to you in this way  
1595, I say is the number that I will show you this day  
Show you, show you, show you Me  
Show you, show you, do not flee  
Come, come, come to this door in Me  
Understand what I say to thee  
Understand it is very grand, grand in Me  
That which I want to show to thee

Do you see what I see?  
Do you see what is about to happen in Me?  
Do you see that I will open your eyes to see?  
Wisdom I call unto thee  
Wisdom, wisdom, do not flee  
Speak to My sons and daughters for Me  
Show them the way, and show them the day  
That I shall come with thunder and lightning in every way  
Show them, show them this place, I see  
Show them, show them, show them for Me

The Lamb is coming, you see  
Now open up the doors for Me  
Open up the book and say  
I will show you this very day  
Write I say, write, write this way  
I will give you the words to speak  
And I will give you the words to write  
Hear Me this day, the Lamb shall come  
And He shall stand great, great in His great array

I have invited you to this place, you see  
I have invited you so you can see Me

And it was written, and it was in the book that was hidden  
And now the book is open, and the book is open for all to see  
Only those who can see the writing, like thee  
Not many can see the writing, you see  
I have revealed it totally to thee  
I have shown you the writing  
Now open the book and read  
1595 I say, the book is open  
Now begin to say  
Hear, hear Me this day  
I have opened the book for you to see  
Do not hold back what I have given to thee  
Prophecy the book, the book is clear  
I have given it to you, it is very near  
Speak it I say, speak it with a great array  
Speak it and tell My people what I say  
The book is open, it is open, it is clear  
Who can interpret it, I have made it here  
So open the book, open the book this day  
Do not let those who do not know Me come in any way

***Revelation 19: 1-21***

## 11-9-17 WHO WILL DINE WITH ME?

Come, come My little children, come  
Come near and hear  
Come, come, come My little children, come  
Come near and hear  
There are many things I must say to you today  
Open your eyes and see Me in a different way  
Do not pull away from me this day  
Let Me show you what is in My heart and what I must say  
I come to sit with you this day  
I come to sit and drink with you  
Sit with Me, My table is set, you see  
My table is set for you and Me, dine with Me  
Dine with Me and you will see  
And I will open up gates and doors that are inside of Me  
I will bring you into new places you have never seen  
I will show you places inside of Me that have not been seen  
Because you have chosen to come to be with Me  
You have chosen Me this day  
You have made Me first in every way  
So I will meet you in your hearts you see  
And I will not depart from thee  
I will not leave you or forsake you  
Because you have come before Me  
And you have asked of Me  
And because you ask of Me, I come to thee

Sit with Me My little children and you will see  
You will see what is inside of Me  
I am asking you a question this day  
Do you want to see My glory in a special way?  
Will I not give you My glory this day  
If you will come to Me and only say  
Say to Me as my son said that day  
Show Me your glory  
And I will show you My glory in a special way  
And I shall lay with thee, and you shall lay with Me  
And I will open up your eyes to see  
Open up your eyes this day  
So you will know Me in a special way

Do you long to be with Me?  
Come and see, come and see what is inside of Me  
And I will show you a way  
I will put you on a path this day  
And I will change your course in every way  
Why? Because you have come to Me  
And you have asked of Me  
And now I shall give back to thee

I have laid this banquet table before thee, you see  
I have put many things on this table for thee  
But you must come and see what is inside of Me  
And you will be able to dine and dine and eat and eat  
And drink and drink and be with Me  
I have called thee to such a place

Not every person gets to sit at this place  
At My table, you see  
I am looking for those who will love Me  
I am looking for those who will seek Me out  
I am looking for those who will walk about  
I am looking you see, I just want you to know Me  
Open your heart to Me, I will not depart from thee  
Open your heart to Me, do not flee  
I want to be a part of thee  
I long for thee, I long for thee to walk with Me  
I long for thee to sit with Me  
I long for thee to dine with Me  
I long, you see, to be with thee

Did I not show My heart to thee  
Will you not depart from Me  
I will show you My heart this day  
I will open up every pathway  
I want to show you things, you see  
Things that are inside of Me  
All I ask of you this day is to come  
And eat and drink in a very special way  
And the doors shall open, open up wide, you see  
I will not hide myself from thee  
I said to thee, seek my face, you see

But I am telling thee today  
My face is before thee if you just dine with Me

I will not hide from thee, I will not hide My face from thee  
I will come close, face to face, in this place  
But who I say will seek Me this way  
Who will look and begin to say  
He is the one that I want this day  
Or will you not even look into My face as I sit with thee  
Will you turn your face away from Me  
How I long to be with thee  
How I long to be with thee  
How I long to talk and talk and talk you see  
Not very many let Me share My heart  
So I look in the earth  
Looking for one that I can share My heart with you see  
But who will sit down and dine with Me?  
Oh who I say, who, who will give up their day for Me  
Who, who, who will come close to Me  
And say, "This date is only for Thee"  
I long to hear your voice that way  
I long to love you in a special way  
Who, I say will lay with Me?  
Who will come to the dining table and dine with Me?

I cry out to thee, with this love and passion, you see  
One that longs to be with thee  
But who, who will reject Me this day?  
Who, I say who will feel My pain when they turn away?  
No one comes to Me and says  
Oh Father, is your pain deep today?  
Have Your children sought You in that way?  
Who, who, who will come close to Me this way  
Who will I find when I walk through this place  
And I begin to ask of them to seek My face  
I will walk, I will walk with boldness, you see  
But I will also walk gently when I am inside of thee

I am searching, searching out this day  
I am looking for the one who will seek Me out and say  
"Beautiful One, Beautiful One, Beautiful One"

Who will call Me Beautiful One?  
Do you see My beauty?  
Do you see the beauty of My heart for thee?  
What do I look like to thee?  
What can I say to make you come this day?  
What can I do to show you My love?  
Is there anything else this day I can give to you  
To cause you to love Me this way?  
Is there, is there any I say?  
Will I not give up My heart to you in a special way?  
Oh, who will come to Me, or will they flee?

I come to meet you this morning, you see  
Because what is in of My heart is deep inside of Me  
Not very many will listen and say  
What is on Your heart My Father this day?  
But you are My children and you have come to Me  
And now I have found a place, you see  
That I can talk to thee face-to-face  
I can talk and bring forth what is inside of Me

Do not flee, I am longing to be with thee  
Do not leave this place, you see  
You are the chosen ones for Me  
You are the chosen ones to comfort Me  
Do not leave Me, I love you, you see  
I will woo you in, you see  
I will bring you in as a virgin into Me  
And I will make you My bride because you are Mine  
And that is the reason  
Why I will not hide My face from My bride  
One that has chosen to be with Me  
One that will long and the come inside of Me  
One I say this day, one  
One is what I look for in this special way

Ah, I get to say, I love you this day  
Is that a privilege for thee?  
Is there one that will say, Father I take Thee inside of me  
I will not take You for granted this day  
I will love You and walk with You in a special way

I know who You are this day  
So I give my day to Thee  
That we can walk deeply, deeply, deeply  
That is my desire, you see, is to be with Thee

It is quiet in heaven right now  
Heaven is listening into our conversation, you see  
Heaven wants to know your response to Me  
Heaven is waiting, quietly  
Will your sons and daughters reply to Thee?  
Will they come at the beat of Your drum?  
Or will they not hear  
Because their eyes and ears are not open this day  
They have come to a place to know You a different way

Come to Me, sssh, sssh, sssh  
Be silent, be silent this day  
The King has walked in, be silent

## 11-10-17 WHY DO NATIONS RAGE?

Why do the nations rage against Me?  
Why do the nations come against Me?  
Why do they question who I am?  
Why, why, why do they not see Me as the great I am?  
Kings and priests you see, Princes will come against thee  
They will come against thee even this very day  
They come against Me  
They come against Me here and there and everywhere

But who will stand with Me?  
Who will stand in this grand time  
To hear, to see what lies deep in My heart this day  
Did you not come to this place to pray?  
Can you hear My heart this day?  
The nations are raging against Me, you see  
They are plotting and planning  
How they can rise against thee  
But I stand with you this day  
Will you stand with Me and pray?  
Will you release what is inside of thee?  
Thee that I have given inside of Me, will you?

I ask the question why?  
Why do they rage against Me?  
Who do they think I am, you see  
They cannot see the greatness in Me  
The grand of Me, they cannot see  
But you know Me and you know Me  
And you know that I am who I say I am  
I am Almighty

Who, who will stand with Me?  
Who will pray and begin to say  
The things that I have spoken this day  
Who will come and sit with Me  
Who, I say, will stand and be able to see  
See the glory of what I have done  
See the glory that is inside of those who come up on

I call unto thee, I call you to pray with Me  
I have sought you out, you see  
I have called you unto Me  
I have given you such a privilege, you see, to stand with Me  
I have given you the host of Me  
I have given you all that you know, you see  
Now will you not stand with Me and pray

How dare they come in rage against Me and say  
And speak against My beloveds this day  
I shall stand with a sword in My hand  
I shall come against them and it will be grand  
But I have called unto you, you see  
To proclaim and to be able to say what is inside of Me  
Speak I say, speak this day  
Speak what I tell you and begin to pray  
Pray I say, pray this day  
The ragings of the seas are coming in every way  
They will rage against you, they will rage I say  
The seas are overtaking the earth this day

Can you not see what is inside of Me  
Have I not told you, have I not?  
Have I not sat with you  
And did I not share My heart with you  
How can you depart from Me when I need you this very day  
I need you to pray  
I called upon you, you did not call upon Me  
I called you and then you begin to flee  
Now I called you again and again, you see  
I call you to come back and return to Me  
Return I say, return this day  
How dare they rage against us in any way

Who, who will stand with Me?  
Who I say and will not flee?  
Who, who, who this day  
Will open their hearts and begin to pray?  
Pray, pray, pray  
Pray, pray, pray My children this day

Bow to your knees and begin to say  
That which I have put upon your heart, you see  
Please, I come to you, do not depart from Me  
I need you this day to pray  
What can I come and say  
To cause you to come close to Me this day  
What can I say to thee?  
What can I say, what is My plea that I can speak to thee?  
What, I say?

Come unto Me, do not flee  
Walk with Me, talk with Me  
And I shall give thee the words that go deep inside of Me  
I shall release them to thee  
And you will see that as you pray I will come this very day  
I will not hold back from thee  
I will not hold back, you see  
You have chosen Me and I have chosen thee  
Will I hold back once you come to Me?  
No, because what I give to thee, you will give back to Me  
And what I give back to thee  
You will give back in the heavenlies

Who, who will hear Me this day?  
Who I say, who will come and pray?  
I am seeking even now  
I am walking through this place  
Passing out a crown, a crown of authority  
To enter into the heavenlies, you see  
Who will walk with Me?  
Who I say?  
Who will give up everything this day to meet with Me?  
Who I say will love Me this way?

I am asking a question  
Why, why do the nations rage against Me?  
Why? They do not know I am who I said I am  
But you My little children, you know Me  
And you know that I am who I say I am  
Will you not stand with Me, will you not make your plea?  
Will you not stand in the nation that I have given to thee?

I have given you land, you see, to possess for Me  
I have given it to thee  
I have put it there before you, you see  
Now why did you not stand with Me?  
I have given this land to thee  
I need thee to stand with Me  
Do I need to make a plea?  
And who will say this day, come to Me  
Who, who I pray  
Who, who can I say, stand with Me?

Do you hear My plea?  
The heavens are calling thee  
Come up higher with Me  
Go deeper inside of Me  
Do not flee, stand with Me  
As a bride that will not hide from Me  
But will stand with Me  
How can I make this plea  
That you may understand the depths of My heart  
How can I, how can I this day  
How, how, how My Son  
How can I say to thee that I love greatly?  
How much I am in need of thee

Stand with Me  
An hour of sorrows, you see, has come upon this earth in Me  
A sorrow that is great that will groan and moan  
That will arise against those who are on thrones  
Do they not see the sorrow in Me?  
Do they not see the urgency, you see?  
Do they not know what I'm saying to thee?  
What do I need to do to awaken thee to come to Me?  
**What I say, what I say, does anyone hear Me this day?**  
I beckon thee to come to Me

There is a light that shines greatly  
Who I say, will give up their day to stand with Me?  
Who can I find, where shall I go?  
Will they come?  
Where, where can I find that will dare to meet with Me?

Walk with Me, walk with Me, walk with Me  
Walk with Me, walk with Me, walk with Me  
Walk with Me, do you not see  
Ah, do you not see what is inside of Me?

***Psalm 2:1-6***

I have set My king, positioned him in a holy place for Me  
Where are the kings and priests that I have chosen to be?  
I have set My kings  
You are kingly and priestly to Me  
I have positioned you to come to Me  
How dare they speak against Me  
Come up the mountain  
Do not flee this place that I have given to thee  
Make a declaration for Me

***Psalm 2:7-8***

Proclaim to My people, you see  
What I have done this day for Me  
Ask this day, ask of Me, ask I say  
Will you not stand with Me?  
Will you not make this plea with Me?  
Ask Me for the nations and see if I will not give it to thee

Are you not a part of me?  
Are you not the ones that will stand and see  
And possess the land that is inside of Me?  
Have I not given you that command, you see  
How can you give up on Me?  
How can you say in your distress this day  
That you cannot walk with Me in this way?  
Who can I find, and where can I go?  
Who will stand with Me and I can show?  
I can set them on the mountaintop, you see  
So they can see the oceans and everything inside of Me  
Who, I say this day, will stand with Me?  
Who have I called and begotten for Me?  
Can I say to you this day?  
Can I say, come with Me and pray?

***Psalm 2:9-12***

Why do the nations rage against Me?  
Where is the remnant that will see the greatness of Me?  
Where is the remnant that just by faith, you see  
Walk the lands for Me and pray for Me?

## 11-26-17 DO THEY CARE?

Do they care how I feel?  
They care about how they treat each other  
But if they just stop to see how I feel  
If I am grieving and I am hurting and I am right there  
Do they care?  
Is there love for Me  
That they will acknowledge Me first, because I am there?  
I am there, I am there, I am there

Do they care that I am there, that I am present?  
I am with them and I love them so much  
I do not want to be separated from them  
But do they care that their attitude has separated Me  
That I have to lift Myself from them and I don't want to  
I don't want to go away from them, I love them

Do they care that they have separated themselves from Me?  
Do they care? It was Me, do they love Me?  
Do they love Me? Do they love Me?  
I don't want to be separated from them  
I want to abide in them  
I want to live in them  
I want to be with them  
I so love them, I do, I love them so much, I do  
I love them so much it hurts and hurts  
I love them so much, I love them so much  
I want them to care  
When they speak negative against each other  
I want them to care that I am there  
When they separate themselves from Me  
Because I am holy, I am holy

***Ephesians 4:30- 5:10***

## 12-3-17 I AM HOLY

Will I, will I, will I make Myself known to thee?  
Or should I come and kill thee  
Should I, should I, should I make My heart known to thee  
Because where your heart is, you have caused Me to flee  
Should I make Myself known to thee, should I?

Is that what you're asking Me?  
Are you asking Me to come  
And you know your heart is not with Me  
Would you ask that of Me?  
Or should I flee, should I flee?  
Do you understand Me?  
Have you not been with Me to understand Me?  
Do you not know, do you not know  
Do you not know, do you not know that I am holy?  
Do you not see?

How long do I have to be with thee  
To make Myself known to thee?  
That you must understand My plea  
What am I saying to thee this day  
What am I saying that you keep wanting to stray?  
You have disregarded Me  
Why do you want Me here?  
And why would you say come near  
Why I say to you this day?

Do you really want to be with Me?  
Or do you just say  
I am holy, but you do not want to be holy  
Why do you say I am holy?  
Why do you ask the question this day?  
Why do you want to be with me in any way?  
Why, why, why, why are you saying to Me come near?  
And I must flee

I am holy, I am holy, I am who I say I am  
I cannot change My garment, you see

I paid a price for this garment, for you and Me  
I cannot change for you, you see  
You are asking Me something that I cannot reverse, you see  
I cannot change the garment  
That My Father gave Me that day  
I died, beaten for that blood that is precious to Me  
That is precious to My Father, you see  
You cannot reverse this blood  
You cannot change My stain  
You cannot reverse what I have given you out of My pain  
What are you asking of Me?  
Are you asking Me to change My garment for thee?  
I can't change My garment, you see  
I must flee  
If you are asking Me to change My garment this day

I come seeking you in every way  
Come back to Me, do not flee  
I cannot change, you see  
It was set before the foundation for Me  
But I come to thee  
Asking thee to put on this garment for Me  
Wear this garment that I have given thee  
Take off the old garment, you see  
Those stains are not for Me  
Come to Me and you will see  
The freedom I have for thee  
Come to Me  
I come not to restrain thee  
I come to set one free

Holy, Holy is My Name  
I will wash your shame, if you make Me holy  
If you will make Me holy  
Because I have already made you holy  
I gave you My blood, I have made you holy  
Holy, holy, holy is the Lord thou God  
Holy, holy

***Zechariah 2:13***  
***Zechariah 3***

## 12-3-17 STAND WITH ME IN BATTLE

I stand tall, you see  
I stand beyond all, you see  
I come to stand this day  
I am standing with you in a very mighty way

Stand with Me, I am standing with thee  
I am standing, I am contending for thee  
I am standing in battle, battle formation right now  
I am standing with thee  
Formed together, be one with Me  
Don't step away from Me, stay with Me  
Come to battle, you see  
Lift up your eyes for the King of Glory has come  
He is here fighting every battle that is close and near

The battle is here, the battle is near  
I am standing, I am standing, I am standing with you  
I am standing, I am going to take you in and through  
I will not leave or forsake you this day  
I come to you with a battle array  
I stand in strength, and strong, you see  
I have called you to stand in battle with Me  
I am standing, I am standing, I am standing

Because of your worship  
You can break the formation of any enemy  
When you stand with Me I will not flee  
I will not flee

***Psalm 91***

## 12-10-17 A HEART TO KNOW ME

I have told you in time and time and time and time  
I have told you before, before, before, before  
How many times I must speak  
Before you believe that I am Thee?  
How many times I will stand  
And I will do many things that are very grand  
Right here in your midst  
I will stand with thee

Do you believe that I am who I say I am?  
I am the Great I Am!  
And I come, I come before thee  
I come to tell you My plea  
How many times I have to tell thee that I am with thee?  
How many times must I come  
So that you may understand My demand?  
I have come to thee longing  
Longing for you to see what is inside of Me  
That is My desire, My desire this day  
Is that you will come and lay  
And know that I am who I say I am  
I have called upon thee, and I have called upon thee  
I have called upon thee, have you stood with Me?

Do not flee, stand with Me  
My heart is pounding, you see  
Pondering what is next inside of Me  
And who will comfort Me as I have comforted thee?  
Who will come and say, I am with you to stay  
I will never leave, I will never let you go  
Who I say, who, who will do so?  
Who will come to Me and be  
Who will come to Me and be

I look to see who I could find that will lay with Me  
And I will show you victory, victory is Mine  
Victory is Mine, victory is Mine, victory is Mine  
Victory is Mine, do you believe?

How long do I have to speak?  
How often do I have to say that I am with you this day?  
Do you not believe?  
Do you not see My love for thee?  
I have fashioned thee and molded thee to understand Me  
I have given your ears, you see  
I have given you a heart to know Me  
I have given you My voice, you see  
I will speak to you and share what is in My heart  
So that you will know not to depart from Me  
Will you not see what I have given to thee?

I love thee, will you not take My plea  
And know that I love thee  
I love thee, I love thee  
Do not flee, do not flee, do not let Me go  
I will show you the highest mountains  
I will take you to the lowest valleys  
I will open up the oceans and seas  
I will cause you to ride over thee  
I will open up the lakes and the rivers  
I will take you deep, deep, deep, deep, deep, deep  
I will take you deep, deep, deep, deep, deep  
If you will come with Me  
Come with Me, come with Me  
So I can show you things to see that are of Me  
Why do you deny Me?  
That I might not show you this part of Me  
I am with thee, I fight for thee, you see  
One that will spend time with Me

How can I say, how can I speak to you this very day?  
What can I do that you may know it is I that comes to you?  
Hold My hand, I am going to take you to a grand stand  
And I am going to plead your case  
And you are going to know which is Me  
I'm going to do it for your sake  
Stand at this grand stand  
Stand with Me, do not flee

## 12-12-17 INSIDE OF HE WHO IS HOLY

What a delight to see  
To be inside of He who is so holy  
What a delight, I say this day  
What a delight it is to be  
In this place this way  
What a delight, a delight I say  
What a delight, a delight  
That is inside of Me  
Oh how I see thee  
Oh how I see thee  
How beautiful you are  
My maidservants this day  
I come to say  
That I am delighted in you in every way  
I am delighted you see  
Delight in Me  
Ask of your desires and see  
If you don't receive that which is inside of Me  
Delight in Me, My daughters, delight in Me  
Because you have surely delighted  
Delighted Me this day  
Because you are in Me this special way  
How beautiful, how beautiful is this place  
How beautiful, how beautiful  
How beautiful is this place

## 12-17-17 EYES ARE LOOKING

Eyes are looking at us from all around  
Eyes from heaven are watching and seeing  
They are looking to see, they are looking to know  
But these eyes are watching, they are watching us

These eyes are inquiring, they want to know  
What are these people doing?  
What is this show?  
Who has opened the door  
For us to see what they are doing, you see?  
Who is allowing us to see what we are able to see?  
Who is opening these doors, I say?  
Who is letting us watch you and say?  
What are these people doing this day?  
Why are they standing in such great array?  
What are they saying?  
What is that language they are speaking?  
What is it that they are seeking, we want to know?

Come back, come back, rise up  
Come back, rise up and see  
I have brought you to the highest mountain  
So you can see Me  
I can see you, and you can see Me  
Nothing else can be, but you and Me  
Higher and higher  
Deeper and deeper  
Wider and wider  
You can see Me  
Higher and higher  
Deeper and deeper  
Wider and wider  
You can see Me  
High higher, deep deeper  
Wide wider, you can see Me  
High higher, deep deeper  
Wide wider, you can see Me

The eyes can see you Lord  
They don't see me, they see You  
They see Christ inside of us  
Christ in us, worshiping a Living Father  
Christ in me, Christ in me can see Almighty  
Eyes are looking, eyes are seeking  
Eyes are looking, searching, peaking  
Eyes are there, eyes are everywhere  
They can see Thee  
Higher and higher  
Deeper and deeper  
Wider and wider  
We can see You Lord  
You can see us  
Eye to eye and face to face  
Eye to eye and face to face  
You can see me

***Jeremiah 4:16-17***

***Daniel 4:17, 23***

## 12-24-17 THE WHISPER OF THE SOUND

A whisper, a whisper, a whisper, a whisper  
A sound that whispers, a sound that whispers  
A sound that is very clear, it whispers  
It is right behind your ear  
See the sound, hear the sound  
Feel the sound, touch the sound  
It is here, very clear, very near  
It is a whisper, the whisper of a sound  
Hear the sound clear, clear  
There is a sound, it is all around  
It is very near, come and hear  
The whisper of the sound  
The whisper of the sound  
The whisper of the sound

The winds are blowing, back and forth and flowing  
The winds are swirling, curling, the winds are here  
But nothing will be able to quench out the sound that is near  
The sound that is near  
Nothing, nothing, nothing  
Can quench the sound I have given to thee  
It is a sound that is worship to Me  
It is a sound that is all around  
Who can hear the sound?  
Who can see the sound?  
Who can feel the sound?  
Who can touch the sound?  
Hear the sound, it is all around

Take your ear, bring it near  
Let Me show you how close  
And dear the sound is to Me  
A sound that will set mankind free  
A sound that is all around  
From the deep depths of the sea  
Bring forth the sound  
Let them hear, let them come near  
And I will show them a crown

That makes the sound complete  
The sound is in Me

Come and hear the sound, it is all around  
Who will dare hear, who will not fear?  
Who will come and say, the sound is here this day?  
Who I say, who can I speak to?  
Who will hear?  
Who will hear the sound coming all around, who I say?  
I come this very day  
That you may know that the sound is near  
It is very clear, come and hear the sound  
Come and hear the sound, right here  
It is very dear

Are you listening, can you hear?  
Who would know what I have to say?  
Who will come to Me this very day?  
Come and see, come and see, come see, come see  
Hear the sound, hear the sound, hear the sound  
Come see, it will draw you to Me

Do you hear, are you near?  
Do you hear the sounds, make it clear  
What does He have to say this day  
To make us sit and listen and stay  
So that we can know what is inside of He  
Victory will come  
We will not leave this place this day  
We will not  
We will stand and remain in victory in every way  
We will not, I declare it this day  
Who will stand with Me and say, we will not?  
Who I say, who knows the words that are in My heart?  
We will not!  
Who, who, who can I go and knock on their heart?  
To hear them say, "we will not, we will not, we will not  
Then come with Me  
Come and stay with Me with a great array  
Wear the best robe, you see, let it be filled with light in Me

## 12-31-17 STAND WITH ME

I give My heart to you  
You must remember  
You were standing before a living God  
And you are standing in the heavenly realm  
You are standing in a heavenly host position  
Heaven's eyes are upon you right now  
The eyes are looking to see  
To see what is in your heart  
That you may know Thee  
That you may stand before He  
And declare Him into the Earth  
And you will be able to stand  
And witness new birth

And you will know that the days of your life were not in vain  
The days of your life were totally given over to Me  
You were devoted to Me from the day you were born  
And I spoke to you  
When you did not know that I was the One  
And I say to you today  
Rededicate yourself to Me in a way  
You will be My priest, you see  
My Levites that will stand before Me  
And you will declare My Name, My Name before them  
And you shall show them the covenant  
That I have given to thee  
Oh today is glorious day for Me  
A glorious day to find those that will stand with Me  
I tell you today I looked throughout the Earth, you see  
I could not find one that would understand  
And know the new birth inside of Me

Will you stand with Me?  
I have asked you this many times before  
Now I ask you again on the threshing floor  
I am telling you today, heaven is looking at thee  
Eyes are all upon thee to see  
Are these the ones

That will really come and stand before Me?  
I say to you this day  
I come to cleanse your heart this very day  
I will purge you from your iniquity  
So that your eyes will be able to see Me  
I will bring you into a place of holiness  
Holy, holy, holy is Me  
Do you not see that I am who I say I am?  
I am the one, and I will come  
And I will return unto thee  
As I have promised you, you see  
The glorious hands of the Lord are upon thee

## 12-31-17 BREATHE ME IN

Breathe the fresh air, receive the fresh air  
Breathe, breathe on Me that I might see  
The freshness that is inside of thee  
Breathe, breathe, breathe, breathe  
Breathe, breathe, breathe the fresh air  
Breathe, breathe the fresh air  
Open wide, open wide, open wide  
Do not hide, come out you see  
Everyone is singing around thee  
Things are beginning to move  
Now we must say this day  
Everything, everything, everything must be this way  
Open up the doors and see  
Let the windows come out and be a part of Me  
See that the fresh air is there  
Everything is open

I declare this day everything will open up and say  
Sing a melody with Me  
Come, come out and see  
Know that I am here  
Know that I am near  
Sing a melody, sing, sing, sing  
Breathe the fresh air  
I am everywhere, here, there and everywhere  
What can I say to thee?  
All I know this day is I am making you free  
I am telling you that everything inside of Me is open to thee  
Swing the doors open wide  
See that I have set you free  
Everything is on the inside  
Bring it out and let it not hide  
I want them to know this day  
That I brought life to this place in every way  
Every way I say, every way  
Everything that can ring will begin to make sounds  
Let the sounds come out and be free  
Let them know that I am inside of thee

Sing a melody, sing, sing  
Breathe, come inside of Me, come inside of Me  
Let Me show you how free you can be inside of Me  
Sing a melody

There is joy, unspeakable joy  
I shall release this day those who will come and say  
Who dwells here, who can be so near?  
How can they see so clear?  
What have they given and what is given to thee  
That you have made them so free?

Breathe the fresh air, breathe the fresh air  
It is everywhere  
I have given it to thee to set you free  
It is Me, yes, it is Me  
Come in, come in, come in  
Know that you do not have to hide  
You can come in and I will let you abide  
Come, come, come quickly, come and see  
Come and see the freedom that I have given to thee  
Sing a melody, sing, sing, sing a melody

I have set you free inside of Me  
Do you not see?  
Breathe, breathe  
Smell and go and tell what I have given thee  
Don't hold back anything from Me  
I have given it all to thee  
Sing a melody, sing

I see, I see all that is within thee  
I see, I see, I see like a row that flows  
That fills the atmosphere  
That comes very close and near  
I see, I see  
Who can hide from Me?  
None can hide from Me  
I have come to set you free  
Breathe Me in

*(Prophetic Song)*

*I will breathe You in every moment of me  
Because You see every hidden thing  
So I breathe You in, blow in me  
Because You were reveal every hidden thing  
I breathe You in, I breathe You in  
I receive Your breath  
You know what is deep, deep inside of me  
We breathe You in breath of life  
We breathe You in, we breathe You in breath of life  
We breathe You in, let the wind blow  
We breathe You in, let the wind blow  
You are the breath of life, You sustain my life  
You are the breath of life, You sustain my life  
I need You to breathe in me  
Every moment, breathe in me  
You sustain my life, breathe in me  
Breathe, breathe, breathe, we welcome You here  
Breathe, breathe, we welcome You inside  
Breathe, no resistance in me, I receive  
Breathe, no resistance inside of me, I receive  
I receive, we receive You in, we receive  
You were telling us to breathe in, so we will breathe  
The very life inside of me, I receive the joy  
I receive the love, I receive the peace You provide me  
I receive the hope, I received the joy  
You are releasing me to breathe  
You are releasing me, freeing me to breathe  
Emptying me of everything so I can breathe  
You are emptying me of everything  
Now I can breathe, I am free  
Free indeed when we breathe You in, free indeed  
We receive You in, we breathe You in  
You sustain me in the breathing in  
You preserve me in the breathing in  
Face to face with You  
Breath of life, breath of life renewing me  
Breath of life, breath of life reviving me*

WHOEVER IS WISE,  
LET HIM UNDERSTAND  
THESE THINGS.  
WHOEVER IS DISCERNING,  
LET HIM KNOW THEM.  
FOR THE WAYS OF THE LORD  
ARE RIGHT  
AND THE RIGHTEOUS  
WILL WALK IN THEM.
